SUPPLEMENTARY INFORMATION:

I. Background: OFCCP administers and enforces the three nondiscrimination and equal employment opportunity laws listed below.

- Executive Order 11246, as amended (E.O. 11246)
- Section 503 of the Rehabilitation Act of 1973, as amended (Section 503)
- Vietnam Era Veterans’ Readjustment Assistance Act of 1974, as amended (VEVRAA)

These authorities prohibit employment discrimination by covered federal contractors and subcontractors and require that they provide equal employment opportunities regardless of race, color, religion, sex, sexual orientation, gender identity, national origin, disability, or status as a protected veteran. Additionally, federal contractors and subcontractors are prohibited from discriminating against applicants and employees for asking about, discussing, or sharing information about their pay or the pay of their co-workers. E.O. 11246 applies to federal contractors and subcontractors and to federally assisted construction contractors holding a Government contract in excess of \$10,000, or Government contracts which have, or can reasonably be expected to have, an aggregate total value exceeding \$10,000 in a 12-month period. E.O. 11246 also applies to government bills of lading, depositories of federal funds in any amount, and to financial institutions that are issuing and paying agents for U.S. Savings Bonds. Section 503 prohibits employment discrimination against applicants and employees because of physical or mental disability and requires affirmative action to ensure that persons are treated without regard to disability. Section 503 applies to federal contractors and subcontractors with contracts in excess of \$15,000. VEVRAA prohibits employment discrimination against protected veterans and requires affirmative action to ensure that persons are treated without regard to their status as a protected veteran. VEVRAA applies to federal contractors and subcontractors with contracts of \$150,000 or more. This collection will implement the Excellence in Disability Inclusion award that will recognize federal contractor and subcontractor establishments that ensure equal employment opportunity, foster employment opportunities for individuals with disabilities, and have achieved a level of excellence in their compliance with Section 503.

DEPARTMENT OF LABOR

[Docket Number DOL–2018–0006]

Child Labor, Forced Labor, and Forced or Indentured Child Labor in the Production of Goods in Foreign Countries and Efforts by Certain Foreign Countries To Eliminate the Worst Forms of Child Labor

AGENCY: The Bureau of International Labor Affairs, United States Department of Labor.

ACTION: Notice: Request for information and invitation to comment.

SUMMARY: This notice is a request for information and/or comment on three reports issued by the Bureau of International Labor Affairs (ILAB) regarding child labor and forced labor in certain foreign countries. Relevant information submitted by the public will be used by the Department of Labor (DOL) in preparing its ongoing reporting as required under Congressional mandates and a Presidential directive. The 2017 Findings on the Worst Forms of Child Labor report (TDA report), published on September 20, 2018, discusses efforts of 132 countries and territories to eliminate the worst forms of child labor over the course of 2017 and assesses whether countries made significant, moderate, minimal, or no advancement during that year. It also suggests actions foreign countries can take to eliminate the worst forms of child labor through legislation, enforcement, coordination, policies, and social programs. The 2018 edition of the List of Goods Produced by Child Labor or Forced Labor (TVPRA List), also published on September 20, 2018, makes available to the public a list of goods from countries that ILAB has reason to believe are produced by child labor or forced labor in violation of international standards. Finally, the List of Products Produced by Forced or Indentured Child Labor (E.O. 13126 List), provides a list of products, identified by country of origin, that DOL, in consultation and cooperation with the Departments of State (DOS) and Homeland Security (DHS), has a reasonable basis to believe might have been mined, produced, or manufactured with forced or indentured child labor. Relevant information submitted by the public will be used by DOL in preparing the next edition of the TDA report, to be published in 2019; the next edition of the TVPRA List, to be published in 2020; and for possible updates to the E.O. 13126 List as needed.

DATES: Submitters of information are requested to provide their submission to DOL's Office of Child Labor, Forced Labor, and Human Trafficking (OCFT) at the email or physical address below by 5 p.m. on January 11, 2019.

ADDRESSES: Information submitted to the Department of Labor should be submitted directly to OCFT, Bureau of International Labor Affairs, U.S. Department of Labor. Comments, identified as "Docket No. DOL–2018–0006," may be submitted by any of the following methods:
