BILLING CODE 4310-05-P

**DEPARTMENT OF HOMELAND
SECURITY****Federal Emergency Management
Agency****44 CFR Part 64**

[Docket No. FEMA-7788]

**List of Communities Eligible for the
Sale of Flood Insurance**

AGENCY: Mitigation Division, Federal Emergency Management Agency (FEMA), Department of Homeland Security.

ACTION: Final rule.

SUMMARY: This rule identifies communities that are participating and suspended from the National Flood Insurance Program (NFIP). These communities have applied to the program and have agreed to enact certain floodplain management measures. The communities' participation in the program authorizes the sale of flood insurance to owners of properties located in the communities listed below.

DATES: *Effective Dates:* The effective date for each community is listed in the fourth column of the following tables.

ADDRESSES: Flood insurance policies for properties located in the communities listed below can be obtained from any licensed property insurance agent or broker serving the eligible community or from the NFIP by calling 1-800-638-6620.

FOR FURTHER INFORMATION CONTACT: David H. Stearrett, Chief, Floodplain Management Section, Risk Reduction Branch, Mitigation Division, 500 C Street, SW., Washington, DC 20472, (202) 646-2953.

SUPPLEMENTARY INFORMATION: The NFIP enables property owners to purchase flood insurance that is generally not otherwise available. In return, communities agree to adopt and implement local floodplain management regulations that contribute to protecting lives and reducing the risk of new construction from future flooding. Because the communities on the attached list have recently entered the NFIP, subsidized flood insurance is now available for properties in these communities.

FEMA has identified the Special Flood Hazard Areas (SFHAs) in some of these communities by publishing a Flood Hazard Boundary Map (FHBM) or Flood Insurance Rate Map (FIRM). The date of the flood map, if one has been published, is indicated in the fourth column of the table. In the communities listed where a flood map has been published, Section 202 of the Flood Disaster Protection Act of 1973, as amended, 42 U.S.C. 4016(a), requires the purchase of flood insurance as a condition of Federal or Federally-related financial assistance for acquisition or construction of buildings in the SFHAs shown on the map.

The Administrator finds that delayed effective dates would be contrary to the public interest and that notice and public procedure under 5 U.S.C. 553(b) are impracticable and unnecessary.

National Environmental Policy Act. This rule is categorically excluded from

the requirements of 44 CFR part 10, Environmental Considerations. No environmental impact assessment has been prepared.

Regulatory Flexibility Act. The Administrator certifies that this rule will not have a significant economic impact on a substantial number of small entities in accordance with the Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.*, because the rule creates no additional burden, but lists those communities eligible for the sale of flood insurance.

Regulatory Classification. This final rule is not a significant regulatory action under the criteria of section 3(f) of Executive Order 12866 of September 30, 1993, Regulatory Planning and Review, 58 FR 51735.

Paperwork Reduction Act. This rule does not involve any collection of information for purposes of the Paperwork Reduction Act, 44 U.S.C. 3501 *et seq.*

As prescribed in 8.004, insert the following clause:

Contractor Use of Mandatory Sources of Supply or Services (JUL 2004)

(a) Certain supplies or services to be provided under this contract for use by the Government are required by law to be obtained from nonprofit agencies participating in the program operated by the Committee for Purchase From People Who Are Blind or Severely Disabled (the Committee) under the Javits-Wagner-O'Day Act (JWOD) (41 U.S.C. 48). Additionally, certain of these supplies are available from the Defense Logistics Agency (DLA), the General Services Administration (GSA), or the Department of Veterans Affairs (VA). The Contractor shall obtain mandatory supplies or services to be provided for Government use under this contract from the specific sources indicated in the contract schedule.

(b) The Contractor shall immediately notify the Contracting Officer if a mandatory source is unable to provide the supplies or services by the time required, or if the quality of supplies or services provided by the mandatory source is unsatisfactory. The Contractor shall not purchase the supplies or services from other sources until the Contracting Officer has notified the Contractor that the Committee or a JWOD central nonprofit agency has authorized purchase from other sources.

(c) Price and delivery information for the mandatory supplies is available from the Contracting Officer for the supplies obtained through the DLA/GSA/VA distribution facilities. For mandatory supplies or services that are not available from DLA/GSA/VA, price and delivery information is available from the appropriate central nonprofit agency. Payments shall be made directly to the source making delivery. Points of contact for JWOD central nonprofit agencies are:

[Docket No. FMCSA-2002-13015]

RIN 2126-AA78

Enforcement of Operating Authority Requirements

AGENCY: Federal Motor Carrier Safety Administration (FMCSA), DOT.

ACTION: Final rule.

SUMMARY: The Federal Motor Carrier Safety Administration (FMCSA or the

Agency) adopts as final, with minor changes, its interim regulations as published in the **Federal Register** in August 2002. Since that time, enforcement officials have discovered many carriers operating without the required operating authority or beyond the scope of their authority. By making minor changes to the rule, FMCSA facilitates enforcement of these regulatory requirements by the agency's employees and its State counterparts. Clarifying that operating authority means registration as required by statute assists State enforcement officers in identifying the correct violation and not confusing operating authority with other registration requirements.

DATES: *Effective Date:* September 27, 2006. *Petitions for Reconsideration* must be received by the Agency not later than September 27, 2006.
