

U.S.C. 2813), as amended, the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance and Alternative Trade Adjustment assistance on March 18, 2005, applicable to workers of Golden Northwest Aluminum, The Dalles, Oregon. The notice was published in the **Federal Register** on May 2, 2005 (70 FR 27711).

At the request of the United Steelworkers, District 12, the Department reviewed the certification for workers of the subject firm. The workers are engaged in the production of aluminum.

New information shows that in June 2006, Golden Northwest Aluminum, Inc., and its division, Northwest Aluminum Specialties Company formed Northwest Aluminum Specialties, Inc. Currently, Northwest Aluminum Specialties Company is now known as Northwest Aluminum Specialties, Inc.

Information also shows that some workers separated from employment at the subject firm had their wages reported under two separate unemployment insurance (UI) tax accounts for Golden Northwest Aluminum, Inc. and Northwest Aluminum Specialties, Inc. Accordingly, the Department is amending the certification to properly reflect this matter.

The intent of the Department's certification is to include all workers of Golden Northwest Aluminum, The Dalles, Oregon, who were adversely affected by increased company imports.

The amended notice applicable to TA-W-56,672 is hereby issued as follows:

"All workers of Golden Northwest Aluminum, Northwest Aluminum Specialties Company, currently known as Northwest Aluminum Specialties, Inc., The Dalles, Oregon, who became totally or partially separated from employment on or after March 12, 2005, through March 18, 2007, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974, and are also eligible to apply for alternative trade adjustment assistance under Section 246 of the Trade Act of 1974."

Signed at Washington, DC, this 18th day of August 2006.

Elliott S. Kushner,

Certifying Officer, Division of Trade Adjustment Assistance.

Klaussner Furniture Industries, Inc., Candor, NC; Notice of Affirmative Determination Regarding Application for Reconsideration

By application dated August 21, 2006, a company official requested administrative reconsideration of the Department of Labor's Notice of Negative Determination Regarding Eligibility to Apply for Worker Adjustment Assistance, applicable to workers of the subject firm. The Department's determination was issued on July 31, 2006. The Notice of Determination was published in the **Federal Register** on August 16, 2006 (71 FR 47253).

In the request for reconsideration, the company official provided new information regarding employment declines.

The Department has carefully reviewed the request for reconsideration and has determined that the Department will conduct further investigation based on new information provided.

Conclusion

After careful review of the application, I conclude that the claim is of sufficient weight to justify reconsideration of the Department of Labor's prior decision. The application is, therefore, granted.

Signed at Washington, DC, this 23rd day of August 2006.

McArthur Professional, Inc., Professional Towel Mills Division, Abbeville, SC; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273), and Section 246 of the Trade Act of 1974, as amended (19 U.S.C. 2813), the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance and Alternative Trade Adjustment Assistance on June 27, 2006, applicable to all workers of McArthur Professional, Inc., Professional Towel Mills Division, Abbeville, South Carolina. The notice was published in the **Federal Register** on July 17, 2006 (71 FR 40550).

At the request of State agency, the Department reviewed the certification for workers of the subject firm. The affected workers produced towels.

The company official has confirmed that the firm imprints/decorates towels for promotional purposes and the workers producing towels are separately identifiable from the workers in another Department decorating the towels.

The Department inadvertently issued the certification for all workers of the firm. Consequently, the Department is limiting the certification to the workers of McArthur Professional, Inc., Professional Towel Mills Division, Abbeville, South Carolina, engaged in the production of towels.

The amended notice applicable to TA-W-59,402 is hereby issued as follows:

"Workers of McArthur Professional, Inc., Professional Towel Mills Division, Abbeville, South Carolina, engaged in the production of

towels, who became totally or partially separated from employment on or after May 15, 2005 through June 27, 2008, are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974, and are also eligible to apply for alternative trade adjustment assistance under Section 246 of the Trade Act of 1974.”

Signed at Washington, DC, this 17th day of August 2006.

DEPARTMENT OF LABOR

Mine Safety and Health Administration

Proposed Information Collection Request Submitted for Public Comment and Recommendations; Gamma Radiation Exposure Records

ACTION: Notice.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden conducts a pre-clearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) [44 U.S.C. 3506(c)(2)(A)]. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed.

Currently, the Mine Safety and Health Administration (MSHA) is soliciting comments concerning the extension of the information collection related to the 30 CFR Sections 57.5047; Gamma Radiation Exposure Records.

DATES: Submit comments on or before October 30, 2006.

ADDRESSES: Send comments to U.S. Department of Labor, Mine Safety and Health Administration, John Rowlett, Director, Management Services Division, 1100 Wilson Boulevard, Room 2134, Arlington, VA 22209-3939. Commenters are encouraged to send their comments on a computer disk, or via Internet e-mail to Rowlett.John@dol.gov, along with an

original printed copy. Mr. Rowlett can be reached at (202) 693-9827 (voice), or (202) 693-9801 (facsimile).

FOR FURTHER INFORMATION CONTACT: Contact the employee listed in the ADDRESSES section of this notice.

SUPPLEMENTARY INFORMATION:

I. Background

Under Section 103(c) of the Federal Mine Safety and Health Act of 1977, the Mine Safety and Health Administration (MSHA) is required to “* * * issue regulations required operators to maintain accurate records of employee exposures to potentially toxic materials or harmful physical agents which are required to be monitored or measured under any applicable mandatory health or safety standard promulgated under this Act.”

Gamma radiation occurs anywhere that radioactive materials are present, and has been associated with lung cancer and other debilitating occupational diseases. Gamma radiation hazards may be found near radiation sources at surface operations using X-ray machines, weightometers, nuclear and diffraction units.

II. Desired Focus of Comments

MSHA is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

A copy of the proposed information collection request can be obtained by contacting the employee listed in the **FOR FURTHER INFORMATION CONTACT** section of this notice, or viewed on the Internet by accessing the MSHA home page (<http://www.msha.gov>) and then choosing “Statutory and Regulatory Information” and “Federal Register Documents.”
