#### Notification to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this POR. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

#### Notification to Interested Parties Regarding Administrative Protective Order

This notice also serves as the only reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(h).

Dated: October 10, 2018.

#### Xanthan Gum From the People's Republic of China: Notice of Court Decision Not in Harmony With Amended Final Determination in Less Than Fair Value Investigation; Notice of Amended Final Determination Pursuant to Court Decision; Notice of Revocation of Antidumping Duty Order in Part; and Discontinuation of Fourth and Fifth Antidumping Duty Administrative Reviews in Part

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** On September 17, 2018, the United States Court of International Trade (CIT or Court) sustained the Department of Commerce's (Commerce) remand redetermination pertaining to the less-than-fair-value (LTFV) investigation of xanthan gum from the People's Republic of China (China). Because of the CIT's final decision, we are notifying the public that the CIT's decision is not in harmony with Commerce's final determination in the LTFV investigation of xanthan gum from China. Pursuant to the CIT's final judgment, Neimenggu Fufeng Biotechnologies Co., Ltd. (aka Inner Mongolia Fufeng Biotechnologies Co., Ltd.) and Shandong Fufeng Fermentation, Co., Ltd. (collectively, Fufeng) are being excluded from the order.

**DATES:** September 27, 2018.

#### SUPPLEMENTARY INFORMATION:

#### Background

The litigation in this case relates to Commerce's final determination in the antidumping duty investigation covering xanthan gum from China,<sup>1</sup> which was later amended.<sup>2</sup> In its *Amended Final Determination and Order*, Commerce reached affirmative

determinations for mandatory respondents Fufeng and Deosen Biochemical Ltd. (Deosen).<sup>3</sup> CP Kelco U.S. and Fufeng appealed the *Amended Final Determination and Order* to the CIT, and on March 31, 2015, the CIT sustained, in part, and remanded, in part, Commerce's *Final Determination*,<sup>4</sup> as modified by the *Amended Final Determination*.<sup>5</sup> Specifically, the Court remanded, for reevaluation, Commerce's conclusion that the Thai Ajinomoto financial statements constituted a better source for calculating surrogate financial ratios than the Thai Fermentation statements, and granted the Government's request for a voluntary remand to reconsider Commerce's allocation of energy consumed at Fufeng's Neimenggu plant between the production of subject and non-subject merchandise.<sup>6</sup> Pursuant to a series of remand orders issued by the Court that resulted in four remand redeterminations, Commerce adjusted its allocation of energy consumed at Fufeng's Neimenggu plant and revised Fufeng's weighted average dumping margin by using Thai Fermentation's financial statements to derive the surrogate financial ratios.<sup>7</sup> On September 17, 2018, the CIT sustained Commerce's Final Remand Redetermination.<sup>8</sup>

#### Timken Notice

In its decision in *Timken*,<sup>9</sup> as clarified by *Diamond Sawblades*,<sup>10</sup> the United States Court of Appeals for the Federal Circuit (CAFC) held that, pursuant to section 516A(e) of the Tariff Act of 1930, as amended (the Act), Commerce must publish a notice of a court decision that is not "in harmony" with a Commerce determination and must suspend liquidation of entries pending a "conclusive" court decision. The CIT's September 17, 2018, final judgment sustaining Commerce's fourth remand redetermination<sup>11</sup> constitutes a final

decision of the Court that is not in harmony with Commerce's *Amended Final Determination and Order*. This notice is published in fulfillment of the publication requirements of *Timken*.

#### Amended Final Determination

Because there is now a final court decision, Commerce is amending the *Final Determination and Amended*

*Final Determination and Order* with respect to Fufeng. The revised weighted-average dumping margin for Fufeng for the period October 1, 2011, through March 31, 2012, is as follows:

Exporter	Producer	Weighted-average dumping margin (percent)
Neimenggu Fufeng Biotechnologies, Co., Ltd. (aka Inner Mongolia Fufeng Biotechnologies Co., Ltd.)/Shandong Fufeng Fermentation Co., Ltd.	Neimenggu Fufeng Biotechnologies, Co., Ltd. (aka Inner Mongolia Fufeng Biotechnologies Co., Ltd.)/Shandong Fufeng Fermentation Co., Ltd.	0.00

#### Partial Exclusion From Antidumping Duty Order and Partial Discontinuation of Fourth and Fifth Antidumping Duty Administrative Reviews

Pursuant to section 735(a)(4) of the Act, Commerce "shall disregard any weighted average dumping margin that is *de minimis* as defined in section 733(b)(3) of the Act."<sup>12</sup> Furthermore, and pursuant to section 735(c)(2) of the Act, "the investigation shall be terminated upon publication of that negative determination" and Commerce shall "terminate the suspension of liquidation" and "release any bond or other security, and refund any cash deposit."<sup>13</sup> As a result of this amended final determination, in which Commerce has calculated an estimated weighted-average dumping margin of 0.00 percent for Fufeng, Commerce is hereby excluding merchandise from the above producer-exporter combination from the antidumping duty order.<sup>14</sup> Accordingly, Commerce will direct U.S. Customs and Border Protection (CBP) to release any bonds or other security and refund cash deposits pertaining to any suspended entries from the producer-exporter combination listed above. This exclusion does not apply beyond the producer-exporter combination referenced above.

We note, however, pursuant to *Timken*, the suspension of liquidation must continue during the pendency of the appeals process. Thus, we will instruct CBP to suspend liquidation of all unliquidated entries from the

producer-exporter combination referenced above at a cash deposit rate of 0.00 percent which are entered, or withdrawn from warehouse, for consumption after September 27, 2018, which is ten days after the CIT's final decision, in accordance with section 516A of the Act.<sup>15</sup> If the CIT's ruling is not appealed, or if appealed and upheld, Commerce will instruct CBP to terminate the suspension of liquidation and to liquidate entries subject to the producer-exporter combination rate stated above without regard to antidumping duties. As a result of the exclusion, Commerce (1) is discontinuing the ongoing fourth and fifth administrative reviews, in part, with respect to Fufeng's entries during those periods of review;<sup>16</sup> and (2) will not initiate any new administrative reviews of Fufeng's entries pursuant to the antidumping order.<sup>17</sup>

Lastly, we note that, at this time, Commerce remains enjoined by Court order from liquidating entries that: (1) Were produced and exported by Fufeng, and were entered, or withdrawn from warehouse, for consumption during the period July 19, 2013, through June 30, 2014; (2) were produced and exported by Fufeng, and were entered, or withdrawn from warehouse, for consumption during the period July 1, 2014, through June 30, 2015, by East West Technologies Inc.; and (3) were produced and exported by Fufeng, and were entered, or withdrawn from warehouse, for consumption during the period July 1, 2014, through June 30,

2015, by LABH Inc., designated as Entry No. 22703189153, with an entry date of July 7, 2014, and Fufeng's Invoice No. MEU14088. These entries will remain enjoined pursuant to the terms of the injunction during the pendency of any appeals process.

#### Notification to Interested Parties

This notice is issued and published in accordance with sections 516A(c)(1) and (e) of the Act.
