

(202) 566-1744, and the telephone number for the ORD Docket is (202) 566-1752.

The June 27-30, 2006 HSRB meeting draft report is now available. You may obtain electronic copies of this document, and certain other related documents that might be available electronically, from the regulations.gov Web site and the HSRB Internet Home Page at <http://www.epa.gov/osa/hsrb/>. For questions on document availability or if you do not have access to the Internet, consult the person listed under **FOR FURTHER INFORMATION CONTACT**.

C. What Should I Consider as I Prepare My Comments for EPA?

You may find the following suggestions helpful for preparing your comments:

1. Explain your views as clearly as possible.
2. Describe any assumptions that you used.
3. Provide copies of any technical information and/or data you used that support your views.
4. Provide specific examples to illustrate your concerns.

5. To ensure proper receipt by EPA, be sure to identify the docket ID number assigned to this action in the subject line on the first page of your response. You may also provide the name, date, and **Federal Register** citation.

D. How May I Participate in this Meeting?

You may participate in this meeting by following the instructions in this section. To ensure proper receipt by EPA, it is imperative that you identify docket ID number EPA-HQ-ORD-2006-0384 in the subject line on the first page of your request.

1. *Oral comments.* Requests to present oral comments will be accepted up to September 19, 2006. To the extent that time permits, interested persons who have not pre-registered may be permitted by the Chair of the HSRB to present oral comments at the meeting. Each individual or group wishing to make brief oral comments to the HSRB is strongly advised to submit their request (preferably via e-mail) to the DFO listed under **FOR FURTHER INFORMATION CONTACT** no later than noon, eastern time, September 19, 2006, in order to be included on the meeting agenda and to provide sufficient time for the HSRB Chair and HSRB DFO to review the meeting agenda to provide an appropriate public comment period. The request should identify the name of the individual making the presentation and the organization (if any) the individual will represent. Oral

comments before the HSRB are limited to 5 minutes per individual or organization. Please note that this includes all individuals appearing either as part of, or on behalf of an organization. While it is our intent to hear a full range of oral comments on the science and ethics issues under discussion, it is not our intent to permit organizations to expand these time limitations by having numerous individuals sign up separately to speak on their behalf. If additional time is available, there may be flexibility in time for public comments.

2. *Written comments.* Although you may submit written comments at any time, for the HSRB to have the best opportunity to review and consider your comments as it deliberates on its report, you should submit your comments at least 5 business days prior to the beginning of this teleconference. If you submit comments after this date, those comments will be provided to the Board members, but you should recognize that the Board members may not have adequate time to consider those comments prior to making a decision. Thus, if you plan to submit written comments, the Agency strongly encourages you to submit such comments no later than noon, Eastern Time, September 19, 2006. You should submit your comments using the instructions in Unit 1.C. of this notice. In addition, the Agency also requests that person(s) submitting comments directly to the docket also provide a copy of their comments to the DFO listed under **FOR FURTHER INFORMATION CONTACT**. There is no limit on the length of written comments for consideration by the HSRB.

E. Background

The EPA Human Studies Review Board will be reviewing its draft report from the June 27-30, 2006 HSRB meeting. Background on the June 27-30, 2006 HSRB meeting can be found at **Federal Register** 71 108, 32536 (June 6, 2006) and at the HSRB Web site <http://www.epa.gov/osa/hsrb/>. Finally, the Board may discuss planning for future HSRB meetings.

Dated: August 30, 2006.

William H. Farland,

Acting EPA Science Advisor.

BILLING CODE 6560-50-P

ENVIRONMENTAL PROTECTION AGENCY

[EPA-HQ-OPPT-2006-0494; FRL-8075-3]

Lead-Based Paint Activities; State of Hawaii Lead-Based Paint Program

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice; requests for comments and opportunity for public hearing.

SUMMARY: On November 17, 2005, EPA received an application from the State of Hawaii requesting authorization to administer a program in accordance with section 402 of the Toxic Substances Control Act (TSCA). Included in the application was a letter signed by Hawaii's Attorney General stating that the State's Lead-Based Paint Abatement Program is at least as protective of human health and the environment as the Federal program under TSCA section 402. Also included in the letter from the Attorney General of Hawaii is the certification that the laws and regulations of the State of Hawaii provide adequate legal authority to administer and enforce TSCA section 402. The application was followed by a transmittal letter of February 8, 2006, from the Governor of the State of Hawaii requesting program approval. Hawaii certifies that its program meets the requirements for approval of a State program under TSCA section 404 and that Hawaii has the legal authority and ability to implement the appropriate elements necessary to enforce the program. Therefore, pursuant to TSCA section 404, the program is deemed authorized as of the date of submission. If EPA finds that the program does not meet the requirements for approval of a State program, EPA will disapprove the program, at which time a notice will be issued in the **Federal Register** and the Federal program will be established. This notice announces the receipt of Hawaii's application, provides a 45-day public comment period, and an opportunity to request a public hearing on the application.

DATES: Comments on the application must be received on or before October 20, 2006.

ADDRESSES: Submit all written comments and/or requests for a public hearing identified by docket identification (ID) number EPA-HQ-OPPT-2006-0494, by one of the following methods:

- *Federal eRulemaking Portal:* <http://www.regulations.gov>. Follow the on-line instructions for submitting comments.
- *Fax:* (415) 947-3583.
- *Mail:* Nancy Oien, Regional Lead Coordinator, Environmental Protection

Agency, Region IX, CED-4, 75
Hawthorne St., San Francisco, CA
94105-3901.

• **Delivery:** Environmental Protection
Agency, Region IX, CED-4, 75
Hawthorne St., San Francisco, CA
94105-3901.

Instructions: Direct your comments to
Docket ID number EPA-HQ-OPPT-
2006-0494. EPA's policy is that all
comments received will be included in
the public docket without change and
may be made available on-line at <http://www.regulations.gov>, including any
personal information provided, unless
the comment includes information
claimed to be Confidential Business
Information (CBI) or other information
whose disclosure is restricted by statute.
Do not submit information that you
consider to be CBI or otherwise
protected through [regulations.gov](http://www.regulations.gov) or e-
mail. The [regulations.gov](http://www.regulations.gov) Web site is an
"anonymous access" system, which
means EPA will not know your identity
or contact information unless you
provide it in the body of your comment.
If you send an e-mail comment directly
to EPA without going
through [regulations.gov](http://www.regulations.gov), your e-mail
address will be automatically captured
and included as part of the comment
that is placed in the public docket and
made available on the Internet. If you
submit an electronic comment, EPA
recommends that you include your
name and other contact information in
the body of the comment and with any
disk or CD ROM you submit. If EPA
cannot read your comment due to
technical difficulties and cannot contact
you for clarification, EPA may not be
able to consider your comment.
Electronic files should avoid the use of
special characters, any form of
encryption, and be free of any defects or
viruses. For additional information
about EPA's public docket, visit the EPA
Docket Center homepage at <http://www.epa.gov/epahome/dockets.htm>.

Comments, data, and requests for a
public hearing may also be submitted
electronically to: oien.nancy@epa.gov.

Docket: All documents in the docket
are listed in the docket index. Although
listed in the index, some information is
not publicly available, e.g., CBI or other
information whose disclosure is
restricted by statute. Certain other
material, such as copyrighted material,
will be publicly available only in hard
copy. Publicly available docket
materials are available either
electronically at <http://www.regulations.gov> or in hard copy at

the EPA Region IX Library at 75
Hawthorne St., San Francisco, CA
94105. This docket facility is open from
8 a.m. to noon and 1 p.m. to 4 p.m.,

Monday through Friday, excluding legal
holidays. The docket facility telephone
number is (415) 947-4406.

FOR FURTHER INFORMATION CONTACT:
Nancy Oien, Regional Lead Coordinator,
Region IX, CED-4, 75 Hawthorne St.,
San Francisco, CA 94105-3901;
telephone: (415) 972-3780; e-mail
address: oien.nancy@epa.gov.

SUPPLEMENTARY INFORMATION:

I. General

A. Does this Action Apply to Me?

This notice is directed to the public
in general. This notice may, however, be
of interest to firms and individuals
engaged in lead-based paint activities in
Hawaii. Since other entities may also be
interested, the Agency has not
attempted to describe all the specific
entities that may be affected by the
notice. If you have any questions
regarding the applicability of this notice
to a particular entity, consult the person
listed under **FOR FURTHER INFORMATION
CONTACT**.

*B. What is the Agency's Authority for
Taking this Action?*

On October 28, 1992, the Housing and
Community Development Act of 1992,
Public Law 102-550, became law. Title
X of that statute was the Residential
Lead-Based Paint Hazard Reduction Act
of 1992. The Act amended TSCA (15
U.S.C. 2601 *et seq.*) by adding Title IV
(15 U.S.C. 2681-2692), titled "Lead
Exposure Reduction."

Section 402 of TSCA (15 U.S.C. 2682)
authorizes and directs EPA to
promulgate final regulations governing
lead-based paint activities in target
housing, public and commercial
buildings, bridges, and other structures.
On August 29, 1996 (61 FR 45777)
(FRL-5389-9), EPA promulgated final
TSCA section 402/404 regulations
governing lead-based paint activities in
target housing and child-occupied
facilities (a subset of public buildings).
These regulations are to ensure that
individuals engaged in such activities
are properly trained, that training
programs are accredited, and that
individuals engaged in these activities
are certified and follow documented
work practice standards. Under TSCA
section 404 (15 U.S.C. 2684), a State or
Indian Tribe may seek authorization
from EPA to administer and enforce its
own lead-based paint activities program.

States and Tribes that choose to apply
for program authorization must submit
a complete application to the
appropriate Regional EPA Office for
review. EPA will review those
applications within 180 days of receipt
of the complete application. To receive

EPA approval, a State or Tribe must
demonstrate that its program is at least
as protective of human health and the
environment as the Federal program,
and provides for adequate enforcement
(section 404(b) of TSCA, 15 U.S.C.
2684(b)). EPA's regulations (40 CFR part
745, subpart Q) provide the detailed
requirements a State or Tribal program
must meet in order to obtain EPA
authorization.

A State may choose to certify that its
lead-based paint activities program
meets the requirements for EPA
authorization by submitting a letter
signed by the Governor or the Attorney
General stating that the program meets
the requirements of section 404(b) of
TSCA. Upon submission of such
certification letter, the program is
deemed authorized until such time as
EPA disapproves the program
application or withdraws the
application.

Section 404(b) of TSCA provides that
EPA may approve a program application
only after providing notice and an
opportunity for a public hearing on the
application. Therefore, by this notice
EPA is soliciting public comment on
whether Hawaii's application meets the
requirements for EPA approval. This
notice also provides an opportunity to
request a public hearing on the
application. If EPA finds that the
program does not meet the requirements
for authorization of a state program,
EPA will disapprove the program
application, at which time a notice will
be issued in the **Federal Register** and
the Federal program will be established
in Hawaii.

II. State Program Description Summary

This summary is provided in
accordance with 40 CFR 745.324(a)(4).
The applicant has provided the
following summary of their lead
program. On September 19, 2005,
Hawaii's Department of Health (HDH)
adopted Title 11, Chapter 11-41, Hawaii
Administrative Rules titled "Lead-Based
Paint Activities" pursuant to Hawaii
statutes in Chapters 91 and 92 and
Hawaii's revised statute in section 321-
11. These changes authorized Hawaii's
Department of Health to adopt and
enforce requirements equivalent to the
requirements of 40 CFR part 745,
subpart L, into Hawaii's Administrative
Rules in accordance with Hawaii's
Revised Statutes, Title 19, Chapter 342P.

Public hearings were held on April
22, 2004, Hilo, Island of Hawaii; April
23, 2004, Kailua Kona, Island of Hawaii;
May 4, 2004, Lihue, Kona; May 6, 2004,
Wailuku, Maui; and May 7, 2004,
Honolulu, Oahu to consider comments
on the proposed adoption of

administrative rule amendments and Hawaii's intent to seek EPA authorization of its lead-based paint program. Comments were accepted for 40 days after the published date of March 29, 2004. There were no oral comments given at the hearings, but two sets of written comments were received. The written comments were technical in nature and some changes were made to remain as protective as the Federal standards. These changes were reviewed by the State Attorney General who deemed that no additional public hearing was required. The Post Hearing Small Business Impact Statement was written and approved by the Small Business Regulatory Review Board pursuant to section 201M-3, Hawaii Revised Statutes and the Hawaii's Governor's Administrative Directive No. 99-02.

On September 19, 2005, the Governor of the State of Hawaii signed the final rule. The final rule became effective on October 3, 2005. The Hawaii Department of Health began implementing its program on October 3, 2005. Additional information, copies of the documents referenced above, and application forms for licensing and certification may be obtained by contacting: Tom Lileikis, Environmental Health Specialist, Hawaii Health Department, Noise, Radiation, and Indoor Air Quality Branch, 591 Ala Moana Blvd., #133, Honolulu, Hawaii 96813; telephone number: (808) 586-5800; e-mail address: tlileiki@ehsd.mail.health.state.hi.us.

EPA determined that Hawaii's original application of November 17, 2005, was incomplete as the transmittal letter from the State Governor requesting program approval was missing. The State of Hawaii submitted the Governor's request on February 8, 2006, in accordance with 40 CFR 745.324(d), "Program Certification," certifying that the State program meets the requirements contained in 40 CFR 745.324(e)(2)(i) and (e)(2)(ii). Therefore, as of November 17, 2005, the State of Hawaii is authorized to administer and enforce the lead-based paint program under TSCA section 402, until such time as the Administrator disapproves the application or withdraws the State's program authorization.

III. Federal Overfiling

Section 404(b) of TSCA (15 U.S.C. 2684(b)) makes it unlawful for any person to violate, or fail or refuse to comply with, any requirement of an approved State or Tribal program. Therefore, EPA reserves the right to exercise its enforcement authority under TSCA against a violation of, or a failure

or refusal to comply with, any requirement of an authorized State or Tribal program.

IV. Submission to Congress and the Comptroller General

The Congressional Review Act, 5 U.S.C. 801 *et seq.* as amended by the Small Business Regulatory Enforcement Fairness Act of 1996, generally provides that before certain actions may take effect, the agency promulgating the action must submit a report, which includes a copy of the action, to each House of the Congress and to the Comptroller General of the United States. EPA will submit a report containing this action and other required information to the U.S. Senate, the U.S. House of Representatives, and the Comptroller General of the United States prior to publication of this document in the **Federal Register**. This action is not a "major rule" as defined by 5 U.S.C. 804(2).

List of Subjects

Environmental protection, Hazardous substances, Lead, Reporting and recordkeeping requirements.

Dated: August 3, 2006.

Laura Yoshii,

Acting Regional Administrator, Region IX.

BILLING CODE 6560-50-S

ENVIRONMENTAL PROTECTION AGENCY

[EPA-HQ-OPPT-2003-0010; FRL-8088-3]

1,2-Ethylene Dichloride Tier I Program Review Testing; Notice of Availability and Solicitation of Comment

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: Under section 4 of the Toxic Substances Control Act (TSCA), EPA issued a testing consent order that incorporated an enforceable consent agreement (ECA) for 1,2-ethylene dichloride (EDC). The companies subject to the ECA agreed to conduct toxicity testing, develop a computational dosimetry model for route-to-route extrapolations, and develop pharmacokinetics and mechanistic testing data that are intended to satisfy the toxicological data needs for EDC identified in a TSCA section 4 proposed test rule for a number of hazardous air pollutant chemicals. This notice announces that EPA is starting the program review component of the EDC ECA alternative

testing program, and solicits comment on data received under the Tier I Program Review Testing segment of the EDC ECA. Comments are expected to inform EPA's decision on whether data and computational dosimetry model development completed by the test sponsors are sufficient to proceed with the Tier II Testing and computational dosimetry modeling for route-to-route extrapolations listed in the EDC ECA.

DATES: Comments must be received on or before October 5, 2006.

ADDRESSES: Submit your comments, identified by docket identification (ID) number EPA-HQ-OPPT-2003-0010, by one of the following methods:

- **Federal eRulemaking Portal:** <http://www.regulations.gov>. Follow the on-line instructions for submitting comments.

- **Mail:** Document Control Office (7407M), Office of Pollution Prevention and Toxics (OPPT), Environmental Protection Agency, 1200 Pennsylvania Ave., NW., Washington, DC 20460-0001.

- **Hand Delivery:** OPPT Document Control Office (DCO), EPA East, Rm. 6428, 1201 Constitution Ave., NW., Washington, DC. Attention: Docket ID Number EPA-HQ-OPPT-2003-0010. The DCO is open from 8 a.m. to 4 p.m., Monday through Friday, excluding legal holidays. The telephone number for the DCO is (202) 564-8930. Such deliveries are only accepted during the DCO's normal hours of operation, and special arrangements should be made for deliveries of boxed information.

Instructions: Direct your comments to docket ID number EPA-HQ-OPPT-2003-0010. EPA's policy is that all comments received will be included in the public docket without change and may be made available on-line at <http://www.regulations.gov>, including any personal information provided, unless the comment includes information claimed to be Confidential Business Information (CBI) or other information for which disclosure is restricted by statute. Do not submit information that you consider to be CBI or otherwise protected through www.regulations.gov or e-mail. The www.regulations.gov website is an "anonymous access" system, which means EPA will not know your identity or contact information unless you provide it in the body of your comment. If you send an e-mail comment directly to EPA without going through www.regulations.gov, your e-mail address will be automatically captured and included as part of the comment that is placed in the public docket and made available on the Internet. If you submit an electronic comment, EPA recommends that you include your
