SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-84425; File No. SR-NASDAQ-2018-050]

Self-Regulatory Organizations; The Nasdaq Stock Market LLC; Order Granting Approval of a Proposed Rule Change, as Modified by Amendment No. 1, Relating to the First Trust Senior Loan Fund of First Trust Exchange-Traded Fund IV

October 15, 2018.

I. Introduction

On June 27, 2018, The Nasdaq Stock Market LLC (“Nasdaq” or “Exchange”) filed with the Securities and Exchange Commission (“Commission”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”) ¹ and Rule 19b-4 thereunder, ² a proposed rule change relating to the First Trust Senior Loan Fund (“Fund”) of First Trust Exchange-Traded Fund IV, the shares (“Shares”) of which have been approved by the Commission for listing and trading under Nasdaq Rule 5735 (“Managed Fund Shares”). The proposed rule change was published for comment in the **Federal Register** on July 17, 2018.³ On August 30, 2018, pursuant to Section 19(b)(2) of the Act,⁴ the Commission designated a longer period within which to approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether to disapprove the proposed rule change.⁵ On October 11,

2018, the Exchange filed Amendment No. 1 to the proposed rule change, which replaced and superseded the original filing in its entirety.⁶ The Commission has received no comments on the proposed rule change. This order grants approval of the proposed rule change, as modified by Amendment No. 1.

II. Description of the Proposed Rule Change, as Modified by Amendment No. 1⁷

The Commission previously approved the listing and trading of the Shares of the Fund.⁸

The Exchange is proposing to: (i) Amend the definition of the term “under normal market conditions;” (ii) permit the Fund to invest a limited amount of its net assets in Senior Loans⁹ and other floating rate loans that are in default (“Defaulted Loans”); and (iii) modify the Fund’s ability to retain

institute proceedings to determine whether to disapprove, the proposed rule change.

⁶ In Amendment No. 1, the Exchange: (i) Represented that the Adviser will not implement the proposed changes until a post-effective amendment to the Registration Statement that, to the extent necessary, reflects such changes is effective; (ii) clarified the descriptions of the Primary Index and the Secondary Index; (iii) clarified that the Fund may not meet the criteria in Nasdaq Rules 5705(b)(4)(A)(i), 5705(b)(4)(A)(iii), and 5705(b)(4)(A)(vi); (iv) clarified the description of secondary loan trading volume; (v) clarified that Received Instruments will be equity, warrants, corporate bonds, and other such equity and fixed income securities; (vi) represented that the Exchange would communicate as needed regarding trading in the Shares and the exchange-listed instruments held by the Fund with other markets and other entities that are members of the Intermarket Surveillance Group (“ISG”), and that the Exchange may obtain information regarding trading in the Shares and the exchange-listed instruments held by the Fund from markets and other entities with which it has in place a comprehensive surveillance sharing agreement; and (vii) made technical and conforming changes. Because Amendment No. 1 does not materially alter the substance of the proposed rule change or raise unique or novel regulatory issues, it is not subject to notice and comment. Amendment No. 1 is available at <https://www.sec.gov/comments/sr-nasdaq-2018-050/srnasdaq2018050-4509572-175991.pdf>.

⁷ For more information regarding the Fund and the Shares, see Amendment No. 1, *supra* note 6.

⁸ See Securities Exchange Act Release Nos. 69072 (March 7, 2013), 78 FR 16006 (March 13, 2013) (“Prior Notice”) and 69464 (April 26, 2013), 78 FR 25774 (May 2, 2013) (SR-NASDAQ-2013-036) (“Prior Order” and, together with the Prior Notice, the “Prior Release”). First Trust Advisors L.P. (“Adviser”) represents that it will not implement the proposed changes until (i) the proposed rule change is operative and (ii) a post-effective amendment to the Registration Statement that, to the extent necessary, reflects such changes is effective.

⁹ As stated in the Prior Notice, the Adviser considers Senior Loans to be first lien senior secured floating rate bank loans. The Prior Notice included certain descriptions of Senior Loans and the Senior Loan market, and the Exchange provides updated descriptions in the current proposal.

various instruments that, although not specifically selected by the Adviser, may be received by the Fund under certain circumstances. Except as provided in the Exchange’s current proposal, all other representations made in the Prior Notice remain unchanged.

A. Definition of “Under Normal Market Conditions”

The Prior Notice stated that the Fund, under normal market conditions, would seek to outperform the S&P/LSTA U.S. Leveraged Loan 100 Index (“Primary Index”) and the Markit iBoxx USD Liquid Leveraged Loan Index (“Secondary Index”) by investing at least 80% of its net assets (plus any borrowings for investment purposes) in Senior Loans. The Prior Notice defined “under normal market conditions” as follows:

The term “under normal market conditions” as used herein includes, but is not limited to, the absence of adverse market, economic, political or other conditions, including extreme volatility or trading halts in the fixed income markets or the financial markets generally; operational issues causing dissemination of inaccurate market information; or *force majeure* type events such as systems failure, natural or man-made disaster, act of God, armed conflict, act of terrorism, riot or labor disruption or any similar intervening circumstance. In periods of extreme market disturbance, the Fund may take temporary defensive positions, by overweighting its portfolio in cash/cash-like instruments; however, to the extent possible, the Adviser would continue to seek to achieve the Fund’s investment objective. Specifically, the Fund would continue to invest in Senior Loans (as defined herein). In response to prolonged periods of constrained or difficult market conditions the Adviser will likely focus on investing in the largest and most liquid loans available in the market.

The Exchange proposes to amend the definition of “under normal market conditions” as follows:

The term “under normal market conditions” as used herein includes, but is not limited to, the absence of adverse market, economic, political or other conditions, including extreme volatility or trading halts in the fixed income markets or the financial markets generally; operational issues causing dissemination of inaccurate market information; or *force majeure* type events such as systems failure, natural or man-made disaster, act of God, armed conflict, act of terrorism, riot or labor disruption or any similar intervening circumstance. The Fund may adopt a defensive strategy (and depart from its principal investment strategies) when the Adviser believes securities in which the Fund normally invests have elevated risks due to political or economic factors and in other extraordinary circumstances. In addition, on a temporary basis, including for defensive purposes,
