Safety Zones; U.S. Coast Guard Water Training Areas, Great Lakes

AGENCY: Coast Guard, DHS.

ACTION: Re-opening of comment period.

SUMMARY: In response to public requests, the Coast Guard is re-opening the comment period on its notice of proposed rulemaking (NPRM) to establish permanent safety zones throughout the Great Lakes to conduct live fire gun exercises. These safety zones are necessary to protect the public from the hazards associated with the firing of weapons and to ensure the operational readiness of Coast Guard personnel, cutters and small boats. Re-opening the comment period will provide the public more time to submit comments and recommendations.

DATES: Comments and related materials must reach the Coast Guard on or before November 13, 2006.

ADDRESSES: To make sure your comments and related material are not entered more than once in the docket, please submit them by only one of the following means:

(1) By mail to the Docket Management Facility (USCG-2006-2567), U.S. Department of Transportation, room PL-401, 400 SW., Washington, DC 20590-0001.

(2) By delivery to room PL-401 on the Plaza level of the Nassif Building, 400 Seventh Street SW., Washington, DC between 9 a.m. and 5 p.m. Monday through Friday, except Federal Holidays. The telephone number is 202-366-9329.

(3) By fax to the Docket Management Facility at 202-493-2251.

(4) Electronically through the Web site for the Docket Management System at <http://dms.dot.gov>.

The Docket Management Facility maintains the public docket for the rulemaking. Comments will become part of this docket and will be available for inspection or copying at room PL-401, located on the Plaza level of the Nassif Building at the same address between 10 a.m. and 5 p.m., Monday through Friday, except Federal holidays. You may electronically access the public docket on the Internet at <http://dms.dot.gov>.

FOR FURTHER INFORMATION CONTACT: For information on the NPRM provisions contact Commander Gustav Wulfskuhle, Enforcement Branch, Response Division, Ninth Coast Guard District, Cleveland, Ohio at 216-902-6091. For questions on viewing or submitting material to the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202-493-0402.

SUPPLEMENTARY INFORMATION:

Background and Purpose

On August 1, 2006, the Coast Guard published a notice of proposed rulemaking (NPRM) (71 FR 43402) to establish permanent safety zones throughout the Great Lakes to conduct live fire gun exercises. The initial comment period for this NPRM ended on August 31, 2006.

In response to public requests, the Coast Guard is re-opening the comment period on this NPRM. Re-opening the comment period will provide the public more time to submit comments and recommendations.

In addition, the Coast Guard has added a copy of the "Preliminary Health Risk Assessment for Proposed U.S. Coast Guard Weapons Training Exercises" (January 2006) to the docket in order to better inform the public that the proposed training will pose no elevated health or ecological risks in the Great Lakes.

Request for Comments

The Coast Guard encourages you to submit comments and related materials. If you submit a comment, please include your name and address, identify the NPRM [USCG-2006-2567 (formerly CGD09-06-123)]; published in the

Federal Register on August 1, 2006 (71 FR 43402) and indicate the specific section of this document to which each comment applies, and give the reason for each comment. Please submit one copy of all comments and attachments in an unbound format, no larger than 8½ by 11 inches, suitable for copying and electronic filing to the DOT Docket Management Facility at the address under **ADDRESSES**. If you submit them by mail and would like to know that they reached the facility, please enclose a stamped, self-addressed postcard or envelope.

The Coast Guard will consider all comments received during the comment period. It may change the proposed rules in view of the comments.

Dated: September 1, 2006.

John E. Crowley, Jr.,

Rear Admiral, U.S. Coast Guard, Commander, Ninth Coast Guard District.

ARCHITECTURAL AND TRANSPORTATION BARRIERS COMPLIANCE BOARD

36 CFR Parts 1193 and 1194

[Docket No. 2006-1]

Telecommunications Act Accessibility Guidelines; Electronic and Information Technology Accessibility Standards

AGENCY: Architectural and Transportation Barriers Compliance Board.

ACTION: Notice of meeting.

SUMMARY: The Architectural and Transportation Barriers Compliance Board (Access Board) has established a Telecommunications and Electronic and Information Technology Advisory Committee to assist it in revising and updating accessibility guidelines for telecommunications products and accessibility standards for electronic and information technology. This notice announces the dates, time, and location of the first Committee meeting, which will be open to the public.

DATES: The meeting is scheduled for September 27, 2006 (beginning at 1 p.m. and ending at 5 p.m.), September 28, 2006 (beginning at 9 a.m. and ending at 5 p.m.) and September 29, 2006 (beginning at 9 a.m. and ending at 3:30 p.m.). Decisions with respect to future meetings will be made at the first meeting and from time to time thereafter. Notices of future meetings will be published in the **Federal Register**.

ADDRESSES: The meeting will be held at the National Science Foundation, Room II-555, 4201 Wilson Boulevard, Arlington, VA.

FOR FURTHER INFORMATION CONTACT: Timothy Creagan, Office of Technical and Information Services, Architectural and Transportation Barriers Compliance Board, 1331 F Street, NW., suite 1000, Washington, DC 20004-1111. Telephone number (202) 272-0016 (Voice); (202) 272-0082 (TTY). Electronic mail address: creagan@access-board.gov.

SUPPLEMENTARY INFORMATION: On July 6, 2006 the Architectural and Transportation Barriers Compliance Board (Access Board) published a notice establishing the Telecommunications and Electronic and Information Technology Advisory Committee (Committee) (71 FR 38324, July 6, 2006). The committee will provide recommendations for revisions and updates to accessibility guidelines for telecommunications products and accessibility standards for electronic and information technology. Forty organizations were appointed as members of the Committee. After the notice was published, it came to our attention that the application from the Japanese Standards Association, which had been timely received, had been overlooked. As a result, Access Board Chairman David Bibb has added the Japanese Standards Association as a committee member. We apologize for this oversight. Additionally, on July 26, 2006, the Access Board Chairman announced the appointment of Mike Paciello and Jim Tobias as co-chairs of the advisory committee. Mr. Paciello is the Founder and Principal of the Paciello Group from Nashua, New Hampshire and Mr. Tobias is the Principal of Inclusive Technologies from Matawan, New Jersey.

Over 120 organizations applied to serve on the committee. In order to keep the Committee to a size that can be effective, it was necessary to limit membership. It is also important to have balance among members of the Committee representing different clusters of interest, such as disability organizations and the technology industry. Some organizations that were not accepted have asked that their applications be reconsidered. Additionally, some organizations learned about the committee too late to submit an application. On Thursday, September 28 (at approximately 2:30 p.m.) there will be time set aside on the agenda to discuss additional committee applicants. Organizations seeking to be added to the committee are encouraged

to contact Timothy Creagan prior to the meeting (see **FOR FURTHER INFORMATION CONTACT** above).

A draft meeting agenda and other information about the Committee are available on the Access Board's Web site at <http://www.access-board.gov/sec508/update-index.htm>. Committee meetings are open to the public and interested persons can attend the meetings and communicate their views. Members of the public will have an opportunity to address the Committee on issues of interest to them and the Committee during public comment periods scheduled on each day of the meeting. Members of groups or individuals who are not members of the Committee are invited to participate on subcommittees that will be formed. The Access Board believes that participation of this kind can be very valuable for the advisory committee process.

The meeting site is accessible to individuals with disabilities. Sign language interpreters and real-time captioning will be provided. Individuals who require other accommodations should contact Timothy Creagan by September 20, 2006 (see **FOR FURTHER INFORMATION CONTACT** above). Persons attending Committee meetings are requested to refrain from using perfume, cologne, and other fragrances for the comfort of other participants.

Due to security measures at the National Science Foundation, members of the public should notify Timothy Creagan of their intent to attend the meeting (see **FOR FURTHER INFORMATION CONTACT** above). This will ensure that a name badge is available at the National Science Foundation check-in desk to facilitate efficient building entry and will enable the Board to provide additional information about mandatory technology screening processes which the National Science Foundation requires.

James J. Raggio,

General Counsel.
