SUPPLEMENTARY INFORMATION:

Title: 26 CFR 601.105 Examination of returns and claims for refund, credits or abatement; determination of correct tax liability.

OMB Number: 1545-1533.

Revenue Procedure Number: Revenue Procedure 97-22.

Abstract: This revenue procedure provides guidance to taxpayers who maintain books and records by using an electronic storage system that either images their paper books and records or transfers their computerized books and records to an electronic storage media, such as an optical disk. The information requested in the revenue procedure is required to ensure that records maintained in an electronic storage system will constitute records within the meaning of Internal Revenue Code section 6001.

Current Actions: There are no changes being made to the revenue procedure at this time.

Type of Review: Extension of a currently approved collection.

Affected Public: Individuals or households, business or other for-profit organizations, not-for-profit institutions, farms, Federal Government, and state, local or tribal governments.

Estimated Number of Respondents: 50,000.

Estimated Time Per Respondent: 20 hours, 1 minute.

Estimated Total Annual Burden Hours: 1,000,400.

The following paragraph applies to all of the collections of information covered by this notice:

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless the collection of information displays a valid OMB control number. Books or records relating to a collection of information must be retained as long as their contents may become material in the administration of any internal revenue law. Generally, tax returns and tax return information are confidential, as required by 26 U.S.C. 6103.

Request For Comments: Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record. Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.

Approved: January 19, 2006.
