Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The Fulbright-Hays Group Projects Abroad (GPA) Program supports overseas projects in training, research, and curriculum development in modern foreign languages and area studies for groups of teachers, students, and faculty engaged in a common endeavor. Projects may include short-term seminars, curriculum development, or group research or study.

Priorities: In accordance with 34 CFR 75.105(b)(2)(ii), these priorities are from the regulations for this program (34 CFR 664.32).

Absolute Priority: For FY 2007 this priority is an absolute priority. Under 34 CFR 75.105(c)(3) we consider only applications that meet this priority.

This priority is:

Specific geographic regions of the world: A group project funded under this priority must focus on one or more of the following geographic regions of the world: Africa, East Asia, South Asia, Southeast Asia and the Pacific, the Western Hemisphere (Central and South America, Mexico, and the Caribbean), East Central Europe and Eurasia, and the Near East.

Within this absolute priority, we are establishing the following competitive preference and invitational priorities.

Competitive Preference Priority I: For FY 2007 this priority is a competitive preference priority. Under 34 CFR 75.105(c)(2)(i), 664.30(b), and 664.31(g) we award an additional five (5) points to an application that meets this priority.

This priority is:

Applications that propose short-term projects abroad in the countries in which the following critical languages are spoken: Arabic, Chinese, Japanese, Korean, Russian, as well as Indic, Iranian, and Turkic language families.

Competitive Preference Priority II: For FY 2007 this priority is a competitive preference priority. Under 34 CFR 75.105(c)(2)(i), 664.30(b), and 664.31(g) we award up to an additional five (5) points to an application, depending on how well the application meets this priority.

This priority is:

Short-term seminars that develop and improve foreign language and area studies at elementary and secondary schools.

Invitational Priority: For FY 2007 this priority is an invitational priority. Under 34 CFR 75.105–(c)(1) we do not give an application that meets this priority a competitive or absolute preference over other applications.

This priority is:

Group Study projects that provide opportunities for undergraduate students to study in a foreign country for either a semester or a full academic year; under this invitational priority, we encourage applicants to provide opportunities to students from across the United States.

Program Authority: 22 U.S.C. 2452.

Applicable Regulations: (a) The Education Department General Administrative Regulations (EDGAR) in

34 CFR parts 74, 75, 77, 79, 80, 81, 82, 84, 85, 86, 97, 98, and 99.

(b) The regulations for this program in 34 CFR part 664.

Note: The regulations in 34 CFR part 86 apply to institutions of higher education only.

II. Award Information

Type of Award: Discretionary grants. As part of its FY 2007 budget request, the Administration proposed to continue to allow funds to be used to support the participation of individuals who plan to apply their language skills and knowledge of countries vital to the United States national security in fields outside teaching, including government, the professions, or international development. Therefore, institutions may propose projects for visits and study in foreign countries by individuals in these fields, in addition to those planning a teaching career. However, authority to use funds for participants outside of the field of teaching depends on final Congressional action. Applicants will be given an opportunity to amend their applications if such authority is not provided.

Estimated Available Funds: The Administration has requested \$2,223,000 for this program for FY 2007. The actual level of funding, if any, depends on final congressional action. However, we are inviting applications to allow enough time to complete the grant process if Congress appropriates funds for this program.

Estimated Range of Awards: \$50,000–\$90,000.

Estimated Average Size of Awards: \$74,000.

Maximum Award: We will reject any application that proposes a budget exceeding \$90,000 for a single budget period of 12 months. The Assistant Secretary for Postsecondary Education may change the maximum amount through a notice published in the **Federal Register**.

Estimated Number of Awards: 30.

Note: The Department is not bound by any estimates in this notice.

Project Period: Up to 12 months.

6. *Other Submission Requirements:* Applications for grants under this program must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. *Electronic Submission of Applications.*

Applications for grants under the Fulbright-Hays Group Projects Abroad program must be submitted electronically using the Grants.gov Apply site at: <http://www.grants.gov>. Through this site, you will be able to download a copy of the application package, complete it offline, and then upload and submit your application. You may not e-mail an electronic copy of a grant application to us.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

You may access the electronic grant application for The Fulbright-Hays Group Projects Abroad program at: <http://www.grants.gov/>. You must search for the downloadable application package for this competition by the CFDA number. Do not include the CFDA number's alpha suffix in your search.

Please note the following:

- When you enter the Grants.gov site, you will find information about submitting an application electronically through the site, as well as the hours of operation.
- Applications received by Grants.gov are time and date stamped. Your application must be fully uploaded and submitted, and must be date/time stamped by the Grants.gov system no later than 4:30 p.m., Washington, DC time, on the application deadline date. Except as otherwise noted in this section, we will not consider your application if it is date/time stamped by the Grants.gov system later than 4:30 p.m., Washington, DC time, on the application deadline date. When we retrieve your application from Grants.gov, we will notify you if we are rejecting your application because it was date/time stamped by the Grants.gov system after 4:30 p.m., Washington, DC time, on the application deadline date.

- The amount of time it can take to upload an application will vary depending on a variety of factors including the size of the application and the speed of your Internet connection. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the submission process through Grants.gov.

- You should review and follow the Education Submission Procedures for submitting an application through Grants.gov that are included in the application package for this program to ensure that you submit your application in a timely manner to the Grants.gov system. You can also find the Education Submission Procedures pertaining to Grants.gov at: <http://e-Grants.ed.gov/help/GrantsgovSubmissionProcedures.pdf>

- To submit your application via Grants.gov, you must complete all the steps in the Grants.gov registration process (see http://www.grants.gov/applicants/get_registered.jsp). These steps include (1) Registering your organization, (2) registering yourself as an Authorized Organization Representative (AOR), and (3) getting authorized as an AOR by your organization. Details on these steps are outlined in the Grants.gov 3-Step Registration Guide (see <http://>

www.grants.gov/Section910/grants.govRegistrationBrochure.pdf).

You also must provide on your application the same D-U-N-S Number used with this registration. Please note that the registration process may take five or more business days to complete, and you must have completed all registration steps to allow you to successfully submit an application via Grants.gov.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information typically included on the Application for Federal Assistance (SF 424), Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications. You must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If you upload a file type other than the three file types specified above or submit a password protected file, we will not review that material.

- Your electronic application must comply with any page limit requirements described in this notice.

- After you electronically submit your application, you will receive an automatic acknowledgement from Grants.gov that contains a Grants.gov tracking number. The Department will retrieve your application from Grants.gov and send you a second confirmation by e-mail that will include a PR/Award number (an ED-specified identifying number unique to your application).

- We may request that you provide us original signatures on forms at a later date. *Application Deadline Date Extension in Case of Technical Issues with the Grants.gov System:* If you are prevented from electronically submitting your application on the application deadline date because of technical problems with the Grants.gov system, we will grant you an extension until 4:30 p.m., Washington, DC time, the following business day to enable you to transmit your application electronically, or by hand delivery. You also may mail your application by following the mailing instructions as described elsewhere in this notice. If you submit an application after 4:30 p.m., Washington, DC time, on the deadline date, please contact the person listed elsewhere in this notice under

FOR FURTHER INFORMATION CONTACT, and provide an explanation of the technical problem you experienced with Grants.gov, along with the Grants.gov Support Desk Case Number (if available). We will accept your application if we can confirm that a technical problem occurred with the Grants.gov system and that that problem affected your ability to submit your application by 4:30 p.m., Washington, DC time, on the application deadline date. The Department will contact you after a determination is made on whether your application will be accepted.

Note: Extensions referred to in this section apply only to the unavailability of or technical problems with the Grants.gov system. We will not grant you an extension if you failed to fully register to submit your application to Grants.gov before the deadline date and time or if the technical problem you experienced is unrelated to the Grants.gov system.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through the Grants.gov system because—

- You do not have access to the Internet; or
- You do not have the capacity to upload large documents to the Grants.gov system; and
- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevent you from using the Internet to submit your application. If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.
