

public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B)⁸ of the Act to determine whether the proposed rule change should be approved or disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an email to rule-comments@sec.gov. Please include File Number SR-NYSEARCA-2018-76 on the subject line.

Paper Comments

- Send paper comments in triplicate to Brent J. Fields, Secretary, Securities and Exchange Commission, 100 F Street NE, Washington, DC 20549-1090.

All submissions should refer to File Number SR-NYSEARCA-2018-76. This file number should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's internet website (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for website viewing and printing in the Commission's Public Reference Room, 100 F Street NE, Washington, DC 20549 on official business days between the hours of 10:00 a.m. and 3:00 p.m. Copies of the filing also will be available for inspection and copying at the principal office of the Exchange. All comments received will be posted without change. Persons submitting comments are cautioned that we do not redact or edit personal identifying information from

comment submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR-NYSEARCA-2018-76 and should be submitted on or before November 21, 2018.

For the Commission, by the Division of Trading and Markets, pursuant to delegated authority.⁹

Eduardo A. Aleman,
Assistant Secretary.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-84488; File No. SR-NASDAQ-2018-082]

Self-Regulatory Organizations; The Nasdaq Stock Market LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Derivative Securities Traded Under Unlisted Trading Privileges

October 25, 2018.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² notice is hereby given that on October 12, 2018, The Nasdaq Stock Market LLC ("Nasdaq" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Nasdaq Rule 5740 related to derivative securities traded under unlisted trading privileges ("UTP") to remove the requirement in Rule 5740(a)(1) for the Exchange to file with the Commission a Form 19b-4(e) for each "new derivative securities product" as defined in Rule 19b-4(e) under the Act³ ("Derivative Security") traded under UTP and renumber the remaining provisions of Rule 5740(a) to maintain an organized rule structure. The Exchange has designated this rule change as "non-controversial" under Section 19(b)(3)(A) of the Act⁴ and provided the

Commission with the notice required by Rule 19b-4(f)(6) thereunder.⁵

The text of the proposed rule change is available on the Exchange's website at <http://nasdaq.cchwallstreet.com>, at the principal office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to amend Rule 5740 related to derivative securities traded under UTP by removing the requirement in Rule 5740(a)(1) for the Exchange to file with the Commission a Form 19b-4(e) for each Derivative Security, and renumbering the remaining rules of Rule 5740(a) to maintain an organized rule structure, as described below.

Rule 5740(a)(1) sets forth the requirement for Nasdaq to file with the Commission a Form 19b-4(e) with respect to each Derivative Security that is traded under UTP. However, Nasdaq believes that it should not be necessary to file a Form 19b-4(e) with the Commission if it begins trading a Derivative Security on a UTP basis, because Rule 19b-4(e)(1) under the Act refers to the "listing and trading" of a "new derivative securities product." The Exchange believes that the requirements of that rule refers to when an exchange lists and trades a Derivative Security, and not when an exchange seeks only to trade such product on a UTP basis pursuant to Rule 12f-2 under the Act.⁶ Therefore, Nasdaq proposes to delete the requirement in current Rule 5740(a)(1) for Nasdaq to file a Form 19b-4(e) with the Commission with respect to each Derivative Security it begins trading on a UTP basis. In addition, as a result of the deletion of

⁹ 17 CFR 200.30-3(a)(12).

¹ 15 U.S.C. 78s(b)(1).

² 17 CFR 240.19b-4.

³ 17 CFR 240.19b-4(e).

⁴ 15 U.S.C. 78s(b)(3)(A).

⁵ 17 CFR 240.19b-4(f)(6).

⁶ 17 CFR 240.12f-2.

⁸ 15 U.S.C. 78s(b)(2)(B).

current Rule 5740(a)(1) Nasdaq proposes to renumber current Rules 5740(a)(2)–(6), as Rules 5740(a)(1)–(5) respectively.

2. Statutory Basis

Nasdaq believes that the proposed rule change is consistent with the provisions of Section 6(b)⁷ of the Act in general, and furthers the objectives of Section 6(b)(5) of the Act⁸ in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Specifically, eliminating the requirement to file a Form 19b–4(e) for each Derivative Security the Exchange begins trading on a UTP basis removes an unnecessary regulatory requirement thereby providing for a more efficient process for adding Derivative Securities to trading on the Exchange on a UTP basis.

In addition, the Exchange notes that a substantially identical proposed rule change by NYSE National, Inc. (“NYSE National”) was recently approved by the Commission.⁹ In particular, the Commission noted in the approval order that it “believes that the filing of a Form 19b–4(e) is not required when an Exchange is trading a new derivative securities product on a UTP basis only”¹⁰ and also found that the NYSE National’s proposed rule change is “consistent with the requirements of Section 6(b)(5) of the Act.”¹¹

With respect to the renumbering of current Rules 5740(a)(2)–(6) as Rules 5740(a)(1)–(5), the Exchange believes that these changes are consistent with the Act because they will allow the Exchange to maintain a clear and organized rule structure, thus preventing investor confusion.

For these reasons, Nasdaq believes the proposed rule change is consistent with the requirements of Section 6(b)(5) of the Act.

B. Self-Regulatory Organization’s Statement on Burden on Competition

Nasdaq does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. To the contrary, removing the requirement to

file a Form 19b–4(e) will serve to enhance competition by providing for the efficient addition of Derivative Securities for trading under UTP on Nasdaq. To the extent that a competitor marketplace believes that the proposed rule change places it at a competitive disadvantage, it may file with the Commission a proposed rule change to adopt the same or similar rule.

In addition, the proposal to renumber the current Rules 5740(a)(2)–(6) as Rules 5740(a)(1)–(5) does not impact competition in any respect since it merely maintains a clear and organized rule structure.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act¹² and subparagraph (f)(6) of Rule 19b–4 thereunder.¹³

The Exchange has asked the Commission to waive the 30-day operative delay so that the proposal may become operative immediately upon filing. The Commission notes that the Exchange’s proposal is similar to a proposal the Commission has previously approved.¹⁴ Accordingly, the Commission believes that the proposal raises no new or novel regulatory issues and waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. The Commission therefore waives the 30-day operative delay and designates the proposed rule change to be operative upon filing.¹⁵

¹² 15 U.S.C. 78s(b)(3)(A)(iii).

¹³ 17 CFR 240.19b–4(f)(6). In addition, Rule 19b–4(f)(6) requires a self-regulatory organization to give the Commission written notice of its intent to file the proposed rule change at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

¹⁴ See *supra* note 9.

¹⁵ For purposes only of waiving the 30-day operative delay, the Commission has also considered the proposed rule’s impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission’s internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an email to rule-comments@sec.gov. Please include File Number SR–NASDAQ–2018–082 on the subject line.

Paper Comments

- Send paper comments in triplicate to Secretary, Securities and Exchange Commission, 100 F Street NE, Washington, DC 20549–1090.
- All submissions should refer to File Number SR–NASDAQ–2018–082. This file number should be included on the subject line if email is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission’s internet website (<http://www.sec.gov/rules/sro.shtml>). Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for website viewing and printing in the Commission’s Public Reference Room, 100 F Street NE, Washington, DC 20549 on official business days between the hours of 10:00 a.m. and 3:00 p.m. Copies of the filing also will be available for inspection and copying at the principal office of the Exchange. All comments received will be posted without change. Persons submitting comments are cautioned that we do not redact or edit personal identifying information from comment submissions. You should submit only information that you wish to make available publicly. All

BILLING CODE 8011–01–P

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

Agency Information Collection

Activities: Requests for Comments; Clearance of a Renewed Approval of Information Collection: Certification: Airmen Other Than Flight Crewmembers, Subpart C, Aircraft Dispatchers and App. A Aircraft Dispatcher

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, FAA invites public comments about our intention to request the Office of Management and Budget (OMB) approval to renew an information collection. The **Federal Register** Notice with a 60-day comment period soliciting comments on the following collection of information was published on August 23, 2018. The collection involves the information that each applicant for an aircraft dispatcher certificate or FAA approval of an aircraft dispatcher course must submit to the FAA. These applications, reports and training course materials are provided to the local Flight Standards District Office of the FAA that oversees the certificate and FAA approvals. The information to be collected will be used to and/or is necessary to determine qualification and the ability of the applicant to safely dispatch aircraft. Without this collection of information, applicants for a certificate or course approval would not be able to receive certification or approval. The collection of information for those who choose to train aircraft dispatcher applicants is to protect the applicants by ensuring that they are properly trained.

DATES: Written comments should be submitted by November 30, 2018.

ADDRESSES: Interested persons are invited to submit written comments on

the proposed information collection to the Office of Information and Regulatory Affairs, Office of Management and Budget. Comments should be addressed to the attention of the Desk Officer, Department of Transportation/FAA, and sent via electronic mail to aira_submission@omb.eop.gov, or faxed to (202) 395–6974, or mailed to the Office of Information and Regulatory Affairs, Office of Management and Budget, Docket Library, Room 10102, 725 17th Street NW, Washington, DC 20503.

Public Comments Invited: You are asked to comment on any aspect of this information collection, including (a) Whether the proposed collection of information is necessary for FAA's performance; (b) the accuracy of the estimated burden; (c) ways for FAA to enhance the quality, utility and clarity of the information collection; and (d) ways that the burden could be minimized without reducing the quality of the collected information. The agency will summarize and/or include your comments in the request for OMB's clearance of this information collection.

FOR FURTHER INFORMATION CONTACT:

Barbara Hall at (940) 594–5913, or by email at: Barbara.L.Hall@faa.gov.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 2120–0648.

Title: Certification: Airmen Other Than Flight Crewmembers, Subpart C, Aircraft Dispatchers and App. A Aircraft Dispatcher.

Form Numbers: There are no forms associated with this collection.

Type of Review: Renewal of an information collection.

Background: The **Federal Register** Notice with a 60-day comment period soliciting comments on the following collection of information was published on August 23, 2018 (83 FR 42758). This collection involves the information that each applicant for an aircraft dispatcher certificate or FAA approval of an aircraft dispatcher course must submit to the FAA to comply with 14 CFR part 65, subpart C and Appendix A. These applications, reports and training course materials are provided to the responsible Flight Standards Office of the FAA that oversees the certificates and FAA approvals.

This collection involves the knowledge testing that each applicant for an aircraft dispatcher certificate must successfully complete or information required to obtain FAA approval of an aircraft dispatcher course in order to comply with 14 CFR part 65, subpart C and Appendix A. These applications, reports and training course materials are provided to the responsible Flight Standards Office of

the FAA which oversees the certificates and FAA approvals.

The collection is necessary for the FAA to determine qualification and the ability of the applicant to safely dispatch aircraft. Without this collection of information, applicants for a certificate or course approval would not be able to receive certification or approval. The collection of information for those who choose to train aircraft dispatcher applicants is to protect the applicants by ensuring that they are properly trained.

Respondents: 1,288.

Frequency: On occasion.

Estimated Average Burden per

Response: 4.8 hours.

Estimated Total Annual Burden: 6,351.47 hours.

Issued in Washington, DC, on October 24, 2018.

Barbara Hall,

FAA Information Collection Clearance Officer, Performance, Policy, and Records Management Branch, ASP–110.
