(h) engage in joint promotional activities aimed at developing existing or new export markets, such as advertising and trade shows.

6. AGC may, for itself and on behalf of its Members, contact non-member suppliers of Export Product to elicit information relating to price, volume delivery schedules, terms of sale, and other matters relating to such suppliers' sales or prospective sales in export markets.

7. Subject to the limitations set forth in paragraph 1, above, AGC and its Members may agree on the quantities of Export Product and the prices at which AGC and its Members may sell Export Product in and for export markets, and may also agree on territorial and customer allocations in export markets among the Members.

8. AGC and its Members may enter into exclusive and non-exclusive agreements appointing third parties as export intermediaries for the sale of Export Product in export markets.
