Description: OTS must know when a Federal savings association is acting in a fiduciary capacity in order to establish effective oversight of those activities. This comment request addresses revisions to OTS Form 1240—Application for Fiduciary Powers. The form is being revised to update the information OTS requires in order to make a determination whether to approve or deny an application for fiduciary powers.

12 CFR 550.70(a) requires that a Federal savings association that wants to conduct fiduciary activities for the first time, and for which OTS has not previously approved an application submitted under this part, must obtain prior approval from OTS before it may conduct the activities. 12 CFR 550.70(b) requires that a Federal savings association that wants to conduct fiduciary activities that are materially different from the activities that OTS has previously approved for it, including fiduciary activities that OTS has previously approved that have not been exercised for at least five years, must obtain prior approval from OTS before it may conduct the activities. 12 CFR 550.80 through 120 describe the process for obtaining OTS approval of the application for fiduciary powers. Instructions for filing the application are found at 12 CFR part 516, subpart A.

In addition, § 550.70(c) of OTS's regulations requires that a Federal savings association that wants to commence in new State fiduciary activities that are not materially different from those that OTS has already approved, must file a notice with OTS.
