

GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial expenditure information as specified by the Secretary in 34 CFR 75.118.

4. *Performance Measures:* Under the Government Performance and Results Act (GPRA), the Department has developed measures that will yield information on various aspects of the quality of the Technology and Media Services for Individuals with Disabilities program. These measures focus on the extent to which projects are of high quality, are relevant to the needs of children with disabilities, and contribute to improving the results for children with disabilities. Data on these measures will be collected from the projects funded under this competition.

Grantees also will be required to report information on their projects' performance in annual reports to the Department (34 CFR 75.590).

BILLING CODE 6450-01-P

DEPARTMENT OF ENERGY

National Energy Technology Laboratory; Notice of Intent To Grant Exclusive or Partially Exclusive Patent License

AGENCY: National Energy Technology Laboratory (NETL, Department of Energy (DOE).

ACTION: Notice.

SUMMARY: Notice is hereby given of intent to grant to Johnson Matthey Inc. of Malvern, PA, an exclusive or partially exclusive license to practice the invention described in the U.S. patent number 7,033,419, "Method for High Temperature Mercury Capture from Gas Streams." The invention is owned by the United States of America, as represented by the Department of

Energy (DOE). The proposed license will be exclusive or partially exclusive, subject to a license and other rights retained by the U.S. Government, and other terms and conditions to be negotiated.

DATES: Written comments or nonexclusive license applications are to be received at the address listed below no later than fifteen (15) days after the date of this published Notice.

ADDRESSES: Diane Newlon, Technology Transfer Manager, U.S. Department of Energy, National Energy Technology Laboratory, P.O. Box 880, Morgantown, WV 26507-0880.

FOR FURTHER INFORMATION CONTACT:

Diane Newlon, Technology Transfer Manager, U.S. Department of Energy, National Energy Technology Laboratory, P.O. Box 880, Morgantown, WV 26507-0880; Telephone (304) 285-4086; E-mail: newlon@netl.doe.gov.

SUPPLEMENTARY INFORMATION: 35 U.S.C. 209(c) provides the DOE with authority to grant exclusive or partially exclusive licenses in Department-owned inventions, where a determination can be made, among other things, that the desired practical application of the invention has not been achieved, or is not likely expeditiously to be achieved, under a nonexclusive license. The statute and implementing regulations (37 CFR 404) require that the necessary determinations be made after public notice and opportunity for filing written objections.

Johnson Matthey, a large business, has applied for an exclusive or partially exclusive license to practice the invention and has a plan for commercialization of the invention.

DOE intends to grant the license, upon a final determination in accordance with 35 U.S.C. 209(c), unless within 15 days of publication of this Notice the Technology Transfer Manager, Department of Energy, National Energy Technology Laboratory, P.O. Box 880, Morgantown, WV 26507-0880, receives in writing any of the following, together with the supporting documents:

- (i) A statement from any person setting forth reasons why it would not be in the best interest of the United States to grant the proposed license; or
- (ii) An application for a nonexclusive license to the invention, in which applicant states that it already has brought the invention to practical application or is likely to bring the invention to practical application expeditiously.

The proposed license will be exclusive or partially exclusive, subject to a license and other rights retained by

the U.S. Government, and subject to a negotiated royalty. The Department will review all timely written responses to this notice, and will grant the license if, after expiration of the 15-day notice period, and after consideration of any written responses to this notice, a determination is made, in accordance with 35 U.S.C. 209(c), that the license grant is in the public interest.

Carl O. Bauer,

Director, National Energy Technology Laboratory.

[Docket No. RP06-571-000]

Colorado Interstate Gas Company; Notice of Proposed Changes in FERC Gas Tariff

September 19, 2006.

Take notice that on August 31, 2006, Colorado Interstate Gas Company (CIG) tendered for filing as part of its FERC Gas Tariff, First Revised Volume No. 1, the following tariff sheets to become effective October 1, 2006: Sixth Revised Sheet No. 17; Sixth Revised Sheet No. 331; First Revised Sheet No. 331A.

CIG states that the tariff sheets are being filed to waive the billing and payment on interest for late charges for amounts less than \$100.00 and to reference the invoice for the most up to date account information for payment.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed in accordance with the provisions of Section 154.210 of the Commission's regulations (18 CFR 154.210). Anyone filing an intervention or protest must serve a copy of that document on the Applicant. Anyone filing an intervention or protest on or before the intervention or protest date need not serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and

interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive e-mail notification when a document is added to a subscribed docket(s). For assistance with any FERC Online service, please e-mail FERCOnlineSupport@ferc.gov, or call (866) 208-3676 (toll free). For TTY, call (202) 502-8659.
