SUPPLEMENTARY INFORMATION:

Comments

The information collection notice was previously published in the **Federal Register** on October 13, 2018 at 82 FR 47761, allowing for a 60-day public comment period. USCIS did receive 92 comments in connection with the 60-day notice.

You may access the information collection instrument with instructions, or additional information by visiting the Federal eRulemaking Portal site at: <http://www.regulations.gov> and enter USCIS-2005-0035 in the search box. Written comments and suggestions from the public and affected agencies should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection

(1) *Type of Information Collection Request:* Revision of a Currently Approved Collection.

(2) *Title of the Form/Collection:* Application for Employment Authorization.

(3) *Agency form number, if any, and the applicable component of the DHS sponsoring the collection:* I-765; USCIS.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: Individuals or households. U.S. Citizenship and Immigration Services (USCIS) uses Form I-765 to collect the information that is necessary to determine if an alien is eligible for an initial EAD, a new replacement EAD, or a subsequent EAD upon the expiration of a previous EAD under the same eligibility category. Aliens in many immigration statuses are required to possess an EAD as evidence of work authorization. To be authorized for employment, an alien must be lawfully admitted for permanent residence or authorized to be so employed by the Immigration and Nationality Act (INA) or under regulations issued by DHS. Pursuant to statutory or regulatory authorization, certain classes of aliens are authorized to be employed in the United States without restrictions as to location or type of employment as a condition of their admission or subsequent change to one of the indicated classes. USCIS may determine the validity period assigned to any document issued evidencing an alien's authorization to work in the United States. These classes are listed in 8 CFR 274a.12. USCIS also collects biometric information from certain EAD applicants, from whom USCIS has not previously collected biometrics in connection with an underlying application or petition, to verify the applicant's identity, check or update their background information, and produce the EAD card.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* The estimated total number of respondents for the information collection I-765 is 2,096,000 and the estimated hour burden per response is 4.5 hours; the estimated total number of respondents for the information collection Biometric Processing is 42,387 and the estimated hour burden per response is 1.17 hours; the estimated total number of respondents for the information collection Form I-765WS is 41,912 and the estimated hour burden per response is .50 hours; the estimated total number of respondents

for the information collection Passport-Style Photographs is 2,096,000 and the estimated hour burden per response is .50 hours.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The total estimated annual hour burden associated with this collection is 10,550,549 hours.

(7) *An estimate of the total public burden (in cost) associated with the collection:* The estimated total annual cost burden associated with this collection of information is \$367,581,127.

Dated: February 2, 2018.

Agency Information Collection Activities: Areas Designated by Act of Congress

AGENCY: Office of Surface Mining Reclamation and Enforcement, Interior.

ACTION: Notice of information collection; request for comment.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, we, the Office of Surface Mining Reclamation and Enforcement (OSMRE), are proposing to renew an information collection for Areas Designated by Act of Congress.

DATES: Interested persons are invited to submit comments on or before April 9, 2018.

ADDRESSES: Send your comments on this information collection request (ICR) by mail to: The Office of Surface Mining Reclamation and Enforcement, Information Collection Clearance Officer, Attn: John Trelease, 1849 C Street NW, Mail Stop 4559, Washington, DC 20240. Comments may also be submitted electronically to jtrelease@osmre.gov.

FOR FURTHER INFORMATION CONTACT: To request additional information about this ICR, contact John Trelease by email at jtrelease@osmre.gov, or by telephone at (202) 208-2783.

SUPPLEMENTARY INFORMATION: In accordance with the Paperwork Reduction Act of 1995, we provide the general public and other Federal agencies with an opportunity to comment on new, proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public's reporting burden. It also helps the public understand our information collection requirements and provide the requested data in the desired format.

We are soliciting comments on the proposed ICR that is described below. We are especially interested in public comment addressing the following issues: (1) Is the collection necessary to the proper functions of the OSMRE; (2) is the estimate of burden accurate; (3) how might the OSMRE enhance the quality, utility, and clarity of the information to be collected; and (4) how might the OSMRE minimize the burden of this collection on the respondents, including through the use of information technology.

Comments that you submit in response to this notice are a matter of public record. We will include or summarize each comment in our request to OMB to approve this ICR. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

This notice provides the public with 60 days in which to comment on the following information collection activity:

Title of Collection: 30 CFR part 761—Areas Designated by Act of Congress.

OMB Control Number: 1029-0111.

Abstract: OSMRE and State regulatory authorities use the information collected for 30 CFR 761 to ensure that persons planning to conduct surface coal mining operations on the lands protected by § 522(e) of the Surface Mining Control and Reclamation Act of 1977 have the right to do so under one of the exemptions or waivers provided by this section of the Act.

Form Number: None.

Type of Review: Extension of a currently approved collection.

Respondents/Affected Public: Applicants for certain surface coal mine permits and State regulatory authorities.

Total Estimated Number of Annual Respondents: 159 coal mining applicants and 24 State regulatory authorities.

Total Estimated Number of Annual Responses: 314.

Estimated Completion Time per Response: Varies from 2 hours to 40 hours, depending upon activity.

Total Estimated Number of Annual Burden Hours: 3,111 hours.

Respondent's Obligation: Required to obtain or retain a benefit.

Frequency of Collection: Once.

Total Estimated Annual Nonhour Burden Cost: \$19,260.

An agency may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number.

Authority: The authorities for this action are the Surface Mining Control and Reclamation Act of 1977, as amended (30 U.S.C. 1201 *et seq.*), and the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).

John A. Trelease,

Acting Chief, Division of Regulatory Support.
