**Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and BPI service list.**—Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI gathered in these investigations available to authorized applicants representing interested parties (as defined in 19 U.S.C. 1677(9)) who are parties to the investigations under the APO issued in the investigations, provided that the application is made not later than seven days after the publication of this notice in the **Federal Register**. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

**Conference.**—The Commission's Director of Operations has scheduled a conference in connection with these investigations for 9:30 a.m. on October 13, 2006, at the U.S. International Trade Commission Building, 500 E Street, SW., Washington, DC. Parties wishing to participate in the conference should contact Jim McClure (202–205–3191) not later than October 10, 2006, to arrange for their appearance. Parties in support of the imposition of antidumping duties in these investigations and parties in opposition to the imposition of such duties will each be collectively allocated one hour within which to make an oral presentation at the conference. A nonparty who has testimony that may aid the Commission's deliberations may request permission to present a short statement at the conference.

**Written submissions.**—As provided in sections 201.8 and 207.15 of the Commission's rules, any person may submit to the Commission on or before October 18, 2006, a written brief containing information and arguments pertinent to the subject matter of the investigations. Parties may file written testimony in connection with their presentation at the conference no later than three days before the conference. If briefs or written testimony contain BPI, they must conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means, except to the extent permitted by section 201.8 of the Commission's rules, as amended, 67 FR 68036 (November 8, 2002). Even where electronic filing of a document is permitted, certain documents must also be filed in paper form, as specified in II (C) of the Commission's Handbook on Electronic

Filing Procedures, 67 FR 68168, 68173 (November 8, 2002).

In accordance with sections 201.16(c) and 207.3 of the rules, each document filed by a party to the investigations must be served on all other parties to the investigations (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

**Authority:** These investigations are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.12 of the Commission's rules.

By order of the Commission.

Issued: September 21, 2006.

### **Notice of Lodging of Consent Decree Under the Clean Water Act**

Notice is hereby given that on September 15, 2006, a proposed consent decree in *United States v. C&D Technologies, Inc.*, Civ. No. 1:03-cv-413 was lodged with the United States District Court for the Southern District of Indiana.

In this action the United States sought civil penalties and injunctive relief for alleged violations of the Clean Water Act and its pertinent regulations at C&D Technologies, Inc.'s lead acid battery manufacturing facility in Attica, Indiana. Specifically, the United States' complaint alleged: (1) Violations of the Pretreatment Standards for Existing Sources and new sources of pollution ("PSES"), 40 CFR 403, and the PSES for Battery Manufacturing, 40 CFR 403.5(d) and CWA Section 307(d), 33 U.S.C. 1317(d); (2) violations of C&D's National Pollution Discharge Elimination System permit ("NPDES Permit") and CWA Sections 301 and 402, 33 U.S.C. 1311 and 1342; (3) that C&D through the presence of lead in its effluent prevented the Attica, Indiana, Publicly Owned Treatment Works ("POTW") from using the POTW's chosen sludge use or disposal practice, in violation of 40 CFR 403.5 and 403.2, and CWA Section 307(d) 33 USC 1317(d); (4) that C&D failing to submit compliance reports in violation of 40 CFR 403.12 and DWA Section 307, 33 U.S.C. 1317; (5) that C&D failed to comply with the PSES for Battery Manufacturing by failing to monitor its effluent for copper content, in violation of 40 CFR 461.34, 40 CFR 403.12(g), and CWA Section 307, 33 U.S.C. 1317 and (6) that C&D failed to comply with certain provisions of a 1997 Administrative Order, in violation of CWA Sections 308 and 309, 33 U.S.C. 1318 and 1319.

Under the proposed Consent Decree, C&D would pay a civil penalty of \$1,600,000 and undertake various injunctive relief measures in addition to previous injunctive relief expenditures.

The Department of Justice will receive for a period of thirty (30) days from the date of this publication comments relating to the proposed Consent Decree. Comments should be addressed to the Assistant Attorney General, Environment and Natural Resources Division, P.O. Box 7611, U.S. Department of Justice, Washington, DC 20044-7611, and should refer to *United States v. C&D Technologies, Inc.*, D.J. Ref. 90-5-1-1-06996.

The proposed Consent Decree may be examined at the Office of the United
