

changes to the *Preliminary Determination*.

All-Others Rate

As discussed in the *Preliminary Determination*, Commerce based the selection of the “All-Others” rate on the countervailable subsidy rate established for the mandatory respondents in accordance with section 705(c)(5)(A)(ii) of the Act.⁴ We made no changes to the selection of this rate for this final determination.

Final Determination

Commerce determines that the following estimated countervailable subsidy rates exist:

Company	Subsidy rate (percent)
Hefei Zijin Steel Tube Manufacturing Co	198.49
Hefei Ziking Steel Pipe	198.49
Panyu Chu Kong Steel Pipe Co. Ltd	198.49
All-Others	198.49

Continuation of Suspension of Liquidation

As a result of our *Preliminary Determination* and pursuant to section 703(d)(1)(B) and (d)(2) of the Act, Commerce directed U.S. Customs and Border Protection (CBP) to suspend liquidation of entries of subject merchandise as described in the Scope of the Investigation section, entered, or withdrawn from warehouse, for consumption on or after the date of publication of this notice in the **Federal Register**. In accordance with section 703(d) of the Act, we issued instructions to CBP to discontinue the suspension of liquidation for CVD purposes for subject merchandise entered, or withdrawn from warehouse, on or after October 27, 2018, but to continue the suspension of liquidation of all entries from June 29, 2018, through October 26, 2018.

If the U.S. International Trade Commission (ITC) issues a final affirmative injury determination, we will issue a CVD order, reinstate the suspension of liquidation under section 706(a) of the Act, and will require a cash deposit of estimated countervailing duties for such entries of subject merchandise in the amounts indicated above. If the ITC determines that material injury, or threat of material injury, does not exist, this proceeding will be terminated, and all estimated duties deposited or securities posted as a result of the suspension of liquidation will be refunded or canceled.

International Trade Commission Notification

In accordance with section 705(d) of the Act, Commerce will notify the ITC of its determination. In addition, we are making available to the ITC all non-privileged and non-proprietary information related to this investigation. We will allow the ITC access to all privileged and business proprietary information in our files, provided the ITC confirms that it will not disclose such information, either publicly or under an administrative protective order (APO), without the written consent of the Assistant Secretary for Enforcement and Compliance.

Notification Regarding Administrative Protective Orders

This notice will serve as a reminder to parties subject to an administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3). Timely written notification of return or destruction of APO materials, or conversion to judicial protective order, is hereby requested. Failure to comply with the regulations and terms of an APO is a sanctionable violation.

Notification to Interested Parties

This determination is issued and published pursuant to sections 705(d) and 777(i) of the Act and 19 CFR 351.210(c).

Dated: November 5, 2018.

Gary Taverman,

Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations, performing the non-exclusive functions and duties of the Assistant Secretary for Enforcement and Compliance.

SUPPLEMENTARY INFORMATION:

Background

Commerce is conducting an administrative review of the antidumping duty order on certain hot-rolled steel flat products (hot-rolled steel) from the Republic of Turkey (Turkey). The notice of initiation of this administrative review was published on December 7, 2017.¹ This review covers 11 producers or exporters of the subject merchandise. The POR is March 22, 2016, through September 30, 2017. Commerce selected Colakoglu as the mandatory respondent in this administrative review.²

Scope of the Order

The merchandise covered by the order is certain hot-rolled steel flat products. For a complete description of the scope of the order, see the Preliminary Decision Memorandum.³

Methodology

Commerce is conducting this review in accordance with section 751(a)(1)(B) of the Tariff Act of 1930, as amended (the Act). Export price and constructed export price are calculated in accordance with section 772 of the Act. NV is calculated in accordance with section 773 of the Act.

For a full description of the methodology underlying our conclusions, see the Preliminary Decision Memorandum. The Preliminary Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance's Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <http://access.trade.gov>, and it is available to all parties in the Central Records Unit, Room B8024 of the main Department of Commerce building. In addition, a complete version of the

A list of the topics discussed in the Preliminary Decision Memorandum is attached as the Appendix to this notice.

Preliminary Determination of No Shipments

Among the companies under review, three companies, Gazi Metal Mamulleri Sanayi Ve Ticaret A.S. (Gazi), Toscelik Profil ve Sheet Ind. Co. (a.k.a. Toscelik Profil ve Sac endustrisi A.S.) and Tosityali Holding A.S. (collectively, Toscelik), and Ereğli Demir ve Celik Fabrikalari T.A.S. and Iskenderun Iron and Steel Works Ltd. (a.k.a. Iskenderun Demir ve Celik A.S.) (collectively, Erdemir), each properly filed statements reporting that they made no shipments of subject merchandise to the United States during the POR. Based on the certifications submitted and our analysis of Customs and Border Protection (CBP) information, we preliminarily determine that Gazi, Toscelik, and Erdemir had no shipments during the POR.⁴ Consistent with its practice, Commerce finds that it is not appropriate to preliminarily rescind the review with respect to these companies but, rather, to complete the review and issue appropriate instructions to CBP based on the final results of this review.

Preliminary Results of the Review

As a result of this review, we preliminarily determine the following weighted-average dumping margins for the period March 22, 2016, through September 30, 2017:

Exporter or producer	Weighted-average dumping margin (percent)
Colakoglu Metalurji A.S. and Colakoglu Dis Ticaret A.S.	0
Agir Haddecilik A.S.	0
Habas Industrial and Medical Gases Production Industries Inc.	0
Habas Sinai ve Tibbi Gazlar Istihsal Endustrisi.	0
MMK Atakas Metalurji.	0
Ozkan Iron and Steel Ind.	0

Assessment Rates

Upon completion of the administrative review, Commerce shall determine, and CBP shall assess,

antidumping duties on all appropriate entries.

Pursuant to 19 CFR 351.212(b)(1), we calculated importer-specific *ad valorem* duty assessment rates based on the ratio of the total amount of dumping calculated for the examined sales to the total entered value of the sales. Where the mandatory respondents did not report entered value, we calculated the entered value in order to calculate the *ad valorem* assessment rate. Where either the respondent's weighted-average dumping margin is zero or *de minimis* within the meaning of 19 CFR 351.106(c)(1), or an importer-specific rate is zero or *de minimis*, we will instruct CBP to liquidate the appropriate entries without regard to antidumping duties.

For the companies which were not selected for individual review, we will assign an assessment rate based on the weighted-average dumping margins calculated for the mandatory respondents. The final results of this review shall be the basis for the assessment of antidumping duties on entries of merchandise covered by the final results of this review and for future deposits of estimated antidumping duties, where applicable.⁵

We intend to issue liquidation instructions to CBP 15 days after publication of the final results of this review.

Cash Deposit Requirements

The following deposit requirements will be effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date of the final results of this administrative review, as provided by section 751(a)(2)(C) of the Act: (1) The cash deposit rate for each specific company listed above will be that established in the final results of this review, except if the rate is less than 0.50 percent and, therefore, *de minimis* within the meaning of 19 CFR 351.106(c)(1), in which case the cash deposit rate will be zero; (2) for previously investigated companies not participating in this review, the cash deposit will continue to be the company-specific rate published for the most recently completed segment of this proceeding in which the company participated; (3) if the exporter is not a firm covered in this review, or the underlying investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent segment for the manufacturer of the merchandise; and (4) the cash

deposit rate for all other manufacturers or exporters will continue to be 6.41 percent, the all-others rate established in the underlying investigation.⁶ These deposit requirements, when imposed, shall remain in effect until further notice.

Disclosure and Public Comment

Commerce intends to disclose the calculations performed in connection with these preliminary results to interested parties within five days after the date of publication of this notice.⁷ Interested parties may submit case briefs not later than 30 days after the date of publication of this notice.⁸ Rebuttal briefs, limited to issues raised in the case briefs, may be filed no later than five days after the time limit for filing case briefs.⁹ Parties who submit case briefs or rebuttal briefs in this proceeding are encouraged to submit with each argument: (1) A statement of the issue; (2) a brief summary of the argument; and (3) a table of authorities.¹⁰ Case and rebuttal briefs should be filed using ACCESS.¹¹

Pursuant to 19 CFR 351.310(c), interested parties who wish to request a hearing must submit a written request to the Assistant Secretary for Enforcement and Compliance, filed electronically via ACCESS. An electronically-filed request for a hearing must be received successfully in its entirety by ACCESS by 5 p.m. Eastern Time within 30 days after the date of publication of this notice.¹² Hearing requests should contain: (1) The party's name, address, and telephone number; (2) the number of participants; and (3) a list of issues to be discussed. Issues raised in the hearing will be limited to issues raised in the briefs. If a request for a hearing is made, parties will be notified of the time and date for the hearing to be held at the U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230.¹³

Commerce intends to issue the final results of this administrative review, including the results of its analysis of issues raised in any written briefs, not later than 120 days after the publication

of these preliminary results in the **Federal Register**, unless otherwise extended.¹⁴

Notification to Importers

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 351.402(f) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in Commerce's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

We are issuing and publishing these results in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: November 1, 2018.

James Maeder,

Associate Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations performing the duties of Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
