SUPPLEMENTARY INFORMATION:

I. Background

In the **Federal Register** of August 22, 2006, FDA published a proposed rule with a 90-day comment period to request comments on implementing regulations for the indexing provisions of the Minor Use and Minor Species Animal Health Act of 2004. Comments on the proposed rule will inform FDA's rulemaking to establish regulations for the procedures and criteria for index listing a new animal drug for use in a minor species.

The agency has received requests for a 30-day extension of the comment period for the proposed rule. Each request conveyed concern that the current 90-day comment period does not allow sufficient time to develop a meaningful or thoughtful response to the proposed rule.

FDA has considered the requests and is extending the comment period for the proposed rule for 30 days, until December 20, 2006. The agency believes that a 30-day extension allows adequate time for interested persons to submit comments without significantly delaying rulemaking on these important issues.

II. Request for Comments

Interested persons may submit to the Division of Dockets Management (see **ADDRESSES**) written or electronic comments on this document. Submit a single copy of electronic comments or two paper copies of any mailed comments, except that individuals may submit one paper copy. Comments are to be identified with the docket number found in brackets in the heading of this document. Received comments may be seen in the Division of Dockets Management between 9 a.m. and 4 p.m., Monday through Friday.

Dated: September 25, 2006.

Jeffrey Shuren,

Assistant Commissioner for Policy.

SUPPLEMENTARY INFORMATION:**Request for Comments**

On May 25, 2006, the Commander, First Coast Guard District, published a notice of proposed rulemaking (NPRM) in the **Federal Register** that proposed revisions to current navigation safety measures in Narragansett Bay, including the Providence River, and proposed new measures for vessels operating in Mount Hope Bay, particularly when transiting through the old and new Brightman Street bridges. (See the **Federal Register** Vol. 71, pages 30108–30112.) A total of six comments were received by the August 23, 2006 deadline.

Two of those comments requested public hearings, and we have determined that providing an opportunity for oral presentations at public meetings would assist the Coast Guard in this rulemaking. Therefore, we will sponsor public hearings at the times and places described in the *Public Meetings* paragraph below. Additionally, the Coast Guard is re-opening the comment period through November 1, 2006.

We encourage you to participate in this rulemaking by submitting comments and related material. If you do so, please include your name and address, identify the docket number for this rulemaking (CGD01–05–094), indicate the specific section of this document to which each comment applies, and give the reason for each comment. Please submit all comments and related material in an unbound format, no larger than 8½ by 11 inches, suitable for copying. If you would like to know they reached us, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period. We may change this proposed rule in view of them. Comments received on or before November 1, 2006, will be considered timely.

Public Meetings

We intend to hold two public meetings to receive comments on our proposed rule published May 25, 2006, that would revise some provisions of the existing RNA in the Providence River, Narragansett Bay, and Mount Hope Bay. For information on facilities or services for individuals with disabilities, or to request special assistance at the meetings, please call Mr. Edward G. LeBlanc of Coast Guard Sector Southeastern New England at 401–435–2351.

We may adjourn these public meetings earlier if all comments have been received from those present.

Dated: September 18, 2006.

ENVIRONMENTAL PROTECTION AGENCY**40 CFR Parts 52 and 81**

[EPA–R03–OAR–2006–0682; FRL8226–1]

Approval and Promulgation of Air Quality Implementation Plans; West Virginia; Redesignation of the West Virginia Portion of the Wheeling, WV–OH 8-Hour Ozone Nonattainment Area to Attainment and Approval of the Maintenance Plan

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: EPA is proposing to approve a redesignation request and a State Implementation Plan (SIP) revision for the West Virginia portion of the Wheeling, WV–OH interstate area (herein referred to as the “Area”) from nonattainment to attainment of the 8-hour ozone National Ambient Air Quality Standard (NAAQS). The West Virginia Department of Environmental Protection (WVDEP) is requesting that the Marshall and Ohio County, West Virginia (Wheeling) portion of the area be redesignated as attainment for the 8-hour ozone NAAQS. The interstate 8-hour ozone nonattainment area is comprised of three counties (Marshall and Ohio Counties, West Virginia (Wheeling) and Belmont County, Ohio (Belmont)). EPA is proposing to approve the ozone redesignation request for the Wheeling portion of the area. In conjunction with its redesignation request, the WVDEP submitted a SIP revision consisting of a maintenance plan for Wheeling that provides for continued attainment of the 8-hour ozone NAAQS for the next 12 years.

EPA is proposing to make a determination that Wheeling has attained the 8-hour ozone NAAQS based upon three years of complete, quality-assured ambient air quality ozone monitoring data for 2002–2004. EPA’s proposed approval of the 8-hour ozone redesignation request is based on its determination that Wheeling has met the criteria for redesignation to attainment specified in the Clean Air Act (CAA). EPA is providing information on the status of its adequacy determination for the motor vehicle emission budgets (MVEBs) that are identified in the Wheeling maintenance plan for purposes of transportation conformity, and is also proposing to approve those MVEBs. EPA is proposing approval of the redesignation request and of the maintenance plan revision to the West Virginia SIP in accordance with the requirements of the CAA.
