[Notice PBS–2018–12; Docket No. 2018–0002; Sequence No. 31]

**Notice of Availability and  
Announcement of Public Meeting for  
the Draft Environmental Assessment  
for the Edward J. Schwartz Federal  
Building Structural Enhancements  
Project in San Diego, California**

**AGENCY:** Public Buildings Service (PBS),  
General Services Administration (GSA).

**ACTION:** Notice of availability;  
announcement of public meeting.

**SUMMARY:** This notice announces the availability, and opportunity for public review and comment, of a Draft Environmental Assessment (EA), which examines the potential impacts of a proposal by GSA to provide structural enhancement improvements to the existing Edward J. Schwartz Federal Building and United States Courthouse. The Draft EA describes the reason the project is being proposed; the alternatives being considered; the potential impacts of each of the alternatives on the existing environment; and the proposed avoidance, minimization, and/or mitigation measures related to those alternatives.

**DATES:** A public meeting for the Draft EA will be held on Wednesday, November 28, 2018, from 4:00 p.m. to 7:00 p.m., Pacific Standard Time. Interested parties are encouraged to attend and provide written comments on the Draft EA.

The comment period for the Draft EA ends on December 17, 2018.

**ADDRESSES:** The public meeting will be held at 704 J Street, San Diego, California, 92101. Further information, including an electronic copy of the Draft EA, may be found online on the following website: <https://www.gsa.gov/about-us/regions/welcome-to-the-pacific-rim-region-9/buildings-and-facilities/california/edward-j-schwartz-federal-office-building#CurrentProjects>. Questions or comments concerning the Draft EA should be directed to: Osmahn Kadri, Regional Environmental Quality Advisor/NEPA Project Manager, 50 United Nations Plaza, 3345, Mailbox #9, San Francisco, CA, 94102, or via email to [osmahn.kadri@gsa.gov](mailto:osmahn.kadri@gsa.gov).

**FOR FURTHER INFORMATION CONTACT:** Osmahn Kadri, Regional Environmental Quality Advisor/NEPA Project Manager, GSA, at 415–522–3617. Please also call this number if special assistance is needed to attend and participate in the public meeting.

**SUPPLEMENTARY INFORMATION:****Background**

The Project is proposed in order to improve structural safety for the public traveling underneath the building and for the tenants occupying the building above the Front Street underpass, located at 8800 Front Street in San Diego, California. The portion of Front Street that extends below the Schwartz FOB is referred to as the Front Street underpass. The existing building has five stories of federal office building space spanning above the roadway and two levels of parking structure beneath the roadway.

The EA will consider one Action Alternative and one No Action Alternative. The Action Alternative would consist of structural enhancement improvements to the portion of the existing Edward J. Schwartz Federal Building over Front Street between E and F streets. Existing columns and beams supporting the building at the Front Street underpass would be reinforced with new steel beams and column support structures and pre-cast concrete paneling. Construction would require full and partial closure of Front Street between Broadway and F Street. Street closure options during construction of the Action Alternative are being considered and a comprehensive Traffic Control Plan will be prepared to address the street closure.

The No Action Alternative assumes that structural enhancements to the existing building would not occur.

**Public Meeting**

The public meeting will be conducted in open house format, where project information will be presented and distributed. Comments must be received by December 17, 2018, and emailed to [osmahn.kadri@gsa.gov](mailto:osmahn.kadri@gsa.gov), or sent to the address listed above.

Dated: November 8, 2018.

#### **Medicare and Medicaid Programs: Application From the American Association for Accreditation of Ambulatory Surgery Facilities, Inc. (AAAASF) for Continued Approval of Its Ambulatory Surgical Center Accreditation Program**

**AGENCY:** Centers for Medicare & Medicaid Services, HHS.

**ACTION:** Notice.

**SUMMARY:** This final notice announces our decision to approve the American Association for Accreditation of Ambulatory Surgery Facilities, Inc. (AAAASF) for continued recognition as a national accrediting organization for ambulatory surgical centers (ASCs) that wish to participate in the Medicare or Medicaid programs.

**DATES:** This notice is applicable November 27, 2018 through November 27, 2024.

**FOR FURTHER INFORMATION CONTACT:** Erin McCoy, (410) 786–2337, Monda Shaver, (410) 786–3410, or Renee Henry, (410) 786–7828.

**SUPPLEMENTARY INFORMATION:**

## **I. Background**

Under the Medicare program, eligible beneficiaries may receive covered services in an Ambulatory Surgical Center (ASC) provided certain requirements are met. Sections 1832(a)(2)(F)(i) of the Social Security Act (the Act) establishes distinct criteria for facilities seeking designation as an ASC. Regulations concerning provider agreements are at 42 CFR part 489 and those pertaining to activities relating to the survey and certification of facilities are at 42 CFR part 488. The regulations at 42 CFR part 416, specify the conditions that an ASC must meet in order to participate in the Medicare program, the scope of covered services and the conditions for Medicare payment for ASCs.

Generally, to enter into an agreement, an ASC must first be certified as complying with the conditions set forth in part 416 and recommended to the Centers for Medicare & Medicaid Services (CMS) for participation by a state survey agency. Thereafter, the ASC is subject to periodic surveys by a state survey agency to determine whether it continues to meet these conditions. However, there is an alternative to certification surveys by state agencies. Accreditation by a nationally recognized Medicare accreditation program approved by CMS may substitute for both initial and ongoing state review.

Section 1865(a)(1) of the Act provides that, if the Secretary of the Department of Health and Human Services finds that accreditation of a provider entity by an approved national accrediting organization meets or exceeds all applicable Medicare conditions, we may treat the provider entity as having met those conditions, that is, we may “deem” the provider entity to be in compliance. Accreditation by an accrediting organization is voluntary and is not required for Medicare participation.

Part 488, subpart A, implements the provisions of section 1865 of the Act and requires that a national accrediting organization applying for approval of its Medicare accreditation program must provide CMS with reasonable assurance that the accrediting organization requires its accredited provider entities to meet requirements that are at least as stringent as the Medicare conditions. Our regulations concerning the approval of accrediting organizations are set forth at § 488.5.

## **II. Application Approval Process**

Section 1865(a)(3)(A) of the Act provides a statutory timetable to ensure that our review of applications for CMS-
