

unique natural resources, historical and cultural values, and Federal improvements.

For a period of 90 days from the date of publication of this notice, all persons who wish to submit comments, suggestions, or objections in connection with the proposed withdrawal may present their views in writing to the Forest Supervisor of the Coronado National Forest.

Notice is hereby given that an opportunity for a public meeting is afforded in connection with the proposed withdrawal. All interested persons who desire a public meeting for the purpose of being heard on the proposed withdrawal must submit a written request, by the date specified above, to the Bureau of Land Management and to the Forest Supervisor, Coronado National Forest, at the addresses specified above. Upon determination by the authorized officer, Bureau of Land Management, that a public meeting will be held, a notice of time and place will be published in the **Federal Register** at least 30 days before the scheduled date of the meeting.

The applications will be processed in accordance with the regulations set forth in 43 CFR part 2300.

Comments, including names and street addresses of respondents, will be available for public review at the Coronado National Forest, 300 West Congress, Tucson, Arizona 85701 during regular business hours, 8 a.m. to 4 p.m., Monday through Friday, except holidays. Individual respondents may request confidentiality. If you wish to withhold your name or address from public review or from disclosure under the Freedom of Information Act, you must state this prominently at the beginning of your comments. Such requests will be honored to the extent allowed by law. All submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, will be made available for public inspection in their entirety.

On October 30, 2006 the above-described lands will be segregated from location and entry under the United States mining laws. The segregative effect of each application shall terminate upon denial or cancellation of the applications; approval of the applications; or October 30, 2008, whichever occurs first.

Records relating to the applications can be examined by interested persons at the Bureau of Land Management, One North Central Avenue, Suite 800, Phoenix, Arizona, during regular

business hours, 9 a.m. to 4 p.m., Monday through Friday.

(Authority: 43 CFR 2310.3-1(a))

Dated: September 20, 2006.

Michael A. Taylor,

Deputy State Director, Resources.

BILLING CODE 4310-32-P

DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[NV-050-5853-ES; N-76721]

Notice of Realty Action; Recreation and Public Purposes Act Classification of Public Lands in Clark County, NV

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of realty action.

SUMMARY: The Bureau of Land Management (BLM) has examined and found suitable for classification for lease and subsequent conveyance under the provisions of the Recreation and Public Purposes (R&PP) Act (43 U.S.C. 869 *et seq.*), as amended, approximately 5 acres of public land in Clark County, Nevada. The City of Las Vegas (City) proposes to use the land as a Las Vegas Metropolitan Police Substation and related facilities.

DATES: Interested parties may submit written comments regarding the proposed lease/conveyance or classification of the lands until December 14, 2006.

ADDRESSES: Send written comments to the Field Manager, Las Vegas Field Office, Bureau of Land Management, 4701 N. Torrey Pines Drive, Las Vegas, Nevada 89130-2301.

FOR FURTHER INFORMATION CONTACT: Rebecca L. Rury, Realty Specialist, Las Vegas Field Office, Bureau of Land Management, (702) 515-5087.

SUPPLEMENTARY INFORMATION: The City filed an R&PP Act application for 5 acres of public land to be developed as a Las Vegas Metropolitan Police Substation and related facilities. These related facilities include a substation building facility, (offices, kitchen, restrooms, utility/storage rooms, generator pad, and mechanical yard), ancillary equipment, separated paved parking areas for police and citizens, landscaped areas, lighting and utilities, and off-site improvements (boundary streets, utilities, street lighting, and sidewalks). The parcel of public land located on the southeast portion of the Las Vegas Metropolitan area is described below:

Mount Diablo Meridian, Nevada

T. 21 S., R. 60 E.,

Sec. 9, E½NE¼SW¼NW¼.

The area described contains 5 acres, more or less, in Clark County.

The land is not required for any Federal purpose. The lease/conveyance is consistent with the BLM Las Vegas Resource Management Plan dated October 5, 1998, and would be in the public interest. The lease/conveyance, when issued, will be subject to the provisions of the R&PP Act and applicable regulations of the Secretary of the Interior, and will contain the following reservations to the United States:

1. A reservation of a right-of-way thereon for ditches or canals constructed by the authority of the United States, Act of August 30, 1890 (43 U.S.C. 945).

2. All minerals shall be reserved to the United States, together with the right to prospect for, mine and remove such deposits from the same under applicable law and such regulations as the Secretary of the Interior may prescribe.

The lease/conveyance will be subject to:

1. Valid existing rights of record, including, but not limited to those documented on the BLM public land records at the time of lease issuance.

Detailed information concerning this action is available for review in the office of the BLM, Las Vegas Field Office at the address listed above.

On October 30, 2006, the above described land will be segregated from all other forms of appropriation under the public land laws, including the general mining laws, except for lease/conveyance under the R&PP Act, leasing under the mineral leasing laws and disposals under the mineral material disposal laws.

Classification Comments: Interested parties may submit comments involving the suitability of the land for a Las Vegas Metropolitan Police Substation and related facilities. Comments on the classification are restricted to whether the land is physically suited for the proposal, whether the use will maximize the future use or uses of the land, whether the use is consistent with local planning and zoning, or if the use is consistent with State and Federal programs.

Application Comments: Interested parties may submit comments regarding the specific use proposed in the application and plan of development, whether the BLM followed proper administrative procedures in reaching the decision, or any other factor not

directly related to the suitability of the land for a Las Vegas Metropolitan Police Substation and related facilities. Comments received during this process, including the respondent's name, address, and other contact information will be available for public review. Individual respondents may request confidentiality. If you wish to request that BLM consider withholding your name, address, and other contact information from public review or disclosure under the Freedom of Information Act, you must state this prominently at the beginning of your comment. The BLM will honor requests for confidentiality on a case-by-case basis to the extent allowed by law. The BLM will make available for public review, in their entirety, all comments submitted by businesses or organizations, including comments by individuals in their capacity as an official or representative of a business or organization. Any adverse comments will be reviewed by the BLM, Nevada State Director who may sustain, vacate, or modify this realty action.

In the absence of any adverse comments, the classification will become effective on December 29, 2006. The land will not be available for lease and subsequent conveyance until after the classification becomes effective.

(Authority: 43 CFR 2741)

Sharon DiPinto,

Assistant Field Manager, Division of Lands, Las Vegas, NV.

BILLING CODE 4310-HC-P

DEPARTMENT OF THE INTERIOR

National Park Service

Avalanche Hazard Reduction by Burlington Northern Santa Fe Railroad in Glacier National Park and Flathead National Forest Montana Draft Environmental Impact Statement, Glacier National Park, Montana

AGENCY: National Park Service, Department of the Interior.

ACTION: Notice of availability of the Draft Environmental Impact Statement for the Avalanche Hazard Reduction by Burlington Northern Santa Fe Railroad in Glacier National Park and Flathead National Forest Montana Glacier National Park, Montana.

SUMMARY: Pursuant to the National Environmental Policy Act of 1969, 42 U.S.C. 4332(2)(C), the National Park Service announces the availability of a Draft Environmental Impact Statement for the Avalanche Hazard Reduction by

Burlington Northern Santa Fe Railroad in Glacier National Park and Flathead National Forest Montana Draft Environmental Impact Statement, Glacier National Park, Montana.

DATES: The National Park Service will accept comments on the Draft Environmental Impact Statement from the public for 60 days from the date the Environmental Protection Agency publishes the Notice of Availability. No public meetings are scheduled at this time.

ADDRESSES: Information will be available for public review and comment online at <http://parkplanning.nps.gov>, in the office of the Superintendent, Mick Holm, Glacier National Park Headquarters, West Glacier, Montana, 406-888-7901 and Hudson Bay District Offices, Glacier National Park, St. Mary, Montana, 406-732-7700.

FOR FURTHER INFORMATION CONTACT: Mary Riddle, Glacier National Park, West Glacier, MT 59936, 406-888-7898, mary_riddle@nps.gov.

SUPPLEMENTARY INFORMATION: If you wish to comment, you may submit your comments by any one of several methods. You may mail comments to Glacier National Park, Attention Avalanche Hazard DEIS, West Glacier, MT 59936. You may also comment via the Internet at <http://parkplanning.nps.gov>. If you do not receive a confirmation from the system that we have received your Internet message, contact us directly at 406-888-7902. Finally, you may hand-deliver comments to Glacier National Park, Headquarters, Going-to-the Sun Road, West Glacier, MT. Our practice is to make comments, including names, home addresses, home phone numbers, and email addresses of respondents, available for public review. Individual respondents may request that we withhold their names and/or home addresses, etc., but if you wish us to consider withholding this information you must state this prominently at the beginning of your comments. In addition, you must present a rationale for withholding this information. This rationale must demonstrate that disclosure would constitute a clearly unwarranted invasion of privacy. Unsupported assertions will not meet this burden. In the absence of exceptional, documentable circumstances, this information will be released.

We will always make submissions from organizations or businesses, and from individuals identifying themselves as representatives of or officials of

organizations or businesses, available for public inspection in their entirety.

Dated: September 18, 2006.

Anthony J. Schetzlsle,

Acting Director, Intermountain Region, National Park Service.

BILLING CODE 4310-9Y-P

DEPARTMENT OF THE INTERIOR

National Park Service

Notice of Intent To Prepare a Draft Environmental Impact Statement for the General Management Plan for Kings Mountain National Military Park, Blacksburg, SC

SUMMARY: Pursuant to section 102(2)(C) of the National Environmental Policy Act of 1969, requirements of the National Parks and Recreation Act of 1978, Public Law 95-625, and National Park Service Policy in Director's Order Number 2 (Park Planning) and Director's Order Number 12 (Conservation Planning, Environmental Impact Analysis, and Decision-making) the National Park Service (NPS) will prepare an Environmental Impact Statement for the General Management Plan (EIS/GMP) for Kings Mountain National Military Park (KIMO) located near Blacksburg, South Carolina. The authority for publishing this notice is contained in 40 CFR 1501.7. The statement will assess potential environmental impacts associated with various types and levels of visitor use and resources management within KIMO.

The NPS is currently accepting comments from interested parties on issues, concerns, and suggestions pertinent to the management of KIMO. Suggestions and ideas for managing the cultural and natural resources and visitor experiences at KIMO are encouraged. Comments may be submitted in writing to the address listed at the end of this notice or through the NPS Planning, Environment, and Public Comment (PEPC) Web site, which is linked to the park's Web site at <http://www.nps.gov/kimo>.

The NPS will publish periodic newsletters on the PEPC Web site to present scoping issues and preliminary management concepts to the public as they are developed. Public meetings to present draft management concepts will be conducted in the local area. Specific locations, dates, and times will be announced in local media and on the PEPC Web site.
