conjunction with an immediately effective filing that extends the operation of the Program through the same date.⁶ In its request to extend the exemption, the Exchange notes that the participation in the Program has increased more recently with additional Retail Liquidity Providers. Accordingly, the Exchange has asked for additional time to both allow for additional opportunities for greater participation in the Program and allow for further assessment of the results of such participation. For this reason and the reasons stated in the Order originally granting the limited exemptions, the Commission finds that extending the exemption, pursuant to its authority under Rule 612(c) of Regulation NMS, is appropriate in the public interest and consistent with the protection of investors.

Therefore, it is hereby ordered that, pursuant to Rule 612(c) of Regulation NMS, the Exchange is granted a limited exemption from Rule 612 of Regulation NMS that allows it to accept and rank orders priced equal to or greater than \$1.00 per share in increments of \$0.001, in connection with the operation of its Retail Liquidity Program, until June 30, 2019.

The limited and temporary exemption extended by this Order is subject to modification or revocation if at any time the Commission determines that such action is necessary or appropriate in furtherance of the purposes of the Securities Exchange Act of 1934. Responsibility for compliance with any applicable provisions of the Federal securities laws must rest with the persons relying on the exemptions that are the subject of this Order.
