**Certain Corrosion-Resistant Steel Products From India: Final Results of Antidumping Duty Administrative Review; 2016–2017**

**AGENCY:** Enforcement and Compliance, International Trade Administration, Department of Commerce.

**SUMMARY:** The Department of Commerce (Commerce) determines that certain corrosion-resistant steel products (CORE) from India are being, or are likely to be sold, at less than normal value during the period of review (POR) January 4, 2016, through June 30, 2017.

**DATES:** Applicable December 14, 2018.

**FOR FURTHER INFORMATION CONTACT:** Rachel Greenberg or Kabir Archuletta,

AD/CVD Operations, Office V, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, 1401 Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482–0652 or (202) 482–2593, respectively.

**SUPPLEMENTARY INFORMATION:**

**Scope of the Order**

The product covered by this review is CORE from India. For a full description of the scope, see the Issues and Decision Memorandum dated concurrently with and hereby adopted by this notice.<sup>1</sup>

**Analysis of Comments Received**

All issues raised in the case and rebuttal briefs by parties to this administrative review are addressed in the Issues and Decision Memorandum.<sup>2</sup> A list of the issues that parties raised and to which we responded is attached to this notice as an Appendix. The Issues and Decision Memorandum is a public document and is on file electronically via Enforcement and Compliance’s Antidumping and Countervailing Duty Centralized Electronic Service System (ACCESS). ACCESS is available to registered users at <https://access.trade.gov> and in the Central Records Unit, room B8024 of the main Department of Commerce building. In addition, a complete version of the Issues and Decision Memorandum can be accessed directly on the internet at <http://enforcement>.

[trade.gov/frn/index.html](https://trade.gov/frn/index.html). The signed Issues and Decision Memorandum and the electronic versions of the Issues and Decision Memorandum are identical in content.

**Changes Since the Preliminary Results**

Based on a review of the record and comments received from interested parties, we have recalculated JSW Steel Ltd. and JSW Coated Products Limited (collectively, JSW) weighted-average dumping margin to (1) use the correct program language for weight averaging the manufacturer-specific cost data; (2) use modified program language so as to not make an export subsidy adjustment to sales after the expiration of the provisional measures period in the companion countervailing duty investigation and before the publication of the ITC’s final injury determination during the underlying investigation of this proceeding (*i.e.*, March 5, 2016, through July 20, 2016);<sup>3</sup> and (3) use the most recently completed proceeding (*i.e.*, the *CORE CVD Investigation Final*) as the source for the export subsidy adjustment to export price.<sup>4</sup> For further discussion, *see* the Issues and Decision Memorandum.

**Final Results of the Review**

We determine that, for the period of January 4, 2016, through June 30, 2017, the following weighted-average dumping margin exists:

Exporter/producer	Weighted-average dumping margin (percent)
JSW Steel Ltd./JSW Coated Products Limited .....	22.57

**Duty Assessment**

Commerce shall determine, and U.S. Customs and Border Protection (CBP) shall assess, antidumping duties on all appropriate entries covered by this review.

In accordance with Commerce’s “automatic assessment” practice, for entries of subject merchandise during the POR produced by JSW for which it did not know that the merchandise was destined for the United States, we will instruct CBP to liquidate those entries at

the all-others rate if there is no rate for the intermediate company(ies) involved in the transaction.
