

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were either solicited or received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change establishes or changes a member due, fee, or other charge imposed by the Exchange, it has become effective pursuant to Section 19(b)(3)(A) of the Act³⁵ and Rule 19b-4(f)(2)³⁶ thereunder. At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.³⁷

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change, as amended, is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or
- Send an e-mail to rule-comments@sec.gov. Please include File No. SR-CHX-2006-29 on the subject line.

Paper Comments

- Send paper comments in triplicate to Nancy M. Morris, Secretary, Securities and Exchange Commission, Station Place, 100 F Street, NE., Washington, DC 20549-1090.

All submissions should refer to File Number SR-CHX-2006-29. This file number should be included on the subject line if e-mail is used. To help the Commission process and review your comments more efficiently, please use only one method. The Commission will post all comments on the Commission's Internet Web site (<http://www.sec.gov/rules/sro.shtml>). Copies of the

submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Room. Copies of such filing also will be available for inspection and copying at the principal office of the CHX. All comments received will be posted without change; the Commission does not edit personal identifying information from submissions. You should submit only information that you wish to make available publicly. All submissions should refer to File Number SR-CHX-2006-29 and should be submitted on or before November 24, 2006.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.³⁸

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-54653; File No. SR-NYSE-2006-94]

Self-Regulatory Organizations; New York Stock Exchange LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Rule 122 (Orders With More Than One Broker) Until the Availability of Full d-Quote Functionality in a Particular Security or February 5, 2007, Whichever Comes First

October 26, 2006.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on October 25, 2006, the New York Stock Exchange LLC ("NYSE" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. NYSE filed the proposed rule change pursuant to Section 19(b)(3) of the Act³ and Rule

19b-4(f)(6) thereunder,⁴ which renders the proposed rule change effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

NYSE seeks to amend Exchange Rule 122 (Orders with More than One Broker) for a period of time commencing from the operative date of this proposed rule change until the availability of full d-Quoting⁵ functionality in a particular security or February 5, 2007, whichever comes first. The proposed rule change would permit Floor brokers to maintain discretionary e-Quotes ("d-Quotes") and CAP-DI orders⁶ in a security on the same side of the market for the same order that are capable of trading at the same price. The text of the proposed rule change is available on the Exchange's Web site (<http://www.nyse.com>), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to permit Floor brokers to enter discretionary e-Quotes and CAP-DI orders in a security on the same side of the market for the same order that are capable of trading at the same price for a limited

⁶ See Exchange Rules 13 and 123A.30(a). Exchange Rule 123A.30(a) describes a CAP-DI order as: "The elected or converted portion of a 'percentage order that is convertible on a destabilizing tick and designated immediate execution or cancel election' ('CAP-DI order') may be automatically executed and may participate in a sweep."

³⁶ 17 CFR 19b-4(f)(2).

³⁷ For purposes of calculating the 60-day period within which the Commission may summarily abrogate the proposed rule change under Section 19(b)(3)(C) of the Act, the Commission considers the period to commence on October 20, 2006, the date on which the CHX filed Amendment No. 1. See 15 U.S.C. 78s(b)(3)(C).

period of time—that is, from the operative date of this proposed rule change until the availability of full d-Quoting functionality in a particular security or February 5, 2007, whichever comes first. The Exchange believes that discretionary e-Quote capabilities will be fully implemented in Phase IV of the Hybrid Market,⁷ which is scheduled to commence rolling out in late December 2006. This amendment will allow Floor brokers to participate electronically in certain trades they would otherwise miss while full d-Quoting functionality is being implemented. As such, the amendment enhances the competitive position between Floor brokers (on behalf of customer orders) and specialist proprietary trading that d-Quoting was designed to assist.

Currently, d-Quote functionality permits Floor brokers to assign discretionary price instructions to their e-Quotes. Pursuant to these instructions, a d-Quote may trade with marketable and non-marketable incoming orders, by trading with such orders at a price better than the Exchange best bid or offer. Currently, the functionality to interact with a non-marketable incoming order (*i.e.*, an order that would become the new Exchange best bid or offer) has not been implemented. However, specialists are able to interact with non-marketable incoming orders via their algorithmic systems subject to certain requirements. Specifically, a specialist can send electronically a “hit bid” or “take offer” message based on an incoming order that would create a new best bid or best offer. This allows the specialist to trade electronically with the newly published bid or offer. Until d-Quoting is fully implemented, a Floor broker only has the ability to interact manually with such new bid or offer. Accordingly, the speed disparity between a manual action and an electronic one places the Floor broker at a competitive disadvantage.

A Floor broker can seek to trade at the bid or offer price by manually “hitting the bid” or “taking the offer.” They can also send a CAP-DI order to the specialist for conversion or election at that price. Marketable CAP-DI orders are automatically converted and trade along with specialist proprietary executions. Accordingly, by allowing Floor brokers to have CAP-DI orders and d-Quotes, the Floor brokers retain the ability to compete with specialist algorithmic trading for executions involving marketable incoming orders

via discretionary pricing instructions, but do not miss participating in executions when specialists algorithmically hit a bid or take an offer.

Exchange Rule 122 currently prevents Floor brokers who have transmitted part of an order to a specialist for execution (such as a CAP-DI order) from bidding or offering on behalf of the retained portion of such order at a price at which the transmitted part may be quoted or executed. Because a CAP-DI may execute at the same price as a d-Quote, the Exchange seeks to amend Rule 122 to permit Floor brokers to maintain both d-Quotes and CAP-DI orders in the same security for the account of the same principal that are capable of being executed at the same price.

This filing applies to those securities subject to the Pilot⁸ currently operating in conjunction with the implementation of Hybrid Market Phase III.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act⁹ in general, and furthers the objectives of Section 6(b)(5) of the Act¹⁰ in particular, in that it is designed to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system and, in general, to protect investors and the public interest. The Exchange believes that the proposed rule change is also designed to support the principles of Section 11A(a)(1) of the Act¹¹ in that it seeks to assure economically efficient execution of securities transactions, the practicability of brokers executing investors’ orders in the best market, and an opportunity for investors’ orders to be executed without the participation of a dealer.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange has neither solicited nor received written comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) by its terms, become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, it has become effective pursuant to Section 19(b)(3)(A) of the Act¹² and Rule 19b-4(f)(6) thereunder.¹³

A proposed rule change filed under Rule 19b-4(f)(6) normally may not become operative prior to 30 days after the date of filing. However, Rule 19b-4(f)(6)(iii)¹⁴ permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative delay and designate the proposed rule change immediately operative upon filing. The Commission believes that waiver of the 30-day operative delay is consistent with the protection of investors and the public interest. Specifically, the Commission believes that the proposal should enable floor brokers to compete with specialists in certain trades on behalf of their customers, while the Exchange is in the process of implementing the d-Quote function. Accordingly, the Commission designates the proposal to be effective and operative upon filing with the Commission until the availability of full d-Quote functionality in a particular security or February 5, 2007, whichever comes first.¹⁵

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such proposed rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors,

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-54655; File No. SR-NYSEArca-2006-48]

Self-Regulatory Organizations; NYSE Arca, Inc.; Order Approving Proposed Rule Change To Amend NYSE Arca Equities, Inc.'s Clearly Erroneous Executions Rule To Include an Appeal Fee for the NYSE Arca Marketplace (f/k/a the Archipelago Exchange)

October 26, 2006.

On August 11, 2006, NYSE Arca, Inc. ("NYSE Arca" or "Exchange") filed with the Securities and Exchange Commission ("Commission") a proposed rule change pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² to assess a fee associated with the appeals process of NYSE Arca Equities, Inc. ("NYSE Arca Equities") Rule 7.10. The proposed rule change was published for comment in the **Federal Register** on September 22, 2006.³ The Commission received no comments on the proposal. This order approves the proposed rule change.

NYSE Arca proposes to amend NYSE Arca Equities Rule 7.10 governing clearly erroneous executions ("CEEs") on the NYSE Arca Marketplace (f/k/a the Archipelago Exchange), the equities trading facility of NYSE Arca Equities. Specifically, under the proposed rule change, if an Equity Trading Permit ("ETP") Holder appeals a CEE decision made by an NYSE Arca Equities officer to the CEE Panel and the CEE Panel subsequently upholds the decision, the ETP Holder would be assessed a \$500.00 fee. The Exchange believes that assessing a \$500.00 fee against any ETP Holder who appeals a CEE decision that is subsequently upheld by the CEE Panel would discourage frivolous and abusive uses of the CEE appeal process. The Exchange noted that some ETP Holders have taken advantage of the appeals process by appealing all decisions in which they are involved,

including decisions that involve a *de minimis* value.

After careful review, the Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange.⁴ In particular, the Commission finds that the proposed rule change is consistent with Section 6(b)(4) of the Act,⁵ which requires that the rules of an exchange provide for the equitable allocation of reasonable dues, fees, and other charges among its members and issuers and other persons using its facilities, and with Section 6(b)(5) of the Act,⁶ which requires that the rules of an exchange be designed to promote just and equitable principles of trade, remove impediments to and perfect the mechanism of a free and open market and a national securities system, and, in general, protect investors and the public interest. The Commission believes that the proposed fee is reasonable as a method to discourage frivolous uses by ETP Holders of the Exchange's CEE appeal process. In addition, the Commission believes that the proposal would not unduly affect the rights of an ETP Holder to appeal to the CEE Panel the decisions of NYSE Arca Equities officers with respect to transactions that are alleged to involve a clearly erroneous execution.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁷ that the proposed rule change (SR-NYSEArca-2006-48) is approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁸

Secretary.
