

Stress Testing Policy sets forth ICE Clear Europe's processes for review of the policy and stress testing results, and oversight by ICE Clear Europe's Board and certain of its committees. As such, the proposed rule change is consistent with the requirement of Rule 17Ad-22(e)(4)(vi)(B) through (D).¹⁹

Rule 17Ad-22(e)(2)²⁰ requires, in relevant part, that a covered clearing agency establish, implement, maintain and enforce written policies and procedures reasonably designed to provide for governance arrangements that are clear and transparent and that specify clear and direct lines of responsibility. As detailed above, the F&O Stress Testing Policy sets forth the governance process for changes to the policy, as well as details the oversight by ICE Clear Europe's Board and certain of its committees of the stress testing results. As such, ICE Clear Europe believes the changes are reasonably designed to meet the requirements of 17Ad-22(e)(2).²¹

(B) Clearing Agency's Statement on Burden on Competition

ICE Clear Europe does not believe the proposed rule changes would have any impact, or impose any burden, on competition not necessary or appropriate in furtherance of the purposes of the Act. The F&O Stress Testing Policy applies uniformly across all F&O Clearing Members. ICE Clear Europe does not believe that the formalization of the F&O Stress Testing Policy will otherwise impact competition among Clearing Members or other market participants, or affect the ability of market participants to access clearing generally. Therefore, ICE Clear Europe does not believe the proposed rule changes impose any burden on competition that is inappropriate in furtherance of the purposes of the Act.

(C) Clearing Agency's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments relating to the proposed amendments have not been solicited or received by ICE Clear Europe. ICE Clear Europe will notify the Commission of any comments received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and paragraph (f) of Rule 19b-4 thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
