ACTION: Proposed rule with request for comments.

SUPPLEMENTARY INFORMATION:**A. Background**

The clause at DFARS 252.246-7000, Material Inspection and Receiving Report, contains requirements for preparing and furnishing material inspection and receiving reports to the Government. Contractors can satisfy material inspection and receiving report requirements by using DD Form 250, in a manner and to the extent required by DFARS Appendix F, or by using the Wide Area Workflow-Receipt and Acceptance (WAWF-RA) electronic form. This proposed rule clarifies that, when WAWF-RA is used, two copies of the WAWF-RA report must be distributed with the shipment in accordance with DFARS Appendix F. Such clarification is needed to ensure proper identification of all shipments.

This rule was not subject to Office of Management and Budget review under Executive Order 12866, dated September 30, 1993.

B. Regulatory Flexibility Act

DoD does not expect this rule to have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because the rule makes no significant change to DoD policy for preparation and use of material inspection and receiving reports. Therefore, DoD has not performed an initial regulatory flexibility analysis. DoD invites comments from small businesses and other interested parties. DoD also will consider comments from small entities concerning the affected DFARS subparts in accordance with 5 U.S.C. 610. Such comments should be submitted separately and should cite DFARS Case 2006-D024.

C. Paperwork Reduction Act

The information collection requirements for DoD material inspection and receiving reports have been approved by the Office of Management and Budget, under Control Number 0704-0248, for use through March 31, 2008.

Two copies of the WAWF-RA report shall be distributed with the shipment, in accordance with Appendix F, Part 4, F-401, Table 1, of the Defense FAR Supplement.

(End of clause)
