33 CFR Part 100

[Docket Number USCG-2018-0929]

RIN 1625-AA08

Special Local Regulations; Marine Events in the Coast Guard Sector Detroit Captain of the Port Zone

AGENCY: Coast Guard, DHS.

ACTION: Final rule.

SUMMARY: The Coast Guard is updating its recurring special local regulations in the Captain of the Port Detroit. This rule updates fifteen special local regulation locations, dates, and sizes, adds six special local regulations, removes six established special local regulations, and reformats the regulations into an easier to read table format. These amendments will ensure safety of life on navigable waters to be used for a various events immediately prior to, during, and immediately after these events.

DATES: This rule is effective January 25, 2019.

 FR Federal Register
 NPRM Notice of proposed rulemaking
 § Section
 U.S.C. United States Code

II. Background Information and Regulatory History

On October 17, 2018 the Coast Guard published an NPRM in the **Federal Register** (83 FR 52333) entitled "Special Local Regulations; Marine Events in the Coast Guard Sector Detroit Captain of the Port Zone." The NPRM proposed to establish fifteen permanent special local regulations for annually recurring events in the Captain of the Port Detroit Zone under § 100.911. The NPRM was open for comment for 30 days. There we stated why we issued the NPRM, and invited comments on our proposed regulatory action related to these special local regulations. During the comment period that ended November 17, 2018, we received two comments.

III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 33 U.S.C. 1233. The Captain of the Port Detroit (COTP) has determined that the likely combination of recreation vessels, commercial vessels, and an unknown number of spectators in close proximity to these various special local regulations along the water pose extra and unusual hazards to public safety and property. Therefore, the COTP is establishing a Special Local Regulation around the event locations listed in table to help minimize risks to safety of life and property during this event.

IV. Discussion of Comments, Changes, and the Rule

As noted above, we received two positive comments encouraging this rule on our NPRM published October 17, 2018. There are no changes in the regulatory text of this rule from the proposed rule in the NPRM.

This rule updates fifteen special local regulation locations, dates, and sizes, adds six special local regulations, removes six established special local regulations, and reformats the regulations into an easier to read table format. The exact duration and dates of the special local regulations will be determined annually. In light of the aforementioned hazards, the COTP has determined that a special local regulation is necessary to protect spectators, vessels, and participants. No vessel or person will be permitted to enter the special local regulation without obtaining permission from the COTP or a designated representative.

V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and

Executive orders, and we discuss First Amendment rights of protestors.

A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. Executive Order 13771 directs agencies to control regulatory costs through a budgeting process. This rule has not been designated a "significant regulatory action," under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB), and pursuant to OMB guidance it is exempt from the requirements of Executive Order 13771.

This regulatory action determination is based on the size, location, duration, and time-of-day for each special local regulation. Vessel traffic will be able to safely transit most safety zones which will impact small designated areas within the COTP zone for short durations of time. Moreover, the Coast Guard will issue Broadcast Notice to Mariners via VHF-FM marine channel 16 about the zone and the rule allows vessels to seek permission to enter the zone.

B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601-612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard received no comments from the Small Business Administration on this rulemaking. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the special local regulation may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions

concerning its provisions or options for compliance, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency's responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501-3520).

D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes. If you believe this rule has implications for federalism or Indian tribes, please contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531-1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023-01 and Commandant Instruction M16475.1D, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321-4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule updates fifteen special local regulation locations, dates, and sizes, adds six special local regulations, removes six established special local regulations, and reformats the regulations into an easier to read table format. It is categorically excluded from further review under paragraph L[60] of Appendix A, Table 1 of DHS Instruction Manual 023-01-001-01, Rev. 01. A Record of Environmental Consideration supporting this determination is available in the docket where indicated under **ADDRESSES**.

G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to contact the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and recordkeeping requirements, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 100 as follows:

PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

■ 1. The authority citation for part 100 continues to read as follows:

Authority: 33 U.S.C. 1233; 33 CFR 1.05-1.

■ 2. Revise § 100.911 to read as follows:

§ 100.911 Special Local Regulations; Marine Events in the Coast Guard Sector Detroit Captain of the Port Zone.

(a) *General.* The regulations in this section apply to the marine events listed in Table 1 to § 100.911, along with the requirements of § 100.901. These regulations will be enforced for the duration of each event, on or about the dates indicated. Annual notice of the exact dates and times of the effective period of the regulations with respect to each event, the geographical area, and details concerning of the event will be made by publication in the **Federal Register** via a Notice of Enforcement, published in a Local Notices to Mariners, and broadcast over VHF-FM radio. Although listed in the Code of Federal Regulations, sponsors of events listed in the table to § 100.911 are still required to submit marine event applications in accordance with § 100.15.

(b) *Special local regulations.* (1) No vessel may enter, transit through, or anchor within the regulated area without the permission of the Coast Guard Patrol Commander.

(2) Vessel operators desiring to enter or operate within the regulated area shall contact the Coast Guard Patrol Commander to obtain permission to do so. Vessel operators given permission to enter or operate within the regulated area must comply with all directions given to them by the Coast Guard Patrol Commander.

(3) All geographic coordinates in Table 1 to § 100.911 are North American Datum of 1983 (NAD 83).

33 CFR Part 117

[Docket No. USCG-2018-1054]

Drawbridge Operation Regulation; Duwamish Waterway, Seattle, WA

AGENCY: Coast Guard, DHS.

ACTION: Notice of deviation from drawbridge regulation.

SUMMARY: The Coast Guard has issued a temporary deviation from the operating schedule that governs the Southwest Spokane Street Bridge (Spokane Street Bridge), mile 0.3, across the Duwamish Waterway at Seattle, WA. The deviation is necessary to accommodate re-routed roadway traffic while the Alaskan Way Viaduct is closed. This deviation allows the subject bridge to remain in the closed-to-navigation position to allow congested roadway traffic to move easier.

DATES: This deviation is effective from 7 a.m. on January 11, 2019, to 7 p.m. on February 9, 2019.

ADDRESSES: The docket for this deviation, USCG-2018-1054 is available at <http://www.regulations.gov>. Type the docket number in the "SEARCH" box and click "SEARCH." Click on Open Docket Folder on the line associated with this deviation.

FOR FURTHER INFORMATION CONTACT: If you have questions on this temporary

deviation, call or email Mr. Steven Fischer, Bridge Administrator, Thirteenth Coast Guard District; telephone 206-220-7282, email d13-pf-d13bridges@uscg.mil.

SUPPLEMENTARY INFORMATION: Seattle Department of Transportation (SDOT), the owner of the impacted drawbridges, requested a temporary deviation from the operating schedule for the Spokane Street Bridge, mile 0.3, across the Duwamish Waterway at Seattle, WA, to facilitate morning and afternoon re-routed roadway traffic. Washington Department of Transportation is closing the Alaskan Way Viaduct forever, and have not finished building new ramp approaches to the new SR99 Tunnel into Seattle, WA. During the closure of the viaduct, SDOT will be re-routing roadway traffic into Seattle across the Duwamish Waterway, and requested to not open the subject bridge to marine vessels during morning and afternoon hours. The normal operating schedule for the Spokane Street Bridge is in 33 CFR 117.5; which is open on signal. The Spokane Street Bridge provides a vertical clearance of 55 feet for the center 130 feet in the closed-to-navigation position, and 44 feet in the closed-to-navigation position on both sides. Vertical clearances refer to the Mean High tide level.

During this deviation period, the Spokane Street Bridge draw need not open to vessels from 7 a.m. to 10 a.m., and from 2 p.m. to 5 p.m. from January 11, 2019 to February 9, 2019, for vessels less than 5000 gross tons. If a vessel has in tow a vessel of 5000, or more, gross tons, or is a vessel proceeding to pick up a tow vessel of 5000, or more, gross tons, the Spokane Street Bridge shall open on signal. Delta Marine will be conducting sea trials during this deviation period with a 174 foot, 900 ton vessel; SDOT has agreed to open the subject bridge, on signal, for the Delta Marine vessel during this deviation period. Waterway usage on the Duwamish Waterway range from large mega yachts, commercial tug and barge to small pleasure craft. Vessels able to pass through the subject bridge in the closed-to-navigation position may do so

at any time. The Spokane Street Bridge will not be able to open for emergencies, and there is no immediate alternate route for vessels to pass. The Coast Guard will also inform the users of the waterways through our Local and Broadcast Notices to Mariners of the change in operating schedule for the bridges so that vessel operators can arrange their transits to minimize any impact caused by the temporary deviation.

In accordance with 33 CFR 117.35(e), the Spokane Street Bridge must return to its regular operating schedule immediately at the end of the effective period of this temporary deviation. This deviation from the operating regulations is authorized under 33 CFR 117.35.

Dated: December 3, 2018.

Steven M. Fischer,

Bridge Chief Administrator, Thirteenth Coast Guard District.

Safety Zone; Mathai Fireworks, Detroit River, Detroit, MI

AGENCY: Coast Guard, DHS.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a temporary safety zone for navigable waters within a 420-foot radius of a portion of the Detroit River, Detroit, MI. This zone is necessary to protect spectators and vessels from potential hazards associated with the Mathai marriage proposal fireworks.

DATES: This temporary final rule is effective from 10 p.m. on December 27, 2018 through 10:30 p.m. on December 28, 2018.
