Containing 1,270.85 acres, more or less.

The three alternatives listed in the EA are generally described below:

- Alternative A: (No Action): The application would be rejected or denied. A competitive lease sale would not be held at this time;

- Alternative B: (Proposed Action): The tracts would be leased as requested in the application, subject to standard and special lease stipulations developed for the tract; or

- Alternative C: (Reduced Acreage Action): The tract would be reduced to 940 acres, subject to standard and special lease stipulations developed for the tract.

If you submit proprietary data marked as confidential to the BLM in response to this solicitation of public comments, the BLM will treat the data so marked in accordance with the laws and regulations governing the confidentiality of such information, including the Freedom of Information Act. A copy of the comments submitted by the public on the EA, FMV, and MER, except those portions identified as proprietary by the author and meeting exemptions stated in the Freedom of Information Act, will be available for public inspection at the address listed in the ADDRESSES section of this notice during regular business hours from 8 a.m. to 4:30 p.m. Monday through Friday, excluding Federal holidays.

Public comments on the LBA EA should address the potential environmental impacts of the proposed action. Public comments on the FMV and MER for the proposed lease tract may address, but do not have to be limited to, the following:

1. The quality and quantity of the Federal coal reserves;
2. The method of mining to be employed to obtain the MER of the coal, including: Specifications of the seams to be mined; timing and rate of production; restrictions to mining; and the inclusions of tracts in an existing mining operation;
3. The price that the mined coal would bring when sold;
4. Costs, including mining and reclamation costs, of producing the coal and the anticipated timing of production;

5. The percentage rate at which anticipated income streams should be discounted, either with inflation, or in the absence of inflation, in which case the anticipated rate of inflation should be given;

6. Depreciation, depletion, amortization, and other tax accounting factors; and

7. The value of any privately held mineral or surface estate in the McCurtain area.

The values given above may or may not change because of comments received from the public and changes in market conditions between now and when final economic evaluations are completed.

Please send written comments on the LBA EA, MER, and FMV to April Crawley at the address listed in the ADDRESSES section in the notice or through ePlanning, as described above, prior to close of business January 11, 2019. Substantive comments, whether written or oral, will receive equal consideration prior to any lease offering.

Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold personal identifying information from public review, we cannot guarantee that we will be able to do so.

Authority: 43 CFR 3422, 43 CFR 3425, 43 CFR 3427.

INTERNATIONAL TRADE COMMISSION

Notice of Receipt of Complaint; Solicitation of Comments Relating to the Public Interest

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission has received a complaint entitled *Certain Integrated Circuits and Products Containing the Same, DN 3358*; the Commission is soliciting comments on any public interest issues raised by the complaint or complainant's filing pursuant to the Commission's Rules of Practice and Procedure.

FOR FURTHER INFORMATION CONTACT: Lisa R. Barton, Secretary to the Commission, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 205–2000. The public version of the complaint can be accessed on the Commission's Electronic Document Information System (EDIS) at <https://edis.usitc.gov>, and will be available for inspection during official business hours (8:45 a.m. to 5:15 p.m.) in the Office of the Secretary, U.S. International Trade Commission, 500 E Street SW, Washington, DC 20436, telephone (202) 205–2000.

General information concerning the Commission may also be obtained by accessing its internet server at United States International Trade Commission (USITC) at <https://www.usitc.gov>. The public record for this investigation may be viewed on the Commission's Electronic Document Information System (EDIS) at <https://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205–1810.

SUPPLEMENTARY INFORMATION: The Commission has received a complaint and a submission pursuant to § 210.8(b) of the Commission's Rules of Practice and Procedure filed on behalf of Tela Innovations, Inc. on December 19, 2018. The complaint alleges violations of

section 337 of the Tariff Act of 1930 (19 U.S.C. 1337) in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain integrated circuits and products containing the same. The complaint names as respondents: Acer, Inc. of Taiwan; Acer America Corporation of San Jose, CA; AsusTek Computer Inc. of Taiwan; Asus Computer International of Fremont, CA; Intel Corporation of Santa Clara, CA; Lenovo Group Ltd. of China; Lenovo (United States) Inc. of Morrisville, NC; Micro-Star International Co., Ltd. of Taiwan; and MSI Computer Corp. of City of Industry, CA. The complainant requests that the Commission issue a limited exclusion order, cease and desist orders and impose a bond during the 60-day review period pursuant to 19 U.S.C. 1337(j).

Proposed respondents, other interested parties, and members of the public are invited to file comments, not to exceed five (5) pages in length, inclusive of attachments, on any public interest issues raised by the complaint or § 210.8(b) filing. Comments should address whether issuance of the relief specifically requested by the complainant in this investigation would affect the public health and welfare in the United States, competitive conditions in the United States economy, the production of like or directly competitive articles in the United States, or United States consumers.

In particular, the Commission is interested in comments that:

(i) Explain how the articles potentially subject to the requested remedial orders are used in the United States;

(ii) identify any public health, safety, or welfare concerns in the United States relating to the requested remedial orders;

(iii) identify like or directly competitive articles that complainant, its licensees, or third parties make in the United States which could replace the subject articles if they were to be excluded;

(iv) indicate whether complainant, complainant's licensees, and/or third party suppliers have the capacity to replace the volume of articles potentially subject to the requested exclusion order and/or a cease and desist order within a commercially reasonable time; and

(v) explain how the requested remedial orders would impact United States consumers.

Written submissions on the public interest must be filed no later than by close of business, eight calendar days

after the date of publication of this notice in the **Federal Register**. There will be further opportunities for comment on the public interest after the issuance of any final initial determination in this investigation. Any written submissions on other issues should be filed no later than by close of business nine calendar days after the date of publication of this notice in the **Federal Register**. Complainant may file a reply to any written submission no later than the date on which complainant's reply would be due under § 210.8(c)(2) of the Commission's Rules of Practice and Procedure (19 CFR 210.8(c)(2)).

Persons filing written submissions must file the original document electronically on or before the deadlines stated above and submit 8 true paper copies to the Office of the Secretary by noon the next day pursuant to § 210.4(f) of the Commission's Rules of Practice and Procedure (19 CFR 210.4(f)). Submissions should refer to the docket number ("Docket No. 3358) in a prominent place on the cover page and/or the first page. (See Handbook for Electronic Filing Procedures, Electronic Filing Procedures).¹ Persons with questions regarding filing should contact the Secretary (202–205–2000).

Any person desiring to submit a document to the Commission in confidence must request confidential treatment. All such requests should be directed to the Secretary to the Commission and must include a full statement of the reasons why the Commission should grant such treatment. See 19 CFR 201.6. Documents for which confidential treatment by the Commission is properly sought will be treated accordingly. All such requests should be directed to the Secretary to the Commission and must include a full statement of the reasons why the Commission should grant such treatment. See 19 CFR 201.6.
