

upon the revenue generated by NSX members in the three tapes.<sup>7</sup>

NASD filed the proposed rule change for immediate effectiveness. NASD proposes to implement the proposed rule change (1) for Nasdaq-listed securities on the first day of operation of the NADS/NSX TRF, which is currently anticipated to be in November 2006, and (2) for non-Nasdaq exchange-listed securities on the day on which the NASD/NSX TRF commences operation with respect to such securities.

## 2. Statutory Basis

NASD believes that the proposed rule change is consistent with the provisions of Section 15A of the Act,<sup>8</sup> in general, and with Section 15A(b)(5) of the Act,<sup>9</sup> in particular, which requires, among other things, that NASD rules provide for the equitable allocation of reasonable dues, fees and other charges among members and issuers and other persons using any facility or system that NASD operates or controls. NASD believes that the proposed rule change is a reasonable and equitable fee and credit structure in that there will be no fees charged for trade reporting to the NASD/NSX TRF for locked-in transactions in exchange-listed securities effected otherwise than on an exchange, and the proposed transaction credit program is identical to existing credits for the NSX.

### B. Self-Regulatory Organization's Statement on Burden on Competition

NASD does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

### C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments were neither solicited nor received.

<sup>7</sup> See Securities Exchange Act Release Nos. 54194 (July 24, 2006), 71 FR 43258 (July 31, 2006) (SR-NSX-2006-10), and 53860 (May 24, 2006), 71 FR 31250 (June 1, 2006) (SR-NSX-2006-07). "Gross revenue" is defined under the existing NSX program the same way as under the proposed program for the NASD/Nasdaq TRF.

NASD also notes that the proposed transaction credit program is substantially equivalent to the existing transaction credit program for the NASD/Nasdaq TRF under NASD Rule 7001B. The only difference between the two programs is that under the NASD/Nasdaq TRF transaction credit program, members receive 50% of revenue after deducting any amounts that the NASD/Nasdaq TRF will be required to pay to the Consolidated Tape Association or the Nasdaq Securities Information Processor for capacity usage. Under the proposed transaction credit program for the NASD/NSX TRF, such expenses will not be deducted.

## III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not:

(i) Significantly affect the protection of investors or the public interest;

(ii) Impose any significant burden on competition; and

(iii) Become operative for 30 days from the date on which it was filed, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>10</sup> and Rule 19b-4(f)(6) thereunder.<sup>11</sup> At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

NASD has asked that the Commission waive the 30-day operative delay contained in Rule 19b-4(f)(6)(iii) under the Act.<sup>12</sup> The Commission believes such waiver is consistent with the protection of investors and the public interest, for it will allow NASD to implement the proposed rule change on the first day of operation of the NASD/NSX TRF. For these reasons, the Commission designates the proposal to be effective and operative upon filing with the Commission.<sup>13</sup>

## DEPARTMENT OF TRANSPORTATION

### Surface Transportation Board

[STB Finance Docket No. 34792]

### Portland & Western Railroad, Inc.— Acquisition and Operation Exemption—Union Pacific Railroad Company

Portland & Western Railroad, Inc. (P&W), a Class III rail carrier, has filed a verified notice of exemption under 49 CFR 1150.41 to acquire a permanent, exclusive rail freight operating easement from Union Pacific Railroad Company (UP) to operate over an approximately 5-mile rail line between milepost 749.95 in Tigard, OR, and milepost 755.43 in

<sup>14</sup> 17 CFR 200.30-3(a)(12).

Beaverton, OR. Currently, P&W conducts local and overhead freight operations on the rail line pursuant to a lease with UP. The proposed transaction will change P&W's property interest in the rail line, but P&W will continue to operate over the line as the only common carrier providing rail freight service.

P&W has certified that its projected annual revenues as a result of this transaction will not exceed the annual revenues of a Class III railroad, but will exceed \$5 million.

The transaction is scheduled to be consummated by no later than November 27, 2006.<sup>1</sup>

If the verified notice contains false or misleading information, the exemption is void *ab initio*. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the transaction.

<sup>1</sup> P&W seeks a waiver of the notice requirements of 49 CFR 1150.42(e). The Board will address that request in a separate decision. In the absence of a waiver granted by the Board on or before November 27, 2006, the earliest the transaction would be able to be consummated would be the date established by the Board as the effective date of the exemption in the decision addressing the waiver request.

An original and 10 copies of all pleadings, referring to STB Finance Docket No. 34792, must be filed with the Surface Transportation Board, 1925 K Street, NW., Washington, DC 20423-0001. In addition, a copy of any pleading filed with the Board must be sent to P&W's representative: Marc D. Machlin, 600 Fourteenth Street, NW., Washington, DC 20005.

Board decisions and notices are available on our Web site at "[WWW.STB.DOT.GOV](http://WWW.STB.DOT.GOV)."

Decided: November 16, 2006.

By the Board, David M. Konschnik, Director, Office of Proceedings.
