### II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of, and basis for, the proposed rule change, as amended, and discussed any comments it received on the proposed rule change, as amended. The text of these statements

<sup>1</sup> 15 U.S.C. 78s(b)(1).

<sup>2</sup> 17 CFR 240.19b-4.

<sup>3</sup> Partial Amendment No. 1 ("Amendment No. 1") corrects an error in the heading of Exhibit 5 of Form 19b-4.

<sup>4</sup> 17 CFR 240.19b-4(f)(6).

<sup>5</sup> The Exchange is proposing to eliminate the AON order type for equities (including Exchange Traded funds, Trust Issued Receipts and other equity traded products), options, and bonds.

may be examined at the places specified in Item IV below. The Amex has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

*A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, Proposed Rule Change*

**1. Purpose**

The Exchange proposes the elimination of the AON order type. The Amex states that, Exchange Rule 131(c) defines an AON order as a market or limited price order which is to be executed in its entirety or not at all, but, unlike a "fill or kill"<sup>6</sup> order, is not to be treated as cancelled if not executed as soon as it is represented in the Trading Crowd.

The Amex believes that, AON orders are unnecessary and should be eliminated because: (i) AON orders are infrequently used and represent a very small percentage of order flow; (ii) the resources and programming effort necessary to support AON orders cannot be justified; (iii) the availability of "immediate or cancel"<sup>7</sup> and "fill or kill" orders provide a better substitute for customers seeking similar types of executions; and (iv) AON orders cannot be represented in the Amex's published best bid/offer due to the conditional nature of the order's execution.

In support of the infrequent use of AON orders, Amex states that, an analysis of all AON equity orders on the Exchange for the months of November 2005 and December 2005 revealed that AON orders are infrequently used and represent a very small percentage of equity order flow. The Exchange notes that out of 7,854,438 and 8,736,624 orders entered on the Exchange during November 2005 and December 2005, respectively, only 53,405, or 0.68% and 54,607, or 0.63%, respectively, were

AON orders. In addition, approximately 70.1% and 72.1% of these AON orders that were entered during the respective months of November and December were cancelled.

The Amex states that, similarly, an analysis of all AON options orders on the Exchange for the months of November 2005 and December 2005 also revealed that AON orders are infrequently used and represent a very small percentage of options order flow. The Exchange notes that out of 1,093,173 and 996,564 orders entered on the Exchange during November 2005 and December 2005, respectively, only 6,857, or 0.63% and 4,278 or 0.43%, respectively, were AON orders. In addition, approximately 26.6% and 28.3% of these AON orders that were entered during the respective months of November and December were cancelled.

Additionally, Amex notes that the New York Stock Exchange (the "NYSE") filed a proposal with the Commission in July 2005 to eliminate the AON order type citing similar reasons.<sup>8</sup> The Exchange believes that the AON order type should be eliminated, and accordingly, all references to AON orders should be eliminated from relevant Amex rules.

**2. Statutory Basis**

The Exchange believes that its proposal, as amended, is consistent with section 6(b) of the Act<sup>9</sup> in general, and furthers the objectives of section 6(b)(5) of the Act<sup>10</sup> in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and national market system and, in general, to protect investors and the public interest; and is not designed to permit unfair discrimination between customers, issuers, brokers, or dealers, or to regulate by virtue of any authority conferred by the Act matters not related to the purpose of the Act or the administration of the Exchange.

*B. Self-Regulatory Organization's Statement on Burden on Competition*

The Exchange does not believe that the proposed rule change, as amended,

will impose any inappropriate burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

*C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others*

The Exchange states that, no written comments were solicited or received with respect to the proposed rule change, as amended.

**III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Because the proposed rule change, as amended, does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative for 30 days after the date of filing (or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest), the proposed rule change, as amended, has become effective pursuant to section 19(b)(3)(A) of the Act<sup>11</sup> and subparagraph (f)(6) of Rule 19b-4 thereunder.<sup>12</sup>

A proposed rule change filed under 19b-4(f)(6) normally may not become operative prior to 30 days after the date of filing.<sup>13</sup> However, Rule 19b-4(f)(6)(iii)<sup>14</sup> permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has satisfied the five-day filing requirement. In addition, the Exchange has requested that the Commission waive the 30-day pre-operative delay and designate the proposed rule change, as amended, to become upon filing. The Commission believes that waiving the 30-day pre-operative delay is consistent with the protection of investors and the public interest because it would allow the Exchange to expeditiously eliminate an infrequently used order type, which may increase the efficiency of the Exchange. The Commission also notes that this proposed rule change, as amended, is similar to SR-NYSE-2005-51.<sup>15</sup> For the reasons stated above, the Commission designates the proposal, as amended, to become effective and operative immediately.<sup>16</sup>

<sup>6</sup> The Exchange states that, Amex Rule 131(i) defines a "fill or kill" order as a market or limited price order which is to be executed in its entirety as soon as it is represented in the Trading Crowd, and such order, if not so executed, is to be treated as cancelled. The Amex states that, for purposes of this definition, a "stop" is considered an execution. The Amex states, that a fill or kill order for securities other than options sent to the order book electronically and not executed by Auto-Ex would be cancelled immediately.

<sup>7</sup> The Exchange states that, Amex Rule 131(k) defines an "immediate or cancel" order as a market or limited price order which is to be executed in whole or in part as soon as such order is represented in the Trading Crowd, and the portion not so executed is to be treated as cancelled. The Amex states that, for the purposes of this definition, a "stop" is considered an execution. The Amex states that, in the case of an immediate or cancel order for securities other than options sent to the order book electronically, any portion not executed by Auto-Ex would be cancelled automatically.

At any time within 60 days of the filing of the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in the furtherance of the purposes of the Act.<sup>17</sup>
