

DEPARTMENT OF DEFENSE**Department of the Navy****[Docket ID USN-2018-HQ-0004]****Proposed Collection; Comment Request****AGENCY:** Department of the Navy, DoD.**ACTION:** Information collection notice.

SUMMARY: In compliance with the *Paperwork Reduction Act of 1995*, the Naval Criminal Investigative Service announces a proposed public information collection and seeks public comment on the provisions thereof. Comments are invited on: Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; the accuracy of the agency's estimate of the burden of the proposed information collection; ways to enhance the quality, utility, and clarity of the information to be collected; and ways to minimize the burden of the information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

DATES: Consideration will be given to all comments received by April 30, 2018.

ADDRESSES: You may submit comments, identified by docket number and title, by any of the following methods:

- *Federal eRulemaking Portal:* <http://www.regulations.gov>. Follow the instructions for submitting comments.

Mail: Department of Defense, Office of the Chief Management Officer, Directorate of Oversight and Compliance, 4800 Mark Center Drive, Mailbox #24, Suite 08D09B, Alexandria, VA 22350-1700.

Instructions: All submissions received must include the agency name, docket number, and title for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the internet at <http://www.regulations.gov> as they are received without change, including any personal identifiers or contact information. Any associated form(s) for this collection may be located within this same electronic docket and downloaded for review/testing. Follow the instructions at <http://www.regulations.gov> for submitting comments. Please submit comments on any given form identified by docket number, form number, and title.

FOR FURTHER INFORMATION CONTACT: To request more information on this

proposed information collection or to obtain a copy of the proposal and associated collection instruments, please write to the Naval Criminal Investigative Service Headquarters, Code 23B2, 27130 Telegraph Road, Quantico, VA, 22134 or email CATCH@ncis.navy.mil.

SUPPLEMENTARY INFORMATION:

Title; Associated Form; and OMB Number: Catch Program; OMB Control Number 0703-XXXX.

Needs and Uses: The information collection requirement is necessary to assist with the identification of serial sexual assault offenders within the military services.

Affected Public: Individuals or Households.

Annual Burden Hours: 150.

Number of Respondents: 300.

Responses per Respondent: 1.

Annual Responses: 300.

Average Burden per Response: 30 minutes.

Frequency: On occasion.

Respondents are sexual assault victims who have elected to make a restricted or confidential report that precludes the initiation of a law enforcement investigation. The respondent has the option to provide information relevant to the crime via this program while keeping their identity confidential. The information provided by the respondent is reviewed by law enforcement officials, and if indicators of a possible multiple offender are identified, the respondent's advocate is contacted to determine whether or not the respondent would prefer a criminal investigation be initiated. All information collected from this program, to include the identity of a suspect, is not releasable and may not be used for any purpose unless the respondent agrees to make a formal report to law enforcement.

Dated: February 22, 2018.

Aaron Siegel,

Alternate OSD Federal Register, Liaison Officer, Department of Defense.

DEPARTMENT OF EDUCATION**[Docket No.: ED-2017-ICCD-0159]****Agency Information Collection Activities; Submission to the Office of Management and Budget for Review and Approval; Comment Request; National Blue Ribbon Schools Program**

AGENCY: Office of Communications and Outreach (OCO), Department of Education (ED).

ACTION: Notice.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, ED is proposing an extension of an existing information collection.

DATES: Interested persons are invited to submit comments on or before March 29, 2018.

ADDRESSES: To access and review all the documents related to the information collection listed in this notice, please use <http://www.regulations.gov> by searching the Docket ID number ED–2017–ICCD–0159. Comments submitted in response to this notice should be submitted electronically through the Federal eRulemaking Portal at <http://www.regulations.gov> by selecting the Docket ID number or via postal mail, commercial delivery, or hand delivery. *Please note that comments submitted by fax or email and those submitted after the comment period will not be accepted.* Written requests for information or comments submitted by postal mail or delivery should be addressed to the Director of the Information Collection Clearance Division, U.S. Department of Education, 400 Maryland Avenue SW, LBJ, Room 216–32, Washington, DC 20202–4537.

FOR FURTHER INFORMATION CONTACT: For specific questions related to collection activities, please contact Aba Kumi, 202–401–1767.

SUPPLEMENTARY INFORMATION: The Department of Education (ED), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: National Blue Ribbon Schools Program.

OMB Control Number: 1860–0506.

Type of Review: An extension of an existing information collection.

Respondents/Affected Public: State, Local, and Tribal Governments.

Total Estimated Number of Annual Responses: 420.

Total Estimated Number of Annual Burden Hours: 16,800.

Abstract: Each year since 1982, the U.S. Department of Education's National Blue Ribbon Schools Program has sought out and celebrated great American schools; schools that are demonstrating that all students can achieve to high levels. The purpose of the Program is to honor public and private elementary, middle and high schools based on their overall academic excellence or their progress in closing achievement gaps among different groups of students. The Program is part of a larger U.S. Department of Education effort to identify and disseminate knowledge about best school leadership and teaching practices.

Final Determination Regarding Energy Efficiency Improvements in ANSI/ASHRAE/IES Standard 90.1–2016: Energy Standard for Buildings, Except Low-Rise Residential Buildings

AGENCY: Office of Energy Efficiency and Renewable Energy, Department of Energy.

ACTION: Notice of order.

SUMMARY: After receiving and reviewing public comments, the U.S. Department of Energy (DOE) issues this Order finalizing DOE's determination that the 2016 edition of the ANSI/ASHRAE/IES Standard 90.1: Energy Standard for Buildings, Except Low-Rise Residential Buildings improves overall energy efficiency in buildings subject to the code compared to the 2013 edition of Standard 90.1.

DATES: This Order applies as of February 27, 2018.

ADDRESSES: A copy of the final analysis is available at <https://www.energycodes.gov/development/determinations>.

SUPPLEMENTARY INFORMATION:

I. Background

Title III of the Energy Conservation and Production Act, as amended (ECPA), establishes requirements for building energy conservation standards, administered by the DOE Building Energy Codes Program. (42 U.S.C. 6831 *et seq.*) Section 304(b), of ECPA, as amended, provides that whenever the ANSI/ASHRAE/IESNA Standard 90.1–1989 (Standard 90.1–1989 or 1989 edition), or any successor to that code, is revised, the Secretary of Energy (Secretary) must make a determination, not later than 12 months after such revision, whether the revised code would improve energy efficiency in commercial buildings required to meet the standard, and must publish notice of such determination in the **Federal Register**. (42 U.S.C. 6833(b)(2)(A)) If the Secretary makes an affirmative determination, within two years of the publication of the determination, each State is required to certify that it has reviewed and updated the provisions of its commercial building code regarding energy efficiency with respect to the revised or successor code and include in its certification a demonstration that the provisions of its commercial building code, regarding energy efficiency, meet or exceed the revised Standard. (42 U.S.C. 6833(b)(2)(B)(i))

Standard 90.1–2016, the most recent edition, was published by ASHRAE in October 2016, triggering the statutorily-required DOE review process. The Standard is developed under ANSI-approved consensus procedures, and is under continuous maintenance by an ASHRAE Standing Standard Project Committee (commonly referenced as SSPC 90.1). ASHRAE has an established program for regular publication of addenda, or revisions, including procedures for timely, documented, consensus action on requested changes to the Standard. More information on the consensus process and ANSI/ASHRAE/IES Standard 90.1–2016 is available at: <https://www.ashrae.org/resources-publications/bookstore/standard-90-1>.

To meet the statutory requirement, DOE conducted a preliminary analysis to quantify the expected energy savings associated with Standard 90.1–2016 relative to the previous 2013 version. The preliminary analysis is available at: <https://www.regulations.gov/document?D=EERE-2014-BT-DET-0009-0001>.
