

the CPS will be available on respondents to the Supplement. Comparisons of volunteer activities will be possible across characteristics such as sex, race, age, and educational attainment of the respondent. It is intended that the Supplement will be conducted annually, if resources permit, in order to gauge changes in volunteerism.

## II. Current Action

Office of Management and Budget clearance is being sought for the CPS Volunteer Supplement. The September 2006 instrument includes some revisions made since the September 2005 instrument. A follow-up question to the ones that determine volunteer status was added to probe for volunteering for religious organizations. A question was added to determine the main activity a volunteer performs for his main organization. Two questions were added to determine if individuals had attended public meetings or worked with neighbors to improve something, and how frequently these events occurred. The questions on volunteering abroad and those asked of people who no longer volunteer were dropped.

*Type of Review:* Reinstatement, with change, of a previously approved collection for which approval has expired.

*Agency:* Bureau of Labor Statistics.

*Title:* CPS Volunteer Supplement.

*OMB Number:* 1220-0176.

*Affected Public:* Households.

*Total Respondents:* 58,000.

*Frequency:* Annually.

*Total Responses:* 112,000

*Average Time Per Response:* 4 minutes.

*Estimated Total Burden Hours:* 7,467 hours.

*Total Burden Cost (capital/startup):* \$0.

*Total Burden Cost (operating/maintenance):* \$0.

## III. Desired Focus of Comments

The Bureau of Labor Statistics is particularly interested in comments that:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and

- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

Comments submitted in response to this notice will be summarized and/or included in the request for Office of Management and Budget approval of the information collection request; they also will become a matter of public record.

Signed at Washington, DC, this 14th day of February, 2006.

**Kimberley Hill,**

*Acting Chief, Division of Management Systems, Bureau of Labor Statistics.*

## NUCLEAR REGULATORY COMMISSION

[Docket Nos. 50-317, 50-318, and 72-8]

### Calvert Cliffs Nuclear Power Plant, Inc.; Calvert Cliffs Nuclear Power Plant, Unit Nos. 1 and 2; Calvert Cliffs Independent Spent Fuel Storage Installation; Notice of Consideration of Approval of Application; Regarding Proposed Merger and Opportunity for a Hearing

The U.S. Nuclear Regulatory Commission (the Commission) is considering the issuance of an order under 10 CFR 50.80 and 72.50 approving the indirect transfer of the Renewed Facility Operating Licenses, which are numbered DPR-53 and DPR-69, for Calvert Cliffs Nuclear Power Plant, Unit Nos. 1 and 2, respectively, and the Materials License, which is numbered SNM-2505, for the Calvert Cliffs Independent Spent Fuel Storage Installation, currently held by Calvert Cliffs Nuclear Power Plant, Inc. (CCNPP, Inc.), as owner and licensed operator.

According to an application for approval filed by Constellation Generation Group, LLC (CGG), on behalf of CCNPP Inc., in connection with the merger of CGG's parent company, Constellation Energy Group, Inc. (CEG, Inc.) and FPL Group, Inc. (FPL Group), FPL Group will become a wholly owned subsidiary of CEG, Inc. At the closing of the merger, the former shareholders of FPL Group will own approximately 60% of the outstanding stock of CEG, Inc., and the pre-merger shareholders of CEG, Inc., will own the remaining approximately 40%. In addition, the CEG, Inc., board of directors will be composed of fifteen members, nine of whom will be named by FPL Group, and six of whom will be named by the current CEG, Inc. CCNPP, Inc. will continue to own and operate the facilities and hold the licenses.

No physical changes to the facility or operational changes are being proposed in the application.

Pursuant to 10 CFR 50.80 and 72.50, no license, or any right thereunder, shall

be transferred, directly or indirectly, through transfer of control of the license, unless the Commission shall give its consent in writing. The Commission will approve the application for the indirect transfer of a license, if the Commission determines that the proposed merger will not affect the qualifications of the licensee to hold the license, and that the transfer is otherwise consistent with applicable provisions of law, regulations, and orders issued by the Commission pursuant thereto.

The filing of requests for hearing and petitions for leave to intervene, and written comments with regard to the license transfer application, are discussed below.

Within 20 days from the date of publication of this notice, any person whose interest may be affected by the Commission's action on the application may request a hearing and, if not the applicant, may petition for leave to intervene in a hearing proceeding on the Commission's action. Requests for a hearing and petitions for leave to intervene should be filed in accordance with the Commission's rules of practice set forth in Subpart C "Rules of General Applicability: Hearing Requests, Petitions to Intervene, Availability of Documents, Selection of Specific Hearing Procedures, Presiding Officer Powers, and General Hearing Management for NRC Adjudicatory Hearings," of 10 CFR Part 2. In particular, such requests and petitions must comply with the requirements set forth in 10 CFR 2.309. Untimely requests and petitions may be denied, as provided in 10 CFR 2.309(c)(1), unless good cause for failure to file on time is established. In addition, an untimely request or petition should address the factors that the Commission will also consider, in reviewing untimely requests or petitions, set forth in 10 CFR 2.309(c)(1)(i) through (viii).

Requests for a hearing and petitions for leave to intervene should be served upon Mr. Jay M. Gutierrez at Morgan, Lewis & Bockius, LLP, 1111 Pennsylvania Avenue, Washington, DC 20004, telephone: 202-739-5466, fax: 202-739-3001, and e-mail [jgutierrez@morganlewis.com](mailto:jgutierrez@morganlewis.com); the General Counsel, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001 (e-mail address for filings regarding license transfer cases only: [OGCLT@NRC.gov](mailto:OGCLT@NRC.gov)); and the Secretary of the Commission, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, Attention: Rulemakings and Adjudications Staff, in accordance with 10 CFR 2.302 and 2.305.

The Commission will issue a notice or order granting or denying a hearing request or intervention petition, designating the issues for any hearing that will be held and designating the Presiding Officer. A notice granting a hearing will be published in the **Federal Register** and served on the parties to the hearing.

As an alternative to requests for hearing and petitions to intervene, within 30 days from the date of publication of this notice, persons may submit written comments regarding the license transfer application, as provided for in 10 CFR 2.1305. The Commission will consider and, if appropriate, respond to these comments, but such comments will not otherwise constitute part of the decisional record. Comments should be submitted to the Secretary, U.S. Nuclear Regulatory Commission, Washington, DC 20555-0001, Attention: Rulemakings and Adjudications Staff, and should cite the publication date and page number of this **Federal Register** notice.

For further details with respect to this action, see the application dated January 23, 2006, available for public inspection at the Commission's Public Document Room (PDR), located at One White Flint North, Public File Area O1 F21, 11555 Rockville Pike (first floor), Rockville, Maryland. Publicly available records will be accessible electronically from the Agency wide Documents Access and Management System's (ADAMS) Public Electronic Reading Room on the Internet at the NRC Web site, <http://www.nrc.gov/reading-rm/adams.html>. Persons who do not have access to ADAMS or who encounter problems in accessing the documents located in ADAMS, should contact the NRC PDR Reference staff by telephone at 1-800-397-4209, 301-415-4737 or by e-mail to [pdr@nrc.gov](mailto:pdr@nrc.gov).

Dated at Rockville, Maryland, this 13th day of February 2006.

For the Nuclear Regulatory Commission.

**Patrick D. Milano,**

*Senior Project Manager, Plant Licensing Branch I-1, Division of Operating Reactor Licensing, Office of Nuclear Reactor Regulation.*

BILLING CODE 7590-01-P

## NUCLEAR REGULATORY COMMISSION

[Docket No. 50-414]

### Duke Energy Corporation, North Carolina Power Agency No. 1, Piedmont Municipal Power Agency, Notice of Consideration of Issuance of Amendment to Facility Operating License and Opportunity for a Hearing

The U.S. Nuclear Regulatory Commission (the Commission) is considering issuance of an amendment to Renewed Facility Operating License No. NPF-52, issued to Duke Energy Corporation (the licensee), for operation of the Catawba Nuclear Station, Unit 2 located in York County, South Carolina.

The proposed amendment would revise the Technical Specifications and Operating License on a one-time basis, to modify the steam generator tube repair criteria and add more restrictive steam generator primary to secondary leakage limits for end of cycle 14 and operating cycle 15.

Before issuance of the proposed license amendment, the Commission will have made findings required by the Atomic Energy Act of 1954, as amended (the Act), and the Commission's regulations.

Within 60 days after the date of publication of this notice, the licensee may file a request for a hearing with respect to issuance of the amendment to the subject facility operating license and any person whose interest may be affected by this proceeding and who wishes to participate as a party in the proceeding must file a written request for a hearing and a petition for leave to intervene. Requests for a hearing and a petition for leave to intervene shall be filed in accordance with the Commission's "Rules of Practice for Domestic Licensing Proceedings" in 10 CFR part 2. Interested persons should consult a current copy of 10 CFR 2.309, which is available at the Commission's public document room (PDR), located at One White Flint North, Public File Area O1F21, 11555 Rockville Pike (first floor), Rockville, Maryland. Publicly available records will be accessible from the Agencywide Documents Access and Management System's (ADAMS) Public Electronic Reading Room on the Internet at the NRC Web site, <http://www.nrc.gov/reading-rm/doc-collections/cfr/>. If a request for a hearing or petition for leave to intervene is filed by the above date, the Commission or a presiding officer designated by the Commission or by the Chief Administrative Judge of the Atomic Safety and Licensing Board Panel, will rule on the request and/or petition; and
