# DEPARTMENT OF HOMELAND SECURITY

# Federal Emergency Management Agency

# 44 CFR Part 67

[Docket No. FEMA-D-7646]

# Proposed Flood Elevation Determinations

**AGENCY:** Federal Emergency Management Agency (FEMA), Department of Homeland Security, Mitigation Division.

**ACTION:** Proposed rule.

SUMMARY: Technical information or comments are requested on the proposed Base (1% annual chance) Flood Elevations (BFEs) and proposed BFE modifications for the communities listed below. The BFEs are the basis for the floodplain management measures that the community is required either to adopt or to show evidence of being already in effect in order to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP).

**DATES:** The comment period is ninety (90) days following the second publication of this proposed rule in a newspaper of local circulation in each community.

ADDRESSES: The proposed BFEs for each community are available for inspection at the office of the Chief Executive Officer of each community. The respective addresses are listed in the table below.

## FOR FURTHER INFORMATION CONTACT:

Doug Bellomo, P.E., Hazard Identification Section, FEMA, 500 C Street, SW., Washington, DC 20472, (202) 646–2903.

**SUPPLEMENTARY INFORMATION:** FEMA proposes to make determinations of BFEs and modified BFEs for each community listed below, in accordance with Section 110 of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4104, and 44 CFR 67.4(a).

These proposed base flood elevations and modified BFEs, together with the floodplain management criteria required by 44 CFR 60.3, are the minimum that are required. They should not be construed to mean that the community must change any existing ordinances that are more stringent in their floodplain management requirements. The community may at any time enact stricter requirements of its own, or pursuant to policies established by other Federal, state or regional entities. These proposed elevations are used to meet the floodplain management requirements of the NFIP and are also used to calculate the appropriate flood insurance premium rates for new buildings built after these elevations are made final, and for the contents in these buildings.

National Environmental Policy Act. This proposed rule is categorically excluded from the requirements of 44 CFR part 10, Environmental Consideration. No environmental impact assessment has been prepared.

Regulatory Flexibility Act. The Mitigation Division Director certifies that this proposed rule is exempt from the requirements of the Regulatory Flexibility Act because proposed or modified BFEs are required by the Flood Disaster Protection Act of 1973, 42 U.S.C. 4105, and are required to establish and maintain community eligibility in the NFIP. As a result, a regulatory flexibility analysis has not been prepared.

Regulatory Classification. This proposed rule is not a significant regulatory action under the criteria of Section 3(f) of Executive Order 12866 of September 30, 1993, Regulatory Planning and Review, 58 FR 51735.

Executive Order 13132, Federalism. This rule involves no policies that have federalism implications under Executive Order 13132.

Executive Order 12988, Civil Justice Reform. This rule meets the applicable standards of Executive Order 12988.

# List of Subjects in 44 CFR Part 67

Administrative practice and procedure, Flood insurance, Reporting and recordkeeping requirements.

Accordingly, 44 CFR part 67 is proposed to be amended as follows:

# PART 67—[AMENDED]

1. The authority citation for part 67 continues to read as follows:

**Authority:** 42 U.S.C. 4001 *et seq.*; Reorganization Plan No. 3 of 1978, 3 CFR, 1978 Comp., p. 329; E.O. 12127, 44 FR 19367, 3 CFR, 1979 Comp., p. 376.

# § 67.4 [Amended]

2. The tables published under the authority of § 67.4 are proposed to be amended as follows:

Source of flooding	Location	# Depth in feet above ground * Elevation in feet (NGVD) • (Elevation in feet (NAVD)		Communities affected		
		Existing	Modified			
NORTH CAROLINA Alamance County						
Back Creek	At the confluence with West Black Creek and Michaels Branch.	None	•576	Alamance County (Unincorporated Areas).		
	At the Guilford County/Town of Gibsonville jurisdictional boundary.	None	•616	City of Burlington, Town of Gibsonville.		
Back Creek Tributary 2	At the confluence with Back Creek	None	•589	Alamance County (Unincorporated Areas).		
	Approximately 0.7 mile upstream of the Alamance/Guilford County boundary.	None	•667	City of Burlington, Town of Gibsonville.		
Buttermilk Creek Tributary 1.	At the confluence with Buttermilk Creek	None	•601	Alamance County (Unincorporated Areas).		

		#Donth in	foot obovo
