SUPPLEMENTARY INFORMATION: On March 24, 1995, pursuant to its authority under 39 U.S.C. 3621 *et seq.*, the Postal Service filed with the Postal Rate Commission (PRC) a request for a recommended decision on a number of mail classification reform proposals ("Classification Reform I"), PRC Docket No. MC95-1. The PRC published a notice in the Federal Register on April 3, 1995 (60 FR 16888-16893) describing the Postal Service's request and offering interested parties an opportunity to intervene.

On January 26, 1996, the PRC issued an Opinion and Recommended Decision 2 in Docket No. MC95-1. The PRC's recommendation made significant revisions to some of the mail classification structure and rates requested by the Postal Service and included classification recommendations that were not based on those proposed by the Postal Service.

On March 4, 1996, the Governors of the Postal Service, pursuant to their authority under 39 U.S.C. 3625, acted on the PRC's Recommended Decision in Docket No. MC95-1 in two separate decisions. In one decision, the Governors rejected the PRC's recommendations regarding Courtesy Envelope Mail and Bulk Parcel Post. Decision of the Governors of the United States Postal Service on the Recommended Decision of the Postal Rate Commission on Courtesy Envelope Mail and Bulk Parcel Post, Docket No. MC95-1 (March 4, 1996). In the second decision, the Governors approved the remainder of the PRC's Classification Reform recommendations and accompanying rate changes. Decision of the Governors of the United States Postal Service on the Recommended Decision of the Postal Rate Commission on Classification Reform I, Docket No. MC95-1 (March 4, 1996). A copy of the

attachments to that Decision, setting forth the classification and rate changes approved by the Governors, is set forth below.

Also on March 4, 1996, the Board of Governors of the Postal Service, pursuant to their authority under 39 U.S.C. 3625(f), determined to implement the rate and classification changes approved by the Governors effective at 12:01 a.m. on July 1, 1996 (Resolution No. 96-2).

In accordance with the Decision of the Governors and Resolution No. 96-2, the Postal Service hereby gives notice that the classification and rate changes set forth below will become effective at 12:01 a.m. on July 1, 1996.

Implementing regulations also become effective at that time, as noted elsewhere in this issue.

Chief Counsel, Legislative.

412.2 Dissemination of Information. A General Publication must be originated and published for the purpose of disseminating information of a public character, or devoted to literature, the sciences, art, or some special industry.

412.3 Paid Circulation.

412.31 Total Distribution. A General Publication must be designed primarily for paid circulation. At least 50 percent or more of the copies of the publication must be distributed to persons who have paid above a nominal rate.

412.32 List of Subscribers. A General Publication must be distributed to a legitimate list of persons who have subscribed by paying or promising to pay at a rate above nominal for copies to be received during a stated time. Copies mailed to persons who are not on a legitimate list of subscribers are nonsubscriber copies.

412.33 Nominal Rates. As used in section 412.31, nominal rate means:

- a. A token subscription price that is so low that it cannot be considered a material consideration;
- b. A reduction to the subscriber, under a premium offer or any other arrangements, of more than 50 percent of the amount charged at the basic

annual rate for a subscriber to receive one copy of each issue published during the subscription period. The value of a premium is considered to be its actual cost to the publishers, the recognized retail value, or the represented value, whichever is highest.

412.34 Nonsubscriber Copies.

412.341 *Up to Ten Percent.*

Nonsubscriber copies, including sample and complimentary copies, mailed at any time during the calendar year up to and including 10 percent of the total number of copies mailed to subscribers during the calendar year are mailable at the rates that apply to subscriber copies provided that the nonsubscriber copies would have been eligible for those rates if mailed to subscribers.

412.35 Advertiser's Proof Copies.

One complete copy of each issue of a General Publication may be mailed to each advertiser in that issue as an advertiser's proof copy at the rates that apply to subscriber copies, whether the advertiser's proof copy is mailed to the advertiser directly or, instead, to an advertising representative or agent of the publication. These copies count as subscriber copies.

412.36 Expired Subscriptions. For six months after a subscription has expired, copies of a General Publication may be mailed to a former subscriber at the rates that apply to copies mailed to subscribers, if the publisher has attempted during that six months to obtain payment, or a promise to pay, for renewal. These copies do not count as subscriber copies.

It must have a legitimate list of persons who request the publication, and 50 percent or more of the copies of the publication must be distributed to persons making such requests. Subscription copies paid for or promised to be paid for, including those at or below a nominal rate may be included in the determination of whether the 50 percent request requirement is met. Persons will not be deemed to have requested the publication if their request is induced by a premium offer or by receipt of material consideration, provided that mere receipt of the publication is not material consideration.

413.42 Nonrequester Copies.

413.421 *Up to Ten Percent.*

General Definitions, Terms and Conditions

1000 General Definitions

As used in this Domestic Mail Classification Schedule, the following terms have the meanings set forth below.

1001 [01] Advertising

Advertising includes all material for the publication of which a valuable consideration is paid, accepted, or promised, that calls attention to something for the purpose of getting people to buy it, sell it, seek it, or support it. If an advertising rate is charged for the publication of reading matter or other material, such material shall be deemed to be advertising. Articles, items, and notices in the form of reading matter inserted in accordance with a custom or understanding that textual matter is to be inserted for the advertiser or his products in the publication in which a display

advertisement appears are deemed to be advertising. If a publisher advertises his own services or publications, or any other business of the publisher, whether in the form of display advertising or editorial or reading matter, this is deemed to be advertising.

1002 [02] Aspect Ratio

Aspect ratio is the ratio of width to length.

1003 [03] Bills and Statements of Account

1003.1 [Bills and statements of account are defined as follows:

- a.] A bill is a request for payment of a definite sum of money claimed to be owing by the addressee either to the sender or to a third party. The mere assertion of an indebtedness in a definite sum combined with a demand for payment is sufficient to make the message a bill.

1003.2 [b.] A statement of account is the assertion of the existence of a debt in a definite amount but which does not necessarily contain a request or a demand for payment. The amount may be immediately due or may become due after a certain time or upon demand or billing at a later date.

1003.3 [c.] A bill or statement of account must present the particulars of an indebtedness with sufficient definiteness to inform the debtor of the amount he is required to pay to acquit himself of the debt. However, neither a bill nor a statement of account need state the precise amount if it contains sufficient information to enable the debtor to determine the exact amount of the claim asserted.

1003.4 [d.] A bill or statement of account is not the less a bill or statement of account merely because the amount claimed is not in fact owing or may not be legally collectible.

Full rates are rates approved by the Governors of the Postal Service in accordance with Title 39 U.S.C., which are not reduced rates as set forth in title 39 U.S.C. 3626.]

Permit imprints are printed indicia indicating postage has been paid by the sender under the permit number shown.

[.08 Phased Rates

4000 Postal Zones

4010 Geographic Units of Area

[4000.010] In the determination of postal zones, the earth is considered to be divided into units of area thirty minutes square, identical with a quarter of the area formed by the intersecting parallels of latitude and meridians of longitude. The distance between these units of area is the basis of the postal zones. [which are defined as follows:]

4020 Measurement of Zone Distances

[4000.011] The distance upon which zones are based shall be measured from the center of the unit of area containing the dispatching sectional center facility or multi-ZIP coded post office not serviced by a sectional center facility. A post office of mailing and a post office of delivery shall have the same zone relationship as their respective sectional center facilities or multi-ZIP coded post offices, but this shall not cause two post offices to be regarded as within the same local zone.

4030 Definition of Zones

4031 *Local Zone.* The local zone applies to mail mailed at any post office for delivery at that office; at any city letter carrier office or at any point within its delivery limits for delivery by carriers from that office; at any office from which a rural route starts for delivery on the same route; and on a rural route for delivery at the office from which the route starts or on any rural route starting from that office.

4032 *First Zone.* The first zone includes all territory within the quadrangle of entry in conjunction with every contiguous quadrangle, representing an area having a mean radial distance of approximately 50 miles from the center of a given unit of area. The first zone also applies to mail between two post offices in the same sectional center.

4033 *Second Zone.* The second zone includes all units of area outside the first zone lying in whole or in part within a radius of approximately 150

miles from the center of a given unit of area.

4034 *Third Zone.* The third zone includes all units of area outside the second zone lying in whole or in part within a radius of approximately 300 miles from the center of a given unit of area.

4035 *Fourth Zone.* The fourth zone includes all units of area outside the third zone lying in whole or in part within a radius approximately 600 miles from the center of a given unit of area.

4036 *Fifth Zone.* The fifth zone includes all units of area outside the fourth zone lying in whole or in part within a radius of approximately 1,000 miles from the center of a given unit of area.

4037 *Sixth Zone.* The sixth zone includes all units of area outside the fifth zone lying in whole or in part within a radius of approximately 1,400 miles from the center of a given unit of area.

4038 *Seventh Zone.* The seventh zone includes all units of area outside the sixth zone lying in whole or in part within a radius of approximately 1,800 miles from the center of a given unit of area.

4039 *Eighth Zone.* The eighth zone includes all units of area outside the seventh zone.

4040 Zoned Rates

[4000.012] Except as provided in section 4050, [below,] rates according to zone apply for zone-rated mail sent between Postal Service facilities including armed forces post offices, wherever located.

4050 APO/FPO Mail

4051 *General.* [a.] Except as provided in section 4052, [t]he rates of postage for zone-rated mail transported between the United States, [the Canal Zone, Puerto Rico] or the possessions or territories of the United States, [including the Trust Territory of the Pacific Islands,] on the one hand, and Army, Air Force and Fleet Post Offices on the other, or among the latter, shall be the applicable zone rates for mail between the place of mailing or delivery and the city of the postmaster serving the Army, Air Force or Fleet Post Office concerned. [, subject to the following exception:]

4052 *Transit Mail.* [i.] The rates of postage for zone-rated mail which is mailed at or addressed to an armed forces post office and which is transported directly to or from armed forces post offices at the expense of the Department of Defense, without transiting any of the 48 contiguous states (including the District of

Columbia), shall be the applicable local zone rate; provided, however, that if the distance from the place of mailing to the embarkation point or the distance from the point of debarkation to the place of delivery is greater than the local zone for such mail, postage shall be assessed on the basis of the distance from the place of mailing to the embarkation point or the distance from the point of debarkation to the place of delivery of such mail, as the case may be. [(a)] The word "transiting" does not include enroute transfers at coastal gateway cities which are necessary to transport military mail directly between military post offices.

5000 Privacy of Mail

5010 First-Class and Express Mail

[5000.011] Matter mailed as First-Class Mail or Express Mail shall be treated as mail which is sealed against postal inspection and shall not be opened except as authorized by law.

5020 All Other Mail

[5000.010] Matter not paid at First-Class Mail or Express Mail rates must be wrapped or secured in the manner prescribed by the Postal Service so that the contents may be examined. Mailing of sealed items as other than First-Class Mail or Express Mail is considered

consent by the sender to the postal inspection of the contents.

iii. [(c)] at least 5 inches in length.

6030 Maximum Size and Weight Standards

Where applicable, the maximum size and weight standards for each class of mail are set forth in sections 130, 230, 330 and 430. Additional limitations may be applicable to specific subclasses, and rate and discount categories as provided in the eligibility provisions for each subclass or category.
