BILLING CODE 3510-13-M

National Oceanic and Atmospheric Administration

[Docket No. 960322090-6090-01; I.D. 032696A]

Weakfish; Interstate Fishery Management Plan

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Notice of determination of compliance; cancellation of moratorium.

SUMMARY: In accordance with the Atlantic Coastal Fisheries Cooperative Management Act of 1993 (Act), NOAA announces the cancellation of the planned Federal moratorium on weakfish in the coastal waters of Maryland that would have become effective on April 15, 1996. The intent to impose the moratorium was cancelled upon notification to the Secretary of Commerce (Secretary) by the Atlantic States Marine Fisheries Commission (Commission) that Maryland is in compliance with the provisions of the Commission's Interstate Fishery Management Plan (FMP) for weakfish, and after NOAA determined that the State of Maryland is now in compliance.

EFFECTIVE DATE: The determination to impose the moratorium is cancelled on March 29, 1996.

FOR FURTHER INFORMATION CONTACT: Richard H. Schaefer, Director, Office of Fisheries Conservation and Management, NMFS, 301-713-2334.

SUPPLEMENTARY INFORMATION:

Background

On February 20, 1996, the Secretary published a notice in the Federal Register (61 FR 6351) that the State of Maryland was not in compliance with the Commission's FMP for weakfish. The notice document declared a moratorium on fishing for this species in the State waters of Maryland, effective April 15, 1996, if the State of Maryland was not in compliance by April 1, 1996. Details were provided in the February 20, 1996, Federal Register notice and are not repeated here.

The Act specifies that, if, after a moratorium is declared, the Secretary is notified by the Commission that it is withdrawing the determination of noncompliance, the Secretary shall immediately determine whether the State is in compliance with the applicable plan(s). If the State is in compliance, the moratorium shall be cancelled.

Activities Pursuant to the Act

On March 6, 1996, the Secretary received a letter (dated March 5, 1996) from the Commission stating that the State of Maryland had now implemented regulations for the weakfish fishery which meet the provisions of the Commission's FMP, and, therefore, the Commission was withdrawing its determination of noncompliance.

Cancellation of Moratorium

Based on the Commission's March 5, 1996, letter, and information received from the State of Maryland and the U.S. Fish and Wildlife Service, Department of the Interior, NOAA has determined that Maryland is now in compliance with the Commission's FMP for weakfish. Accordingly, the declaration of a moratorium on Maryland is cancelled.

Dated: March 29, 1996.

Program Management Officer, National Marine Fisheries Service.
