

2. Temperature of chamber.
3. Receptor fluid pH.
4. Barrier property validation.
5. Maintenance of glucose utilization (if using viable skin).
6. Analysis of receptor fluid for radioactivity or test chemical and metabolites (if using viable skin).

3. Results

The permeability constant (Kp) or short-term absorption rate shall be presented. In addition, all raw data from each individual diffusion cell shall be maintained to support the calculations of permeability constants and short-term exposure rates. When radiolabelled compounds are used, a full balance of the radioactivity shall be presented, including cell rinsings and stability of the test substance in the donor compartment.

VI. Public Docket

A. Materials Contained in the Docket

EPA has established a docket for this action (to include paper versions of comments in electronic form) under docket control number OPPTS-42186A (FRL-5359-3). B. Submissions to the Docket in Electronic Form

Proposals in electronic form may be sent directly to EPA at:
ncic@epamail.epa.gov

Proposals in electronic form must be submitted as ASCII files and must avoid the use of special characters and any form of encryption.

The official record of this action, as well as the public version, will be maintained in paper form. Accordingly, EPA will transfer all proposals received electronically into paper form as they are received and will place the paper copies in the official record which will also include all proposals submitted directly in writing. The official record is the paper record maintained at the address in "ADDRESSES" at the beginning of this document.

FEDERAL DEPOSIT INSURANCE CORPORATION

Agency Information Collection Activities: Proposed Collection; Comment Request

AGENCY: Federal Deposit Insurance Corporation (FDIC).

ACTION: Notice and request for comment.

BACKGROUND: In accordance with the requirements of the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35), the FDIC may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid Office of Management and Budget (OMB) control number. A proposed renewal of the following currently approved collection of information is hereby published for comment. At the end of the comment period, the comments and recommendations received will be analyzed to determine the extent to which the collection should be modified prior to submission to OMB for review and approval. Comments are invited on: (a) Whether the collection of information is necessary for the proper performance of the FDIC's functions, including whether the information has practical utility; (b) the accuracy of the

estimate of the burden of the information collection, including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

DATES: Comments must be submitted on or before June 3, 1996.

ADDRESSES: Interested parties are invited to submit written comments to Steven F. Hanft, FDIC Clearance Officer, (202) 898-3907, Office of the Executive Secretary, Federal Deposit Insurance Corporation, 550 17th Street N.W., Washington, D.C. 20429. All comments should refer to the OMB control number 3064-0027. Comments may be hand-delivered to Room F-400, 1776 F Street, N.W., Washington, D.C. 20429, on business days between 8:30 a.m. and 5:00 p.m. [FAX number (202) 898-3838; Internet address: comments@fdic.gov].

A copy of the comments may also be submitted to the OMB desk officer for the agencies: Milo Sunderhauf, Office of Information and Regulatory Affairs, Office of Management and Budget, New Executive Office Building, Room 3208, Washington, D.C. 20503.

SUPPLEMENTARY INFORMATION:

Proposal To Renew the Following Currently Approved Collection of Information

Title: Notification of Performance of Bank Services.

Form Number: FDIC 6120/06.

OMB Number: 3064-0029.

Frequency of Response: On occasion.

Affected Public: Insured state nonmember banks.

Estimated Number of Respondents: 175.

Estimated Time per Response: 0.5 hours.

Estimated Total Annual Burden: 87.5 burden hours.

General Description of Collection: Insured state nonmember banks are required to notify the FDIC, under section 7 of the Bank Service Corporation Act (12 U.S.C. 1867), of any relationship with a bank service corporation. The form FDIC 6120/06, Notification of Performance of Bank Services, may be used by banks to satisfy the notification requirement. In lieu of the form, a bank may satisfy the notification requirement by submitting a letter stating the name of the servicer, the address at which the service is being performed, the service being performed, and the date the service commenced. According to the Bank Service Corporation Act, the service becomes subject to examination and regulation by federal bank regulatory agencies to the same extent as if the service were performed by the bank on its own premises.
