[AAG/A Order No. 118-96]

Privacy Act of 1974; Modified System of Records

Pursuant to the Privacy Act of 1974 (5 U.S.C. 552a), the Immigration and Naturalization Service (INS), Department of Justice, proposes to modify the following system of records—previously published November 7, 1995, (60 FR 56165):

The Immigration and Naturalization Service (INS)

Alien File (A-File) and Central Index System (CIS), Justice/INS-001A

To comply with a provision of a settlement agreement reached in *Amwest Insurance Company v. Reno*, Civil No. 93 3256 JSL (Shx), filed in the Central District of California, INS proposes to modify routine use disclosure provision P. Routine use "P" permits the disclosure of information to an obligor who has posted an immigration bond. However, this disclosure provision currently permits disclosure after the individual has failed to appear at a deportation hearing (or similar proceeding). It is now being modified to permit disclosure in time to assist the obligor in locating the individual prior to the hearing. Disclosure under the modified routine use may reduce the chance that the bond will be breached for failure to deliver the alien.

Title 5 U.S.C. 552a(e) (4) and (11) provide that the public be given a 30-day period in which to comment on proposed new routine use disclosures. The Office of Management and Budget (OMB), which has oversight responsibilities under the Act, requires a 40-day period in which to conclude its review of the proposal.

Therefore, please submit any comments by May 8, 1996. The public, OMB, and the Congress are invited to send written comments to Patricia E. Neely, Program Analyst, Information

Management and Security Staff, Justice Management Division, Department of Justice, Washington, DC 20530 (Room 850, WCTR Building).

In accordance with 5 U.S.C. 552a(r), the Department has provided a report to OMB and the Congress on the proposed modification.

Dated: March 26, 1996.

Stephen R. Colgate,
Assistant Attorney General for
Administration.
