BILLING CODE 4130-02-M

Food and Drug Administration

Public Information; List of All Memoranda of Understanding and Agreements Between FDA and State or Local Government Agencies; Availability; Update

AGENCY: Food and Drug Administration, HHS.

ACTION: Notice; update.

SUMMARY: The Food and Drug Administration (FDA) is publishing an update of the September 1993 list of all memoranda of understanding (MOU's) that are cooperative work-sharing agreements currently in effect between FDA and State or local government agencies. FDA publishes this list to provide information to the public on these agreements. The full text of any of the listed MOU's is available from FDA on request.

ADDRESSES: Submit written requests for single copies of any of the listed MOU's

to the Division of Federal-State Relations (HFC-150), Food and Drug Administration, 5600 Fishers Lane, rm. 12-07, Rockville, MD 20857. Requests should be identified with the Compliance Policy Guide (CPG) number and title of the document. The listed MOU's are also available for public examination in the office of the Freedom of Information Staff, Food and Drug Administration, 5600 Fishers Lane, rm. 12A-16, Rockville, MD 20857, between 9 a.m. and 4 p.m., Monday through Friday.

FOR FURTHER INFORMATION CONTACT: Glenn Johnson, Division of Federal-State Relations (HFC-152), Food and Drug Administration, 5600 Fishers Lane, Rockville, MD 20857, 301-443-3360.

SUPPLEMENTARY INFORMATION: In the Federal Register of September 20, 1993 (58 FR 48794), FDA published a final rule exempting from publication in the Federal Register the full text of those MOU's that are cooperative work-sharing agreements between FDA and State or local government agencies. The same rule required FDA to publish periodically, but not less than once every 2 years, a notice listing all such agreements and MOU's currently in effect. The first periodic list was published in the Federal Register of September 20, 1993 (58 FR 48889), and updated in the Federal Register of November 8, 1993 (58 FR 59269). FDA is now updating the list by publishing a complete list of all MOU's that are cooperative work-sharing agreements currently in effect between FDA and State or local government agencies.

CPG Number	Title	Date
7157.01	MOU with the <i>New Mexico Department of Health and Environment</i> and <i>New Mexico Department of Agriculture</i> regarding coordination of information and work-sharing in monitoring pesticide residues and mycotoxins in food and animal feed commodities produced in or shipped into the State of New Mexico. Revised Apr. 12, 1994. (FDA-225-88-4002)	Aug. 5, 1988
7157.03	MOU with the <i>Washington State Department of Agriculture</i> regarding inspection and grading of grain, rice, and pulses. (FDA-225-81-4000)	Sept. 10, 1981

 BILLING CODE 4160-15-M

Program Announcement for Cooperative Agreements for Basic/ Core Area Health Education Center Programs, and Model State-Supported Area Health Education Center Programs and Grants for Health Education and Training Centers for Fiscal Year 1996

The Health Resources and Services Administration (HRSA) announces that applications will be accepted for fiscal year (FY) 1996 Cooperative Agreements for Basic/Core Area Health Education Center (AHEC) Programs authorized under section 746(a)(1), and Model State-Supported Area Health Education Center Programs authorized under section 746(a)(3), and Grants for Health Education and Training Center (HETC) Programs authorized under section 746(f), title VII of the Public Health Service Act, as amended by the Health Professions Education Extension Amendments of 1992, Public Law 102-408, dated October 13, 1992.

This program announcement for the above stated programs is subject to reauthorization of the legislative authority and to the appropriation of funds. Applicants are advised that this program announcement is a contingency action being taken to assure that should authority and funds become available for these purposes, awards can be made in a timely fashion consistent with the

needs of the programs as well as to provide for even distribution of funds throughout the fiscal year. At this time, given a continuing resolution and the absence of FY 1996 appropriations for title VII programs, the amount of funds available for these specific cooperative agreement and grant programs cannot be estimated.

Funding factors may be applied in determining the funding of approved applications for these programs. A funding preference is defined as the funding of a specific category or group of approved applications ahead of other categories or groups of applications. A funding priority is defined as the favorable adjustment of aggregate review scores of individual approved applications when applications meet specified objective criteria. It is not required that applicants request consideration for a funding factor. Applications which do not request consideration for funding factors will be reviewed and given full consideration for funding.

Cooperative Agreements for Basic/Core Area Health Education Center (AHEC) Program; Section 746(a)(1)

Purpose: Section 746(a)(1) of the PHS Act authorizes Federal assistance to schools of medicine (allopathic and osteopathic) which have cooperative arrangements with one or more public or nonprofit private area health education centers for the planning, development and operation of area health education center programs.

Eligibility: To be eligible to receive support for an area health education center cooperative agreement, the applicant must be a public or nonprofit private accredited school of medicine (allopathic or osteopathic) or
