#### SUPPLEMENTARY INFORMATION:

##### I. Background

The Office of Federal Contract Compliance Programs enforces E.O.

11246, which prohibits employment discrimination because of race, color, religion, sex, or national origin, and requires affirmative action to ensure that persons are treated without regard to these prohibited factors. The Order applies to Federal contractors and subcontractors and to federally assisted construction contractors who have contracts exceeding \$10,000. In addition, OFCCP enforces Section 503 of the Rehabilitation Act of 1973 which applies to Federal contractors and subcontractors with a contract exceeding \$10,000, and the Vietnam Era Veterans' Readjustment Assistance Act of 1974, which applies to Federal contractors and subcontractors with a contract of \$10,000 or more.

#### II. Current Actions

The Department of Labor seeks to revise this information collection. This revision is the result of the Program's decision to eliminate the routine submission of Form CC-257, which collects race and gender information on construction employees, classified by trade.
