

briefs and/or written comments from interested parties may be submitted no later than 30 days after the date of publication. Rebuttal briefs and rebuttals to written comments, limited to issues raised in the case briefs and comments, may be filed not later than 37 days after the date of publication of this notice. Any hearing, if requested, will be held 44 days after the date of publication, or the first workday thereafter. The Department will publish the final results of this administrative review including the results of its analysis of issues raised in any such written comments or at a hearing.

The Department shall determine, and the Customs Service shall assess, antidumping duties on all appropriate entries. Upon completion of this administrative review, the Department will issue appraisement instructions directly to the Customs Service.

Furthermore, the following deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of corrosion-resistant steel from Australia entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(c) of the Tariff Act: (1) the cash deposit rate for the reviewed company will be the rate established in the final results of this review; (2) for exporters not covered in this review, but covered in previous reviews or the original less-than-fair-value (LTFV) investigation, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, previous reviews, or the original LTFV investigation, but the manufacturer is, the cash deposit rate will be that established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be the "All Others" rate established in the original LTFV investigation, which is 24.96 percent.

These requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

This notice also serves as a preliminary reminder to importers of their responsibility under 19 CFR 353.26 to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the

subsequent assessment of double antidumping duties.

This administrative review and this notice are in accordance with section 751(a)(1) of the Act (19 U.S.C. 1675(a)(1)) and 19 CFR 353.22.

Dated: May 20, 1996.
Paul L. Joffe,
Acting Assistant Secretary for Import Administration.

Live Swine From Canada; Notice of Preliminary Results of Countervailing Duty Administrative Reviews; Initiation and Preliminary Results of Changed Circumstances Review and Intent To Revoke Order in Part

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of Preliminary Results of Countervailing Duty Administrative Reviews; Notice of Initiation and Preliminary Results of Changed Circumstances Review and Preliminary Determination to Revoke Order in Part.

SUMMARY: The Department of Commerce (the Department) is conducting three administrative reviews of the countervailing duty order on live swine from Canada. We preliminarily determine the net subsidy to be Can\$0.0594 per kilogram for the period April 1, 1991 through March 31, 1992, Can\$0.0609 per kilogram for the period April 1, 1992 through March 31, 1993, and Can\$0.0099 per kilogram for the period April 1, 1993 through March 31,

1994. If the final results remain the same as these preliminary results of administrative reviews, we will instruct the U.S. Customs Service to assess countervailing duties as indicated above. Interested parties are invited to comment on these preliminary results.

In accordance with 19 C.F.R. § 355.22(h)(1)(i), the Department is initiating a changed circumstances countervailing duty administrative review and issuing a preliminary determination of its intent to revoke, in part, the countervailing duty order on live swine from Canada. On December 11, 1995, petitioners requested that the Department revoke the order, in part, as to slaughter sows and boars and weanlings, effective April 1, 1991. Based on the fact that this portion of the order is no longer of interest to domestic parties, we preliminarily determine that this order should be revoked, in part, with respect to slaughter sows and boars and weanlings. Interested parties are invited to comment on these preliminary results.

EFFECTIVE DATE: May 29, 1996.
