[Docket No. FR-4042-N-03]

Office of the Assistant Secretary for Community Planning and Development; Notice of Funding Availability for Continuum of Care Homeless Assistance; Clarification; Supportive Housing Program (SHP); Shelter Plus Care (S+C); Section 8 Moderate Rehabilitation Single Room Occupancy Program for Homeless Individuals (SRO)

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice of funding availability (NOFA); clarification.

SUMMARY: On March 15, 1996 (61 FR 10866), HUD published a notice announcing the availability of fiscal year (FY) 1996 funding for three of its programs which assist communities in combatting homelessness. The three programs are: (1) Supportive Housing; (2) Shelter Plus Care; and (3) Section 8 Moderate Rehabilitation for Single Room Occupancy Dwellings for Homeless Individuals. The Congress had not yet enacted a FY 1996 appropriation for HUD at the time of publication of the March 15, 1996 notice of funding availability (NOFA). Accordingly, the March 15, 1996 NOFA set forth HUD's estimate of the FY 1996 funding that the Congress would make available. The Congress has since enacted a FY 1996 appropriation for HUD.

On May 22, 1996 (61 FR 25684), HUD published a notice in the Federal Register stating that \$675 million in FY 1996 funds is being made available under the March 15, 1996 NOFA. However, since the amount made available under the NOFA may also include unobligated funds from previous competitions and deobligations or recaptures from previous awards, the May 22, 1996 notice should have used the term "approximately \$675 million." This notice, which supersedes the May 22, 1996 notice, makes the necessary correction. For the convenience of readers, HUD is republishing the entire text of the May 22, 1996 notice, but incorporating the correction made by this notice.

DEADLINE DATES: The original application deadline date is not changed. All applications are due in HUD Headquarters before midnight Eastern Time on *June 12, 1996*. HUD will treat as ineligible for consideration applications that are received after that deadline. *Applications may not be sent by facsimile (FAX).*

ADDRESSES: For a copy of the application package and supplemental information please call the Community Connections information center at 1-800-998-9999 (voice) or 1-800-483-2209 (TTY), or contact by internet at gopher://amcom.aspensys.com:75/11/funding. Also, you can purchase, for a nominal fee, a video that walks you through the application package and provides general background that can be useful in preparing your application. The fee for the video may be waived in cases of financial hardship. For copies of the relevant portions of your community's Consolidated Plan, please contact the local or State official responsible for that Plan. If you need assistance in identifying this person, please call your local HUD Field Office.

Before close of business on the deadline date completed applications will be accepted at the following address: Special Needs Assistance Programs, Room 7270, Office of Community Planning and Development, Department of Housing and Urban Development, 451 Seventh Street, S.W., Washington, DC 20410, Attention: Continuum of Care Funding. On the deadline date, hand-carried applications will be received at the South lobby of the Department of Housing and Urban Development at the above address. Two copies of the application must also be sent to the HUD Field Office serving the State in which the applicant's projects are located. A list of Field Offices appears in an appendix of the March 15, 1996 NOFA. Field Office copies must be received by the application deadline as well, but a determination that an application was received on time will be made solely on receipt of the application at HUD Headquarters in Washington.

ELECTRONIC SUBMISSION: In addition to submitting the application narratives and forms in the traditional manner, you may also include an electronic version of your materials on a 3½" computer diskette. The inclusion of the computer version this year is strictly an optional supplement to the standard application.

If you use HUD's Consolidated Planning software to generate supplemental maps, charts, or project lists, please include these files on the diskette as well.

FOR FURTHER INFORMATION CONTACT: The Community Connections information center at 1-800-998-9999 (voice) or 1-800-483-2209 (TTY), or by internet at gopher://amcom.aspensys.com:75/11/funding.

SUPPLEMENTARY INFORMATION:

A. The March 15, 1996 NOFA

On March 15, 1996 (61 FR 10866), HUD published a NOFA announcing the 1996 homeless assistance competition to help communities develop Continuum of Care systems to assist homeless persons. These funds are available under three HUD programs to create community systems for combatting homelessness. The three programs are: (1) Supportive Housing; (2) Shelter Plus Care; and (3) Section 8 Moderate Rehabilitation for Single Room Occupancy Dwellings for Homeless Individuals. The March 15, 1996 NOFA contained information concerning the Continuum of Care approach, eligible applicants, eligible activities, application requirements, and application processing.

Congress had not yet enacted a FY 1996 appropriation for HUD at the time of publication of the March 15, 1996 NOFA. Accordingly, the March 15, 1996 NOFA set forth HUD's estimate of the FY 1996 funding that the Congress would make available. HUD published the NOFA in order to give potential applicants adequate time to prepare applications. The purpose of this notice is to publish the final FY 1996 amount made available under the March 15, 1996 NOFA.

B. Final FY 1996 Funding Amount Under the March 15, 1996 NOFA

On April 26, 1996, the President signed the Omnibus Consolidated Rescissions and Appropriations Act of 1996 (OCRA) (Pub. L. 104-134, approved April 26, 1996). The OCRA makes \$823,000,000 in FY 1996 funds available for HUD's homeless assistance grants programs. Therefore, approximately \$675 million is being made available under the March 15, 1996 NOFA. Of the remaining amount, HUD is making \$115 million available for the Emergency Shelter Grants Program, and \$33 million for the renewal of previously awarded grants.

C. Revised Pro Rata Need Estimates

Appendix B to the March 15, 1996 NOFA set forth two columns of pro rata need estimates for use by eligible jurisdictions. These figures were based on different HUD estimates of the FY 1996 funding amount that the Congress would make available. Estimate A, which provides approximately \$675 million, was based on Congressional action authorizing interim spending, referred to as a Continuing Resolution. Estimate B, which totalled \$925 million, reflected the Administration's FY 1996 Budget request (published February

1995). As explained above, the final FY 1996 amount made available under the March 15, 1996 NOFA is approximately \$675 million. Applicants should therefore utilize Estimate A in determining their relative need estimates. Estimate B should be disregarded.
