**Public Health Service  
National Institutes of Health**

**Submission for OMB Review;  
Comment Request; National 5 A Day  
for Better Health Follow-Up Survey**

**SUMMARY:** Under the provisions of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the National Cancer Institute (NCI), the National Institutes of Health (NIH) has submitted to the Office of Management and Budget (OMB) a request to review and approve the information on collection listed below. This proposed information collection was previously published in the Federal Register on March 12, 1996, page 10001 and allowed 60-days for public comment. No public comments were received. The purpose of this notice is to allow an additional 30 days for public comment. The National Institutes of Health may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number.

**PROPOSED COLLECTION:** *Title:* The National 5 A Day for Better Health Follow-up Study. *Type of Information Collection Request:* NEW. *Need and Use of Information Collection:* This study will measure five year trends in fruit and vegetable intakes and in knowledge, attitudes, and beliefs about diet and nutrition specific to fruit and vegetable intake. The primary objectives of the study are to establish current patterns in fruit and vegetable consumption, beliefs and fruit and vegetables and health, program visibility and awareness, and changes in these since baseline. The findings will provide valuable information concerning (1) the effectiveness of the National 5 A Day for Better Health Program in the first five years of its existence, and (2) will be used for program planning to help direct further 5 A Day and other intervention efforts. *Frequency of Response:* One time. *Affected Public:* Individuals or Households. *Type of Respondents:* U.S. adults 18 years and older residing in these coterminous states. The annual reporting burden is as follows:

Type of respondents	Estimated number of respondents	Estimated number of responses per respondent	Average burden hours per response	Estimated total annual burden hours requested
Group 1 .....	2000	1	.501	1002
Group 2 .....	2050	1	.501	514
Non-Response .....	150	1	.167	25
Total .....	4200	1	.3669	1541

*The annualized cost to respondents is estimated at:* \$12,410. There are no Capital Costs to report. There are no Operating to Maintenance Costs to report.

**REQUEST FOR COMMENTS:** Written comments and/or suggestions from the public and affected agencies are invited on one or more of the following points: (1) Whether the proposed collection of information is necessary for the proper performance of the function of the agency, including whether the information will have practical utility; (2) The accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) Ways to enhance the quality, utility, and clarity of the information to be collected; and (4) Ways to minimize the burden to the collection of information on those who are to respond, including the use of appropriate automated, electronic,

mechanical, or other technological collection techniques or other forms of information technology.

**DIRECT COMMENTS TO OMB:** Written comments and/or suggestions regarding the item(s) contained in this notice, especially regarding the estimated public burden and associated response time, should be directed to the: Office of Management and Budget, Office of Regulatory Affairs, New Executive Office Building, Room 10235, Washington, D.C. 20503, Attention: Desk Officer for NIH.

To request more information on the proposed project or to obtain a copy of the data collection plans and instruments, contact: Amy F. Subar, Ph.D., Susan M. Krebs-Smith, Ph.D., National Cancer Institute, EPN 313, 6130 Executive Blvd, Bethesda, MD 20892-7344, or call non-toll-free number (301) 496-8500.

**COMMENTS DUE DATE:** Comments regarding this information collection are

best assured of having their full effect if received within 30 days of the date of this publication.

Dated: May 30, 1996.
