negotiations with television stations and by the public to ascertain why some stations are/are not carried by the cable systems.

*OMB Number:* 3060-0543.

*Title:* Section 21.913 Signal booster stations.

*Form Number:* None.

*Type of Review:* Revision of an existing collection.

*Respondents:* Business or other for-profit.

*Number of Respondents:* 600.

*Estimated time per response:* 2.5 hours per certification. This includes 0.5 hours for the licensee to convey its desire to install a low power booster station and 2 hours for a consulting engineer to prepare the certification.

*Total annual burden:* 300.

*Annual Cost Per Respondent:* $250 per certification. This estimates is the cost for the licensee consulting an engineer to prepare the certification.

*Needs and Uses:* On 6/9/93, OMB approved the Amendment of Parts 1, 2 and 21 of the Commission's Rules Governing Use of the Frequencies in the 2.1 amd 2.5 GHz Bands. That approval contained various rule parts contained in Parts 21 and 74 of the Commission's Rules. Since that time, all rule sections incorporated into that approval have been reapproved under different OMB control numbers expect Section 21.913. Section 21.913(g) permits an MDS or ITFS licensee to install and commence operation of low power signal booster stations without a formal application. Licensees seeking to install a low power signal booster station must, however, submit a certification demonstrating compliance with the various components of Sections 21.913(g). This certification must be submitted within 48 hours of installation of the booster station. The data are used by FCC staff to verify that the licensee has complied with guidelines to use the certification process and that the booster would not cause objectionable interference.

Federal Communications Commission.

## Public Information Collections Approved by Office of Management and Budget

June 12, 1996.

The Federal Communications Commission (FCC) has received Office of Management and Budget (OMB) approval for the following public information collections pursuant to the Paperwork Reduction Act of 1995, Pub. L. 104–13. An agency may not conduct or sponsor and a person is not required to respond to a collection of information unless it displays a currently valid control number. For further information contact Shoko B. Hair, Federal Communications Commission, (202) 418–1379.

Federal Communications Commission

*OMB Control No.:* 3060–0536.

*Expiration Date:* 06/30/99.

*Title:* Rules and Requirements for Telecommunications Relay Services (TRS) Interstate Cost Recovery.

*Form No.:* FCC Form 431.

*Estimated Annual Burden:* 15,593 total annual hours; 3.1 hours per respondent (avg.); 5000 respondents.

*Estimated Annual Reporting and Recordkeeping Cost Burden:* $0.

*Description:* Title IV of the Americans with Disabilities Act, Pub. L. No. 101–336, Section 401, 104 Stat. 327, 366–69 requires the Federal Communications Commission (Commission) to ensure that telecommunications relay services are available to persons with hearing and speech disabilities in the United States. Among other things, the Commission is required by 47 U.S.C. Section 225(d)(3) to enact and oversee a shared-funding mechanism (TRS Fund) for recovering the costs of providing interstate TRS. The Commission's rules require all carriers providing interstate telecommunications services to contribute to the TRS Fund on an annual basis. Contributions are the product of the carrier's gross interstate revenues for the previous year and a contribution factor determined annually by the Commission. The collected contributions are used to compensate TRS providers for the costs of providing interstate TRS service. FCC Form 431 is the form which carriers use to calculate and file their annual TRS Fund contributions. FCC Form 431 is being updated to include the new expiration date.

*OMB Control No.:* 3060–0392.

*Expiration Date:* 05/31/99.

*Title:* Pole Attachment Complaint Procedures (Sections 1.1401–1.1415).

*Estimated Annual Burden:* 42 total annual hours; 3 hours per respondent (avg.); 14 respondents.

*Estimated Annual Reporting and Recordkeeping Cost Burden:* $0.

*Description:* Congress mandated pursuant to 47 U.S.C. Section 224 that the FCC ensures that the rates, terms and conditions under which cable television operators attach their hardware to utility poles are just and reasonable. Section 224 also mandates establishment of an appropriate mechanism to hear and resolve complaints concerning the rates, terms and conditions for pole attachments. Section 1.1401–1.1415 contained in Subpart J of part 1 were promulgated to implement Section 224. See 47 CFR Sections 1.1401–1.1415. The information is submitted primarily by cable television operators in regards to complaints concerning the rates, terms and conditions for pole attachments. The information will be used to either determine the merits of the complaint including calculating the maximum rate under the Commission's formula. The respondents affected are cable television operators and utility companies.

# FEDERAL EMERGENCY MANAGEMENT AGENCY

## Agency Information Collection Activities: Submission for OMB Review; Comment Request

**ACTION:** Notice and request for comments.

**SUMMARY:** The Federal Emergency Management Agency (FEMA) is submitting a request for review and approval of an information collection in accordance with the emergency processing procedures under OMB regulation 5 CFR 1320.13. FEMA is requesting this information collection be approved for use through September 1996. OMB clearance and approval is requested by June 14, 1996.

**SUPPLEMENTARY INFORMATION:** The National Flood Insurance Reform Act of 1994 (NFIRA), signed into law by the President in September 1994, established the Flood Insurance Interagency Task Force to carry out certain specific duties. One major duty is to determine the reasonableness of fees charged pursuant to section 102(h) of the Flood Disaster Protection Act of 1973, for costs of determining whether the property securing a loan is located in an area having special flood hazards; and whether the fees charged pursuant to such section by lenders and servicers are greater than the amounts paid by such lenders and servicers to persons actually conducting such determinations, and the extent to which the fees exceed such amounts.

Collection of Information

*Title.* Flood Zone Determination Fee Survey.

*Type of Review.* New collection.

*Abstract.* The Flood Zone Determination Fee Survey will be used to obtain information from flood zone determination companies on fees charged for flood hazard determinations for properties located in special flood hazard areas. The information will be used to determine whether the fees charged are reasonable.

Data collected from the flood zone determination companies will be reviewed, evaluated, and a report will be submitted to Congress in October 1996 indicating findings and recommendations.

*Affected Public.* Business or other for profit.

*Number of Respondents.* 100.

*Estimated Total Annual Burden Hours.* 25.

*Estimated Time Per Response.* 15 minutes.

*Frequency:* One-time.

*Estimated Cost to Respondents:* $6.00 per respondent.

**COMMENTS:** Written comments are solicited to (a) evaluate whether the proposed data collection is necessary for the proper performance of the agency, including whether the information shall have practical utility; (b) evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (c) enhance the quality, utility, and clarity of the information to be collected; and (d) minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

**ADDRESSEE:** Direct written comments to Victoria Wassmer, FEMA Desk Officer, Office of Information and Regulatory Affairs, Office of Management and Budget, Washington, DC 20503.

**FOR FURTHER INFORMATION CONTACT:** For additional information contact Muriel B. Anderson, FEMA Information Collections Officer, Federal Emergency Management Agency, 500 C Street, SW, Washington, DC 20472. Telephone number (202) 646–2625. FAX number (202) 646–3524. A copy of the proposed survey is attached.

Dated: June 6, 1996.

Reginald Trujillo,

*Director, Program Services Division, Operations Support Directorate.*

# Flood Zone Determination Fee Survey

## PAPERWORK BURDEN DISCLOSURE NOTICE

*You are not required to respond to this collection of information unless a valid OMB control number appears in the upper right corner of this form.*

*Public reporting burden for this survey is estimated to average 15 minutes per response. The estimate includes the time for gathering the needed data and completing the survey. Send comments regarding the accuracy of the burden estimate and any suggestions for reducing the the burden to: Information Collection Management, Federal Emergency Management Agency, 500 C Street, S.W. Washington DC*

*In addition to completing this survey, please provide us with a copy of your fee schedule. Please return the completed survey and fee schedule to: Marketing Department, NFIP Bureau & Statistical Agent, 10115 Senate Drive Lanham, Maryland 20706.*

1. W hat is the fee charged for?

   a. Single initial flood zone determination? $ ________
   b. Multiple initial determination? $ ________
   c. Life-of-loan coverage for a single property? $ ________
   d. Life-of-loan coverages for multiple properties? $ ________

2. a. Is a discount provided on an initial determination for volume business? ☐ YES ☐ NO

   b. If yes, what is the discount and how is it determined? ________________________________________

   ________________________________________________________________

3. a. Does the life-of-loan coverage provided by your company include changes to community status? ☐ YES ☐ NO
   b. Does the life-of-loan service cover monitoring map changes for the entire period of the loan? ☐ YES ☐ NO
   c. What are the times frames for notifying clients of map changes? ________________________________

   d. What are the time frames for notifying clients of changes in community status? ________________________

4. a. Are there situations when clients would charge additional fees under a life-of-loan service? ☐ YES ☐ NO

   b. If yes, please list those situations and the additional amounts. ________________________________

   ________________________________________________________________

5. a. If a loan has life-of-loan coverage and the borrower either refinances or obtains additional funds secured with a junior lien, does your company charge the client a fee for an additional determination? If yes, check one of the following; ☐ YES ☐ NO

   b. Is the fee ☐ more than, ☐ less than, ☐ or equal to the initial determination fee?

6. a. When the servicer of a loan with life-of-loan coverage is changed, how is your firm notified? ________________

   ________________________________________________________________

   b. Does your firm charge a fee in this circumstance? ☐ YES ☐ NO
   c. If yes, what is the amount of the fee? $_______
   d. Are changes made to the policy as a result of a change of servicer? ☐ YES ☐ NO

7. What is your company's fee for providing a flood determination when relying on the previous determination? $ ______
