SUPPLEMENTARY INFORMATION: This Notice informs the public that the Department of Housing and Urban Development (HUD) has submitted to OMB, for emergency processing, a proposed Notice of Fund Availability (NOFA) for the Self-Help Housing Opportunity Program. HUD seeks to implement this by June 28, 1996.

Under the Self-Help Housing Opportunity Program, HUD will provide up to \$15 million to encourage innovative homeownership opportunities through the provision of self-help housing where the homeowner contributes a significant amount of sweat equity toward construction of the dwellings. The eligible expenses for program funds are land acquisition (including financing and closing costs) and infrastructure improvement (installing extending, constructing, rehabilitating, or otherwise improving utilities and other infrastructure). Eligible applicants are nonprofit national or regional organizations or consortia with experience in managing self-help and volunteer labor homeownership programs.

The information collection is essential so that HUD staff may determine the eligibility, qualifications and capability of applicants to carry out self-help and volunteer labor homeownership programs. HUD will review the information provided by the applicants against the selection criteria contained in the NOFA in order to rate and rank the applications and select the best and most qualified individual applications for funding. The selection criteria are:

(1) Operational capability and experience; (2) financial capability and experience; (3) quality of program design; (4) leveraging of public/private resources; and (5) Empowerment Zone/Enterprise Community support.

4. Narratives for each of the five selection criteria.

(3) Description of the need for the information and its proposed use: The information collection is essential so that HUD staff may determine the eligibility, qualifications and capability of applicants to carry out self-help and volunteer labor homeownership programs. HUD will review the information provided by the applicants against the selection criteria contained in the NOFA in order to rate and rank the applications and select the best and most qualified individual applications for funding.

(4) Description of the likely respondents, including the estimated number of likely respondents, and proposed frequency of response to the collection of information: Eligible applicants are nonprofit national or regional organizations or consortia with experience in managing self-help and volunteer labor homeownership programs.

The number of such national or regional organizations or consortia is relatively small. The estimated number of respondents is 10. The proposed frequency of the response to the collection of information is one-time. The application need only be submitted once.
