

One of the institutions, who is the lead applicant on the COPC grant, is disqualified from applying for an Institutionalization Grant because it was awarded a JCD grant. Unfortunately, because of the consortia requirement, the other two universities are also disqualified, because they can not apply without the lead applicant. The two schools received no benefits from the JCD grant and it is unfair to penalize them for lead applicant's success.

Therefore, in any case where one member of a consortium received a JCD grant, but the other institutions in the consortium did not, these other institutions are eligible to apply for an Institutionalization grant, under the following conditions. First, the remaining consortium partners must apply as a consortium. Second, one of these partners must be designated the lead applicant. The \$100,000 maximum amount for an Institutionalization Grant remains unchanged.

The total amount being set aside for Institutionalization Grants is increased to \$1.2 million to provide funding for this additional potential grantee.

## Office of the Assistant Secretary for Fair Housing and Equal Opportunity

[Docket No. FR-4047-N-02]

### NOFA for Fair Housing Initiatives Program; FY 1996 Competitive Solicitation; Notice of Amendment and Clarification

**AGENCY:** Office of the Assistant Secretary for Fair Housing and Equal Opportunity, HUD.

**ACTION:** Notice of Funding Availability (NOFA); Notice of Amendment.

**SUMMARY:** On May 24, 1996 (61 FR 26362), HUD published a NOFA announcing the availability of up to \$12,106,000 in Fiscal Year 1996 funding for the Fair Housing Initiatives Program (FHIP). This document amends the May 24, 1996 NOFA by expanding the pool of organizations eligible for bonus points.

**ADDRESSES:** To obtain a copy of the application kit, please write the Fair Housing Information Clearinghouse, P.O. Box 9146, McLean VA 22102 or call the toll-free number 1-800-343-3442 (voice) or 1-800-290-1617 (TDD). Please also contact this number if

information concerning this NOFA is needed in an accessible format.

#### SUPPLEMENTARY INFORMATION:

##### I. NOFA Amendments

A Notice of Funding Availability (NOFA) announcing the Fiscal Year (FY) 96 availability of \$12,106,000 under the Fair Housing Initiatives Program (FHIP) was published by HUD on May 24, 1996 (61 FR 26362). FHIP assists projects and activities designed to enforce and enhance compliance with the Fair Housing Act and substantially equivalent State and local fair housing laws. The body of the May 24, 1996 NOFA contains information concerning the purpose of the NOFA, eligibility, available amounts, how to apply for funding, and how selections will be made.

The May 24, 1996 NOFA establishes the eligibility standards for bonus points under the Private Enforcement Initiative. Paragraph I.(c)(2)(ii)(A) of the May 24, 1996 limits the receipt of 10 bonus points to PEI applications from FHIP grant recipients whose period of performance for all FHIP grants expired/will expire between September 30, 1995 and December 31, 1996.

The Department had intended to allow FHIP grant recipients to receive bonus points where all grants will expire between September 30, 1995 and December 31, 1996 except for their PEI-Special Project grants. For this reason, the Department has determined to amend the FY 1996 NOFA to permit these grantees to be eligible for the 10 bonus points under the PEI competition. The PEI-Special Project grant recipients applied in September 1994 under a FHIP competition which targeted mortgage-lending and insurance enforcement projects and were notified of their award in January 1995. This amendment is intended to increase the number of organizations that are eligible to receive the bonus points under the PEI competition. Because this notice is published 30 days prior to the application deadline of July 23, 1996, which was set in the prior NOFA, all applicants, including newly eligible applicants, will have 30 days notice of this amendment. Therefore, the Department is not extending the

application deadline beyond July 23, 1996.

##### II. Technical Corrections

On page 26362, in column 3, the third sentence of paragraph one, under section I.(a) of the May 24, 1996 NOFA, reads: "Instead, it prompts the Department to promote supporting these new fair housing enforcement organizations created under previous FHIP competitions and giving preference to those FHIP recipients whose grants expire between September 30, 1995 and December 31, 1996." The sentence is now continued by adding, "including those FHIP grant recipients with a PEI-Special Project grant that does not expire until after December 31, 1996, but whose period of performance for all other FHIP grants expired/will expire between September 30, 1995 and December 31, 1996." This notice adds this additional language.

On page 26364, in column 2, paragraph I.(c)(2)(ii)(A), *Bonus Points*, reads, "PEI applications from FHIP grant recipients whose period of performance for all FHIP grants expired/will expire between September 30, 1995 and December 31, 1996 will receive a bonus of ten additional points." An additional sentence is added immediately following this which reads, "Furthermore, applicants with a PEI-Special Project grant that does not expire until after December 31, 1996, but whose period of performance for all other FHIP grants expired/will expire between September 30, 1995 and December 31, 1996, will also receive a bonus of ten additional points." This notice makes the necessary correction.

Accordingly, FR Doc. 96-4047, the FY 96 NOFA for the Fair Housing Initiatives Program (FHIP), published in the Federal Register on May 24, 1996 (61 FR 26362) is corrected and amended as follows:

1. In section I.(a), on page 26362, in column 3, the first paragraph, third sentence is revised to read as follows:

Instead, it prompts the Department to promote supporting these new fair housing enforcement organizations created under previous FHIP competitions and giving preference to those FHIP recipients whose grants expire between September 30, 1995 and December 31, 1996, including those FHIP grant recipients with a PEI-Special Project grant that does not expire until after December 31, 1996, but whose period of performance for all other FHIP grants expired/will expire between September 30, 1995 and December 31, 1996.

2. Paragraph I.(c)(2)(ii)(A), on page 26364, in column 2, is revised to read as follows:

(A) *Bonus Points*. PEI applications from FHIP grant recipients whose period of performance for all FHIP grants expired/will expire between September 30, 1995 and December 31, 1996 will receive a bonus of ten additional points. Furthermore, applicants with a PEI-Special Project grant that does not expire until after December 31, 1996, but whose period of performance for all other FHIP grants expired/will expire between September 30, 1995 and December 31, 1996, will also receive a bonus of ten additional points.
