

unacceptably high health risk. This data will also be used to monitor which wood treatment facilities are participating in the PEL and thus could be exempt from the pesticide label requirement to wear a respirator. Because the information that would be submitted to EPA is not confidential business information it will not be handled as such.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control numbers for EPA's regulations are listed in 40 CFR part 9 and 48 CFR chapter 15. The Federal Register Notice required under 5 CFR 1320.8(d), soliciting comments on this collection of information was published on 03/26/96 (61 FR 13190).

Burden Statement: The annual public reporting and record keeping burden for this collection of information is estimated to average 3 hours and 30 minutes per response. Burden means the total time, effort, or financial resources expended by persons to generate, maintain, retain, or disclose or provide information to or for a Federal agency. This includes the time needed to review instructions; develop, acquire, install, and utilize technology and systems for the purposes of collecting, validating, and verifying information, processing and maintaining information, and disclosing and providing information; adjust the existing ways to comply with any previously applicable instructions and requirements; train personnel to be able to respond to a collection of information; search data sources; complete and review the collection of information; and transmit or otherwise disclose the information.

Respondents/Affected Entities: 300.

Estimated Number of Respondents: 250.

Estimated Number of Responses: 250.

Frequency of Response: once per year.

Estimated Total Annual Hour Burden: 888 hours.

Estimated Total Annualized Cost Burden: \$0

Send comments on the Agency's need for this information, the accuracy of the provided burden estimates, and any suggested methods for minimizing respondent burden, including through the use of automated collection techniques to the following addresses. Please refer to EPA ICR No. 1289.04 and OMB Control No. 2070-0081 in any correspondence.
