#### SUPPLEMENTARY INFORMATION:

##### 1. Background and Program Purpose

The AoA is responsible for administering the Act which provides for the delivery of supportive and nutritional services to older Americans who are 60 years of age or older. The Act Amendments of 1987 established part B, under title VI of the Act, for the

provision of supportive and nutrition services to Native Hawaiian elders who are 60 years of age or older.

The Act provides that a public or nonprofit private organization having the capacity to provide services for Native Hawaiians is eligible for assistance under Title VI, part B, if the organization will serve at least 50 Native Hawaiian individuals who attained 60 years of age or older, and the organization demonstrate the ability to deliver supportive services and nutrition services.

For the purposes of Title VI, part B, the term "Native Hawaiian" means an individual any of whose ancestors were natives of the area which consists of the Hawaiian Islands prior to 1778.

Nutritional services, and information and assistance services, are required by the Act. Nutritional services include congregate meals and home-delivered meals. Supportive services include information and assistance, transportation, chore services, and other Native Hawaiians. The information and assistance services must be available for older Native Hawaiians living in the geographic boundaries of the Title VI, part B, service area proposed by the applicant organization and approved by the Assistant Secretary for Aging.

Organizations receiving funds to provide services to older Native Hawaiians shall assure that all activities will be conducted in close coordination with the State Agency and the Area Agency on Aging.

## 2. Eligibility and Funding Information

Public or private nonprofit organization having the capacity to provide services for Native Hawaiians is eligible to receive a grant only if the organization will serve at least 50 Native Hawaiians who have attained 60 years of age or older, and the organization demonstrates the ability to deliver supportive and nutritional services.

## 3. Available Funds

Funds for fiscal year 1996 will be approximately \$1,600,000. The amounts awarded will include funds for both direct and indirect costs.

For grants made in fiscal year 1996, the budget period will be one year, September 30, 1996, through September 29, 1997. The project period will be for three years, September 30, 1996, through September 29, 1999.

## 4. Application Process

Applicants should submit applications, describing their proposed plans for nutritional and supportive services for older Native Hawaiians for project period September 30, 1996,

through September 29, 1999, as described in Section 5 below, "Content of the Application."

A three-year project period was chosen in order to reduce the paperwork burden on the grantees. It is the intent of this agency to conduct on-site monitoring at least once during the three-year project period.

The Program Performance and Financial Status reports, due on a semi-annual basis, will be reviewed for compliance with the program regulations. Failure to submit the required reports during the project period may result in loss of future funds, and possibly termination of the grant within the project period. Thirty days prior to the end of each budget period, within the three-year project period, grantees shall notify AoA as to their desire to continue as a grantee. Failure to submit this documentation within the required time frame may result in loss of grant funding. At the beginning of each budget period, within the three-year project period, grantees will be notified of the funding level for the subsequent year.

One original application, signed by the project director, and two copies of the complete application including all attachments, must be submitted to the Administration on Aging, Grants Management Division, Margaret Tolson, Director, 330 Independence Ave., SW, Washington, DC 20201. Incomplete applications will not be considered for funding.

## 5. Content of the Application

The application must meet the criteria in section 624(a) of the Act, and Title 45 of the Code of Federal Regulations, § 1328.19. The application may be presented in any format selected by the applicant. No standard federal forms are required. Contact Percy Devine, Bi-Regional Administrator, 50 United Nations Plaza, Room 480, San Francisco, CA 94102, telephone number (415) 437-8780 if you have questions concerning the content of the application. The application must include the following information:

### A. Objectives and Need for Assistance

This section must include objectives, expressed in measurable terms, which are related to the current nutrition and supportive service needs of the service population. This section must also include a discussion of how the needs were evaluated.

### B. Results or Benefits Expected

The application should describe the results or benefits expected from each service proposed.

## C. Approach

### (1) Description and Method of Delivery of Each Service

(a) Nutrition—Nutrition services are required. There should be a description of the methods, facilities, and staff to be used in preparing, serving, and delivering meals, and the estimated number of persons to be served. The nutrition services provided, either directly or by way of a grant or contract, must be substantially in compliance with the provisions of part C, Title III, which include:

1. Provide at least one hot or other appropriate meal a day, five or more days a week in a congregate setting, and any additional meals which the recipient of a grant may elect to provide. A "meal", as used in section 307(a)(13), 308(b)(7), 311(a)(4), 331(1), 336, 338(a)(1), and 339, 339A of the Act and § 1321.17, § 1321.59 and § 1321.64, is a planned event in a day at which a variety of prepared foods are provided to an individual. These foods shall comply with the U.S. Dietary Guidelines for Americans, published by the Secretary of the Department of Health and the Secretary of the Department of Agriculture, and provide the nutrients specified in the current, daily Recommended Dietary Allowances, as established by the Food and Nutrition Board of the National Research Council of the National Academy of Sciences, as specified in Section 339(2) unless the meal is a special meal provided to meet the health, religious, or ethnic considerations of eligible individuals. Snacks, partial meals, and second helpings are not considered meals.

2. Provide at least one home delivered hot, cold, frozen, dried, canned, or supplemental food (with a satisfactory storage life) meal per day, five or more days a week, and any additional meals which the recipient of a grant may elect to provide. The above definition of a meal also applies here. Thus neither individual grocery items nor food vouchers may be used in lieu of home delivered meals.

If no Title VI, part B, funds are to be used for nutrition services, the application must state how such services are provided in other ways, and how they are financed.

(b) Information and Assistance—Information and assistance services are required. They must be available for older Native Hawaiians living in the Title VI, part B, service area and there should be a description of what information and assistance services will be provided and how they will be provided. The estimated number of individuals to be served should be

stated. If no Title VI, part B, funds are to be used for information and assistance services, the application must state how such services are provided in other ways, and how they are financed.

(c) Other Supportive Services—The application must describe any other supportive services to be provided wholly or partly by Title VI, part B, funds. The description should include what supportive services will be provided and how they will be provided. The estimated number of persons to be served by each service should be stated.

Legal assistance and ombudsman services may be provided, but are not required. However, if provided, they should be included under "Supportive Services."

If the applicant agency elects to provide legal services, it must substantially comply with the requirements in Title 45 of the Code of Federal Regulations § 1321.71, and all legal assistance providers must comply fully with the requirements in § 1321.71(d) through § 1321.71(k).

Transportation of persons to nutrition sites or other places is a part of "Supportive Services."

(d) Coordination with Title III—The application should provide a description of how Title VI and Title III resources are to be coordinated within the Title VI service area, including information and assistance service.

## (2) Evaluation Criteria

The application must discuss the criteria to be used to evaluate the results and successes of the program, based on the objective indicated in Item A above. It will also explain the methodology that will be used to determine if the needs identified and discussed are being met, and if the results and benefits identified in item B above are being achieved.

## D. Geographic Location

The application must include a narrative description of the Title VI, part B, service area, and a map with the service area identified. The area to be served by Title VI, part B, must have clear geographic boundaries. There is no prohibition, however, on its overlapping with areas served by Title III.

## E. Additional Information

### (1) Program Assurances

Title VI, part B, Program Assurances must be included in the application. The Title VI, part B, Program Assurances are those provisions identified in section 624(a) of the Act, and in Title 45 of the Code of Federal Regulations § 1328.19(d), issued August

31, 1988 (see Appendix A). The public or nonprofit private organization must state that it agrees to abide by all the provisions for the entire project period being applied for in fiscal year 1996.

Copies of the Title III and Title VI current law and regulations, and of part 92, may be obtained from the Bi-Regional Administrator for the AoA.

### (2) Certification Forms

Certifications are required of the applicant regarding (a) lobbying; (b) debarment, suspension, and other responsibility matters; and (c) drug-free workplace requirements. Please note that a duly authorized representative of the applicant organization must attest to the applicant's compliance with these certifications.

### (3) Identifying Information

Applications must identify the project director: Name, Title, Address including Zip Code, Telephone Number, and if available, the FAX number. The organization's EIN (Employer Identification Number) must also be included.

## 6. Closing Date for Application

To be eligible for consideration, applications must be received or postmarked on or before (60 days from date of publication). (Applicants are cautioned to request a legibly dated U.S. Postal Service postmark, or to obtain a legibly dated receipt from a commercial carrier or the U.S. Postal Service, private metered postmarks are not acceptable as proof of timely mailing.)

## 7. Action on Applications

Awards will be made by the Assistant Secretary of Aging. Funding decisions will be announced as soon as possible.

Catalog of Federal Domestic Assistance Program #93.655 Grants to Indian Tribes and Native Hawaiians. This Program Announcement is not subject to E.O. 12372.

(8) provide a preference for Native Hawaiians 60 years of age and older for full- or part-time staff positions wherever feasible;

(9) provide that any legal or ombudsman services made available to older Native Hawaiians, represented by the public or nonprofit private organization, will be substantially in compliance with the provisions of Title III relating to the furnishing of similar services; and

(10) provide satisfactory assurance that the fiscal control and fund accounting procedures will be adopted as may be necessary to assure proper disbursement of, and accounting for, federal funds paid under this part to the public or nonprofit private organization, including any funds paid by the organization to a recipient of a grant or contract.

#### Certification Regarding Drug-Free Workplace Requirements Grantees Other Than Individuals

By signing and/or submitting this application or grant agreement, the grantee is providing the certification set out below.

This certification is required by regulations implementing the Drug-Free Workplace Act of 1988, 45 CFR Part 76, Subpart F. The regulations, published in the May 25, 1990 Federal Register, require certification by grantees that they will maintain a drug-free workplace. The certification set out below is a material representation of fact upon which reliance will be placed when the Department of Health and Human Services (HHS) determines to award the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, HHS, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act. False certification or violation of the certification shall be grounds for suspension of payments, suspension or termination of grants, or government wide suspension or debarment.

Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available to Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.

Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each

local unemployment office, performers in concert halls or radio studios.)

If the workplace identified to HHS changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see above).

Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

"Controlled substance" means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15).

"Conviction" means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

"Criminal drug statute" means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

"Employee" means the employee of a grantee directly engaged in the performance of work under a grant, including (i) All "direct charge" employees; (ii) all "indirect charge" employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll or employees of subrecipients or subcontractors in covered workplaces).

The grantee certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(b) Establishing an ongoing drug-free awareness program to inform employees about:

(1) The dangers of drug abuse in the workplace; (2) The grantee's policy of maintaining a drug-free workplace; (3) Any available drug counseling, rehabilitation, and employee assistance programs, and (4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

(c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a);

(d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will:

(1) Abide by the terms of the statement; and, (2) Notify the employer in writing of his or her conviction for a violation or a criminal

drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notifying the agency in writing, within ten calendar days after receiving notice under subparagraph (d)(2) form an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position title, of every grant officer or other designee on whose grant activity the convicted employee was working unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(f) Taking one of the following actions, within 30 calendar days of receiving notice under subparagraph (d)(2), with respect to any employee who is so convicted:

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or, (2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).

The grantee may insert in the space provided below the site(s) for the performance work done in connection with the specific grant (Use Attachments, if needed):

Check ☐ If there are workplaces on file that are not identified here. Sections 76.630(c) and (d)(2) and 76.635 (a)(1) and (b) provide that a Federal agency may designate a central receipt point for STATE-WIDE AND STATE AGENCY-WIDE certifications, and or notification of criminal drug convictions. For the Department of Health and Human Services, the central receipt point is: Division of Grants Management and Oversight, Office of Management and Acquisition, Department of Health and Human Services, Room 517-D, 200 Independence Avenue, SW., Washington, DC 20201.
