

procedures, the working group is expected to:

1. Recommend a work plan for completion of the tasks, including the rational supporting such a plan, for consideration at the meeting of ARAC to consider Transport Airplane and Engine Issues held following publication of this notice.

2. Give a detailed conceptual presentation of the proposed recommendations, prior to proceeding with the work stated in item 3 below.

3. For each task, draft appropriate documents with supporting analyses, and/or any other related guidance material or collateral documents the working group determines to be appropriate.

4. Provide a status report at each meeting of ARAC held to consider Transport Airplane and Engine Issues.

Participation in the Working Group

The Loads and Dynamics Harmonization Working Group is composed of experts having an interest in the assigned task. A working group member need not be a representative of a member of the full committee.

An individual who has expertise in the subject matter and wishes to become a member of the working group should write to the person listed under the caption **FOR FURTHER INFORMATION CONTACT** expressing that desire, describing his or her interest in the tasks, and stating the expertise he or she would bring to the working group. The request will be reviewed by the assistant chair, the assistant executive director, and the working group chair, and the individual will be advised whether or not the request can be accommodated.

The Secretary of Transportation has determined that the formation and use of ARAC are necessary and in the public interest in connection with the performance of duties imposed on the FAA by law.

Meetings of ARAC will be open to the public, except as authorized by section 10(d) of the Federal Advisory Committee Act. Meetings of the Loads and Dynamics harmonization Working Group will not be open to the public, except to the extent that individuals with an interest and expertise are selected to participate. No public announcement of working group meetings will be made.

Issued in Washington, DC, on June 26, 1996.

Chris A. Christie,
Executive Director, Aviation Rulemaking Advisory Committee.

BILLING CODE 4910-13-M

Aviation Rulemaking Advisory Committee Meeting on General Aviation and Business Airplane and Transport Airplane and Engine Issues

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of meeting.

SUMMARY: The FAA is issuing this notice to advise the public of a meeting of the Federal Aviation Administration's Aviation Rulemaking Advisory Committee to discuss harmonization priorities and issues related to certification and validation of foreign products.

DATES: The meeting will be held July 29, 1996 for General Aviation and Business Airplane (GABA) Issues, starting at 9 a.m. and July 31 through August 1, 1996 for Transport Airplane and Engine (TAEI) Issues, starting at 8:30 a.m. Arrange for oral presentations by July 19, 1996.

ADDRESSES: The meeting will be held at The Boeing Company Renton Facility, 10-16 Building, Room 11D5, 535 Garden Avenue North, Renton WA.

FOR FURTHER INFORMATION CONTACT: Brenda Courtney, Office of Rulemaking, FAA, 800 Independence Avenue, SW., Washington, DC 20591, telephone (202) 267-3327.

SUPPLEMENTARY INFORMATION: Pursuant to section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463; 5 U.S.C. App. II), notice is hereby given of a meeting of the Aviation Rulemaking Advisory Committee to be held on July 29 (GABA) and July 31 through August 1, 1996 (TAEI), at The Boeing Company Renton Facility, 10-16 Building, Room 11D5, 535 Garden Avenue North, Renton WA. The agenda for the meeting will include:

- Opening Remarks
- Review of Action Items
- Discussion of 13th Annual International Harmonization Conference, June 3-7, San Diego, CA
- Discussion of harmonization priorities
- Discussion of certification/validation of foreign products
- Reports of Working Groups (Time permitting)
- Schedule future meetings

Attendance is open to the interested public, but will be limited to the space available. The public must make arrangements by July 19, 1996, to present oral statements at the meeting. The public may present written statements to the committee, at any time, by providing 40 copies to the Assistance Executive Director, or by bringing the copies to him at the meeting. Arrangements may be made by contacting the person listed under the heading **FOR FURTHER INFORMATION CONTACT**.

Sign and oral interpretation can be made available at the meeting, as well as an assistive listening device, if requested 10 calendar days before the meeting.

Issued in Washington, DC, on June 26, 1996.

Chris A. Christie,

Executive Director, Aviation Rulemaking Advisory Committee.

BILLING CODE 4910-13-M

Aviation Security Advisory Committee; Meeting

AGENCY: Federal Aviation Administration, DOT.

SUMMARY: Notice is hereby given of a meeting of the Aviation Security Advisory Committee.

DATES: The meeting will be held July 17, 1996 from 9 a.m. to 12 p.m.

ADDRESS: The meeting will be held in the MacCracken Room, tenth floor, Federal Aviation Administration, 800 Independence Avenue, SW., Washington, D.C. 20591, telephone 202-267-7451.

SUPPLEMENTARY INFORMATION: Pursuant to section 10(a)(2) of the Federal Advisory Committee Act (Pub. L. 92-463; 5 U.S.C. App. 11), notice is hereby given of a meeting of the aviation Security Advisory Committee to be held July 17, 1996, in the MacCracken Room, tenth floor, Federal Aviation Administration, 800 Independence Avenue, SW., Washington, D.C. The agenda for the meeting will include reports on the Universal Access System, Rewrites of FAR 107 and 108, the status of RTCA Access Control Standards, and the domestic security baseline.

Attendance at the July 17, 1996, meeting is open to the public but is limited to space available. Members of the public may address the committee only with the written permission of the chair, which should be arranged in advance. The chair may entertain public comment if, in its judgment, doing so will not disrupt the orderly progress of the meeting and will not be unfair to any other person.

Members of the public are welcome to present written material to the committee at anytime. Persons wishing to present statements or obtain information should contact the Office of the Associate Administrator for Civil Aviation Security, 800 Independence Avenue, SW., Washington, D.C. 20591, telephone 202-267-7451.

Issued in Washington, D.C. on June 25, 1996.

Quinten T. Johnson,

Acting Director, Office of Civil Aviation Security Policy and Planning.

BILLING CODE 4910-13-M

Federal Highway Administration

Environmental Impact Statement: Howell, MI

AGENCY: Federal Highway Administration (FHWA), DOT.

ACTION: Notice of intent.

SUMMARY: The FHWA is issuing this notice to advise the public that an Environmental Impact Statement will be prepared for the proposed construction of the East Howell Area I-96 Interchange in Genoa Township, Livingston County, Michigan.

FOR FURTHER INFORMATION CONTACT: Mr. James Kirschensteiner, Programs and Environmental Engineer, Federal Highway Administration, 315 W. Allegan Street, Lansing, Michigan 48933, Telephone (517) 377-1880 or Mr. Ron Kinney, Manager, Environmental Section, Bureau of Transportation Planning, Michigan Department of

Transportation, P.O. Box 30050, Lansing, Michigan 48909, Telephone (517) 335-2621.

SUPPLEMENTARY INFORMATION: The FHWA in cooperation with the Michigan Department of Transportation (MDOT), the Southeast Michigan Council of Governments (SEMCOG), and the Livingston County Road Commission (LCRC), is preparing an Environmental Impact Statement (EIS) for the proposed construction of a new Interchange along I-96 between Chilson Road and Dorr Road in Livingston County. The proposed project would require a new interchange which is needed to improve access to the East Howell Area. Traffic operations at the Lake Chemung/I-96 Interchange, which is a partial interchange, are not able to accommodate current and future traffic volumes.

A Major Investment Study is underway to narrow the range of alternative investment strategies. The alternatives under consideration include (1) No Build, (2) the construction of a new I-96 Interchange at a new location, and (3) the reconstruction of the Lake Chemung/I-96 Interchange.

Letters describing the proposed action and soliciting comments have been sent to appropriate Federal, State, and local agencies, and had a Scoping Document attached. Letters requesting comments have also been sent to organizations and citizens who have previously expressed, or are known to have interest in this proposal. Two public information meetings were held to date under the Major Investment Study on April 17, 1996 and June 19, 1996, to provide the public an opportunity to discuss the proposed action. A public hearing will also be held on the Draft Environmental Impact Statement. Public notice will be given of the time and place of the hearing. The Draft EIS will be available for public and agency review and comment prior to the public hearing. A Scoping Meeting is scheduled for Thursday, July 25, 1996, and will be held at 9:30 a.m. at the Livingston County Road Commission Building, 3535 Grand Oaks Drive, Howell, Michigan.

To ensure that the full range of issues related to this proposed action are addressed and all significant issues identified, comments, and suggestions are invited from all interested parties. Comments or questions concerning this proposed action and the EIS should be directed to the FHWA at the address provided above.

(Catalog of Federal Domestic Assistance Program Number 20.205, Highway Research, Planning and Construction. The regulations

implementing Executive Order 12372 regarding intergovernmental consultation on Federal programs and activities apply to this program.)

Issued on: June 24, 1996.

James J. Steele,

Division Administrator, Lansing, Michigan.

[FR Doc. 96-16903 Filed 7-2-96; 8:45 am]

BILLING CODE 4910-22-M

Environmental Impact Statement, St. Paul, MN

AGENCY: Federal Highway Administration.

ACTION: Notice of intent.

SUMMARY: The FHWA is issuing this notice to advise the public that an environmental impact statement (EIS) will be prepared for the possible reconstruction of Ayd Mill Road, in St. Paul, Minnesota.

FOR FURTHER INFORMATION CONTACT: William Lohr, Federal Highway Administration, Suite 490 Metro Square Building, 121 East Seventh Place, St. Paul, Minnesota, 55101, Telephone (612) 290-3241; or Michael C. Klassen, Project Manager, St. Paul Department of Public Works, 800 City Hall Annex, 25 West 4th Street, St. Paul, MN 55101, Telephone (612) 266-6209.

SUPPLEMENTARY INFORMATION: The FHWA, in cooperation with the Minnesota Department of Transportation and the City of St. Paul, will prepare an EIS on a proposal for the improvement of Ayd Mill Road. Ayd Mill Road is located in the southwestern portion of the City of St. Paul and runs in a northwesterly direction from I-35E near Jefferson Avenue to the intersection of Selby Avenue and Pascal Street. The total length of the project is approximately 1.8 miles.

A direct connection between I-35E and the south end of Ayd Mill Road was postponed in the early 1980's until a connection to I-94 on the north had been studied. An Ayd Mill Road Task Force, comprised of neighborhood representatives and the City Planning Commission, concluded in 1988 that issues in the Ayd Mill Road corridor were serious enough to warrant further study in an EIS.

An EIS Scoping Process was initiated in 1993. Working with the organizations they represent, Task Force members developed and evaluated ten major alternatives, each with sub-alternatives. In May 1996, the St. Paul City Council determined that seven alternatives will be carried forward in the Draft EIS. The alternatives to be studied in the Draft EIS include:

- No Build
