SUPPLEMENTARY INFORMATION:

Background

On November 16, 1995, Customs published a document in the Federal Register (60 FR 57621) proposing to change the practice regarding the country of origin marking of wearing apparel. Customs previously has ruled that wearing apparel, such as shirts, blouses, coats, sweaters, etc., must be marked with the name of the country of origin by means of a fabric label or label made from natural or synthetic film sewn or otherwise permanently affixed on the inside center of the neck midway between the shoulder seams or in that immediate area or otherwise permanently marked in that area in some other manner. Buttons tags, string tags and other hand tags, paper labels and other similar methods of marking are not acceptable. In the November 16 Federal Register document Customs proposed to change this practice. Customs proposed to evaluate the marking of such wearing apparel on a case-by-case basis in order to determine whether the requirements of the marking statute, 19 U.S.C. 1304, are satisfied.

The comment period for this proposed change of practice expired on January 16, 1996. However, Customs has received requests from interested parties to extend the period of time for comments in order to afford the parties additional time to prepare responsive comments. Customs believes that it is appropriate to grant the request. Accordingly, the period of time for the submission of comments is extended another 60 days. With the extension, comments must be received on or before March 15, 1996.

Dated: January 26, 1996.

Assistant Commissioner, Office of
Regulations and Rulings.
