State Criminal Alien Assistance Program

AGENCY: U.S. Department of Justice, Office of Justice Programs, Bureau of Justice Assistance (BJA).

ACTION: Notice of fund and guidance availability.

SUMMARY: This notice is to announce the availability of \$500 million pursuant to the State Criminal Alien Assistance Program (SCAAP), as newly authorized under 8 U.S.C. § 1252(j). Under this authorization states and political subdivisions of states may apply to the Bureau of Justice Assistance for reimbursement for their expenditures for the incarceration of undocumented criminal alien felons. This notice announces the availability of these funds and of the availability of guidance governing the program, including the application forms. The guidance has detailed information regarding program operation in this fiscal year and is being mailed to correctional facilities in potentially eligible jurisdictions. Any jurisdiction that does not receive a copy of the guidance and application kit by July 26, 1996, may obtain a copy by contacting the Bureau of Justice Assistance through the Response Center below.

DATES: Guidance will be sent out to eligible jurisdictions in mid July. The deadline for submitting application materials ranges from late August to mid September depending on the type of applicant (i.e. state or local jurisdiction).

FOR FURTHER INFORMATION CONTACT: The Department of Justice Response Center

or Linda McKay, SCAAP Coordinator, at 1-800-421-6770.

SUPPLEMENTARY INFORMATION: The following supplementary information is provided:

The State Criminal Alien Assistance Program (SCAAP) provides Federal assistance to states and localities for costs incurred for the imprisonment of undocumented criminal aliens who are convicted of felony offenses. The Fiscal Year 1996 Omnibus Appropriations Act, Pub.L. No. 104-134 (April 25, 1996) provides an allocation of \$500 million for payments under Title II, subtitle C, Section 20301, of the Violent Crime Control and Law Enforcement Act of 1994, Pub. L. No. 103-322 (September 13, 1994), which amends Section 242 of the Immigration and Nationality Act, codified at 8 U.S.C. § 1252. This is a new legal authorization for the program from that underlying last year's program, which was governed by 8 U.S.C. § 1365. The new legal authorization has resulted in many changes to the program including the expansion of the pool of eligible applicants from states only to a significant number of local jurisdictions. These changes have required several modifications in the process to be used in Fiscal Year 1996 to distribute SCAAP funds. The process is fully explained in the guidance document.

The Bureau of Justice Assistance (BJA), part of the Office of Justice Programs (OJP), will administer SCAAP through a grants mechanism according to the application requirements contained in the guidance and application kit. All applicants that comply with these requirements will share in the appropriation based on the number of incarcerated aliens found to be reimbursable, their average length of incarceration, and the costs of inmate upkeep. Data provided by applicants on their potentially eligible incarcerated populations will again be verified by the Immigration and Naturalization Service (INS) using a computerized matching technique.

The application, verification, and award processes are fully explained in the guidance document which is being mailed to all identified eligible jurisdictions and is available from the Bureau of Justice Assistance.

Nancy Gist,

Director, Bureau of Justice Assistance.
