

Substances were ordinally ranked based on their total score, with radionuclides and nonradionuclides ranked separately. The 470 candidate substances considered for the Priority List of Hazardous Substances at DOE NPL sites are those substances present at 22 DOE NPL sites, as indicated in site file documents. The 22 sites consist of 134 operable units.

The 22 DOE NPL sites included in this listing activity are as follows: Bonneville Power Authority; Brookhaven National Laboratory; Fernald Environmental Management Project; Hanford 100; Hanford 200; Hanford 300; Hanford 1100; Idaho National Engineering Laboratory; Lawrence Livermore National Laboratory—Site 300; Lawrence Livermore National Laboratory—Main Site; Los Alamos National Laboratory; Maywood Interim Storage Site; Monticello Mine Tailings; Mound Plant; Oak Ridge Reservation; Paducah Gaseous Diffusion Plant; Pantex; Portsmouth Gaseous Diffusion Plant; Rocky Flats Plant; Savannah River Site; WR Grace/Wayne Interim Storage Site; and Weldon Springs Site.

Notice of Clarification of Applicant Eligibility Under the Request for REACH Plans Under the Office of Community Services' FY 1996 Low-Income Home Energy Assistance Program, Residential Energy Assistance Challenge Option (REACH) Program

AGENCY: Office of Community Services, ACF, DHHS.

ACTION: Notice.

SUMMARY: This is a Clarification of Applicant Eligibility under Program Announcement No. OCS-96-08 (61 FR 35518-35545) for the Office of Community Services' Residential Energy Assistance Challenge Option (REACH) Program. The Administration for Children and Families (ACF), Office of Community Services (OCS) wishes to make clear that "community-based nonprofit entities" which are to be the CBO Recipients through which REACH services are to be delivered pursuant to Section 2607B(e) of the Low-Income Home Energy Assistance Act of 1981, as amended, 42 U.S.C. 8621 *et seq.*, includes those organizations described in section 673 of the Community Services Block Grant Act (42 U.S.C. 9902(1)) which are public agencies, that is, a department, agency or unit of local government.

Demonstration Programs, 370 L'Enfant Promenade, S.W., Fifth Floor, Washington, D.C. 20447, Attention: Richard Saul—(202) 401-9341; Anna Guidery—(202) 401-5318.

This Notice is accessible on the OCS Electronic Bulletin Board for downloading through your computer modem by calling 1-800-627-8886. For assistance in accessing the Bulletin Board, a Guide to Accessing and Downloading is available from Ms. Minnie Landry at (202) 401-5309.

The Catalog of Federal Domestic Assistance number for this program is 93.568.

I. Clarification of Definition

A. Section 2607B(e)(2)(A) of the Low-Income Home Energy Assistance Act of 1981, as amended, requires that each State REACH Plan include "an assurance that such State will deliver services through community-based nonprofit entities in such State * * *"

B. Section 2607B(e)(2)(B) requires that "in awarding grants or entering into contracts to carry out its REACH initiative, the State will give priority to organizations that—

(i) are described in section 673 of the Community Services Block Grant Act (42 U.S.C. 6863 *et seq.*) * * *" That is, priority is to be given to Community Action Agencies. (This is one of three criteria for priority consideration.)

C. In its Program Announcement of July 5, 1996 (OCS-96-08), 61 FR 35518-35545, OCS included a definition of "Community-based, nonprofit" that defined it as "a corporation or association * * *" which has caused some confusion among prospective applicants as to whether a public Community Action Agency which is a unit of local government is eligible to be the "community-based nonprofit entity" through which REACH services are to be delivered. The answer is yes. "Community-based nonprofit entities" includes organizations described in section 673 of the Community Services Block Grant Act that are public agencies or entities such as public Community Action Agencies that are a unit of local government.

Dated: July 19, 1996.

Director, Office of Community Services.
