I have determined that the damage in certain areas of the Territory of the U. S. Virgin Islands resulting from Hurricane Bertha on July 8-9, 1996, is of sufficient severity and magnitude to warrant a major disaster declaration under the Robert T. Stafford Disaster Relief and Emergency Assistance Act ("the Stafford Act"). I, therefore, declare that such a disaster exists in the Territory of the U.S. Virgin Islands.

You are authorized to provide Individual Assistance and Hazard Mitigation Assistance in the designated areas. Further, you may provide reimbursement for debris removal and emergency protective measures under the Public Assistance program. Additional categories of assistance may be provided under Public Assistance, if warranted. Consistent with the requirement that Federal

assistance be supplemental, any Federal funds provided under the Stafford Act for Public Assistance or Hazard Mitigation will be limited to 75 percent of the total eligible costs.

The time period prescribed for the implementation of section 310(a), Priority to Certain Applications for Public Facility and Public Housing Assistance, 42 U.S.C. 5153, shall be for a period not to exceed six months after the date of this declaration.

Notice is hereby given that pursuant to the authority vested in the Director of the Federal Emergency Management Agency under Executive Order 12148, I hereby appoint Barbara Russell of the Federal Emergency Management Agency to act as the Federal Coordinating Officer for this declared disaster.

I do hereby determine the following areas of the U.S. Virgin Islands to have been affected adversely by this declared major disaster:
